Day-by-day itinerary

DAY 1

ARRECIFE (Lanzarote)

Passengers are welcome to board at 6:00 p.m. Welcome cocktail. Tonight we'll enjoy dinner and an evening of activities on board. Our ship will remain in port overnight.

DAY 2

ARRECIFE

This morning, join us for an optional excursion to Timanfaya National Park. Lanzarote is truly a unique place. Seventy-five percent of the island's surface is covered with craters and lava flows dating back to massive volcanic eruptions 270 years ago. The Fire Mountains in the park possess a singular beauty. At the heart of the stone and rock vineyards in Geria, we'll enjoy a tasting of wine and cheese at one of the oldest bodegas on the island. This afternoon, join us for an optional excursion to learn about César Manrique, one of the most important artists in the Canary Islands. Jameos del Agua is the art, culture, and tourism center where his talents can be experienced firsthand. Afterwards, we'll head to the Mirador del Rio to take in the outstanding views of the moon-like landscape. Lastly, we'll visit the César Manrique House Museum, an incarnation of his talents. When La Belle des Océans casts off for its cruise through the Canary Islands, our crew will welcome you on the Sun Deck for a cocktail. Enjoy an evening of entertainment. Our ship will cruise to Fuerteventura overnight.

DAY 3

ROSARIO (Fuerteventura)

Join us for an optional excursion called "The Secrets of Fuerteventura." You'll set out to discover the authentic heart of Fuerteventura. Your first stop will be at the Mirador de Morro Velosa, where you can enjoy a spectacular panorama of the volcanic valleys. Next, you will visit Betancuria, the former capital founded in 1404 and considered the historical cradle of Fuerteventura. Its cobbled streets, traditional whitewashed houses, small artisan workshops, and the remarkable Santa María church provide a peaceful and historically rich setting. The visit will continue to the village of Tiscamanita, where you will tour a local Aloe Vera cosmetics factory, one of the island's most important crops. Here, you will learn everything there is to know about this remarkable plant. We'll spend the afternoon cruising to Gran Canaria. Lecture.

DAY 4

LAS PALMAS (Gran Canaria)

The shell-shaped island of Gran Canaria is a study in contrasts: Fertile soil to the north versus vast desert lands to the south, while the steep cliffs on the northwest coasts juxtapose the long sandy beaches on the southern side. Both the city of Las Palmas and the sun-drenched beaches in the south beat to the sound of the waves that hit the shores. We set out on an optional excursion to Las Palmas and the Bandama Caldera. We'll begin in old-time Vegueta and the Santa Ana Cathedral, an iconic landmark of the capital of Gran Canaria. In the afternoon, join us for an optional excursion to Teror and the Garden of La Marquesa de Arucas. Teror is a place of pilgrimage for all the island's inhabitants as it houses the statue of the patron saint of the island in its basilica, the Virgen del Pino. Afterwards, we'll head to Arucas, one of the most beautiful cities in Gran Canaria. We'll see the outside of the imposing, black cathedral and visit the lovely Garden of La Marquesa de Arucas, home to 400 species of tropical and subtropical plants. Our ship will cruise to La Gomera. Join us for an evening of dancing in the lounge. Our ship will cruise through the night.

DAY 5

SAN SEBASTIAN (La Gomera)

We'll spend the morning cruising. Take advantage of a quiet moment on LA BELLE DES OCEANS to catch some rays poolside or enjoy a treatment in our wellness salon. More active passengers can keep in shape in the fitness center, and history buffs can attend the lecture in the lounge. Join us for an optional excursion to the island of La Gomera this afternoon. We'll visit Garajonay National Park, which is blanketed with thick, bay-tree forests. This UNESCO World Heritage Site offers a striking contrast to the rest of the archipelago. The park sits under an almost constant haze of fog from the trade winds and the surrounding waters, which gives it an eerie atmosphere. We'll pass through the quaint villages of Hermigua, Las Rosas, and Agulo—whose sweet charm led to the nickname "The Bonbon of La Gomera." We'll stop for a typical island tea time and listen to a demonstration of Silbo Gomero, the whistled language used by the islanders. We'll enter Garajonay National Park to see the Roque Agando rock formation, the symbol of the island, jutting far above the greenery of the forests. Our ship will cruise to La Palma. Join us for dinner and an evening of entertainment.

DAY 6

SANTA CRUZ DE LA PALMA (La Palma)

We'll spend the morning cruising. Lecture. In the afternoon, feel free to join us for an optional excursion to the heart of the island. We'll hit the road to the Caldera de Taburiente for some spectacular views. First, we'll visit the Santuario de Nuestra Señora de Las Nieves, a lovely whitewashed sanctuary housing the venerated Virgin of the Snows. Our tour will then take us along mountain roads and through extraordinary scenery to the Caldera de Taburiente. We'll stop at a traditional 17th-century farm—surrounded by gorgeous gardens and breathtaking views—for a refreshing snack. On the way back, a brief stop at the Mirador de la Concepcion overlook will give you an impressive view of the coast and northern part of the island. Our ship will cruise to Tenerife overnight. In celebration of our last cruise through the Canary Islands, join our crew on the Sun Deck for a cocktail together. Tonight is our festive gala evening.

DAY 7

SANTA CRUZ DE TENERIFE (Tenerife)

This morning, join us for an optional excursion to Teide National Park. Created in 1954, it is listed as a UNESCO World Heritage Site. The last time the volcano erupted was in 1909. You'll experience an astonishing view from the top of the crater, and you will be able to stroll around a bit to experience it all from different angles. This afternoon, we'll set off on an optional visit to Puerto de la Cruz and meander down the charming streets lined with gardens, beautiful homes, and quaint churches. We'll stop at the Mirador de Humbolt, a lookout point with sweeping views of the Orotava Valley and its banana plantations before visiting the Orchid Garden Sitio Litre. For the last evening on board, enjoy the show of traditional songs in the Salon and Bar.

DAY 8

SANTA CRUZ DE TENERIFE

Enjoy breakfast on board this morning before disembarking at 9:00 a.m. End of our services.
