

CRUISE OF 5 DAYS / 4 NIGHTS - REF. SFN_PP

Alsace, Switzerland and the Black Forest: A Cruise in the Heart of the Three-Country Region (port-to-port cruise)

FRANCE - GERMANY - SWITZERLAND

As you cruise along the Rhine, let yourself be carried away on a journey through the heart of Europe, where cultures blend naturally and elegantly. From Strasbourg to Basel, the river traces a route through the sunlit landscapes of Alsace, picturesque villages, and the rolling horizons of the Black Forest, all the way to the gateway of Switzerland. Here, borders do not divide; they invite discovery through traditions, craftsmanship, and the rich histories that have shaped these lands. Between cities renowned for their art, heritage, vineyards, castles, and unspoiled scenery, each port of call reveals a different facet of this Rhine region. Yet this cruise is also an invitation to set your own pace, balancing cultural discoveries with outdoor adventures. This diversity allows everyone to experience the Rhine in their own way, enjoying a subtle harmony between exploration and the pleasures of a relaxed lifestyle. Embark on a getaway where France, Germany, and Switzerland meet along the same river, united by its flow. A vibrant and generous journey dedicated to discovery, conviviality, and the art of travel.
