EXCLUSIVE DESTINATIONS

From Spain's Guadalquivir river to France's Loire Valley, we continue to be the first and often only line to offer such unique destinations.

Best value for money

Since 1976, CroisiEurope has been offering quality cruises at affordable prices, giving our customers the opportunity to cruise the world's most beautiful waterways.

CroisiEurope takes you away for so much less yet offers so much more

As an independent, family-owned business, we are able to provide great value for money as we handle the entire operation from beginning to end: from the design and building of our ships and fleet maintenance, to creating cruise itineraries, sales and marketing and highly trained staff and crew.

This gives us the ability to manage our costs carefully and allows us to provide you with exceptional value for money. Additionally, we concentrate on things that matter most: friendly and knowledgeable staff, well-appointed, comfortable cabins, reliable and safe ships, excellent food, incredible itineraries and a delightful experience of European culture.

Each member of our crew is a highly trained professional with a passion for what they do and a commitment to excellence.

Inspired itineraries include iconic favorites, fascinating excursions with knowledgeable guides, as well as an opportunity to explore lesser known places and immerse yourself in local culture. While most of our sightseeing tours show you the must-see sights, we also offer options for our active guests.

Providing exceptional dining is our passion. Our head chef, Alain Bohn, a long-time member of La Chaîne des Rôtisseurs and Maîtres Cuisiniers de France, and our onboard culinary team strive to tempt your taste buds with classical favorites and local delicacies paired with a generous selection of wines from each region the ships are sailing through.

Our cruise managers and on-board hosts take care of every detail.

The CroisiEurope difference

At CroisiEurope we go out of our way to provide you with everything you need at highest possible comfort standards, at the same time searching out unique experiences to make your voyage with us an unforgettable cruise experience.

Entertainment on board

While your CroisiEurope cruise is all about discovering wonderful destinations, on many days there will be an enjoyable or informative distraction to add an extra dimension to your voyage.

A traditional evening of entertainment with a "Titi Parisien" theme or an evening with songs and guitars

that capture the spirit of La Camargue. Dinner in Spain may be accompanied by a guitar player from the region. A classical string quartet could come aboard in Germany, or an entrancing fado singer in Portugal. Or simply do nothing except relax to some light music in the lounge; there's never an obligation to join in.

Our cruises offer excellent value and include so much in the price:

- Your cruise from embarkation to disembarkation in a double occupancy en-suite cabin with flat screen TV with international channels for news and music.
- Delicious self-service buffet breakfast.
- Lunch and dinner menus created by our head chef. We can accommodate a range of dietary preferences, including vegetarian or gluten free, if notified in advance of travel.
- Unlimited drinks onboard on all our main season cruises and certain other itineraries where noted.
- Complimentary drinks include mineral water, fruit juices, soft drinks, tea, coffee, beer, most spirits and a large selection of house wines. Not included are Premium brands listed on our drink menus.
- Classic and/or Discovery excursions.
- Complimentary Wi-Fi onboard.
- Multi-lingual cruise manager and hostess at your disposal.
- All port fees.
- Travel assistance and repatriation insurance.

Alcohol can be dangerous to your health. Please drink in moderation.
Note: Included features may vary based on ship and destination.

Travel Insurance Advice

For your peace of mind and well-being, we strongly advise that you purchase travel insurance to cover you for trip cancellation or interruption, medical expenses and lost or damaged luggage. Please ask your cruise specialist or travel agent at time of booking.

Life on Board & Cuisine

CROISIEUROPE'S HEAD CHEF, ALAIN BOHN

QUALITY CUISINE, ACCLAIMED BY OUR PASSENGERS

Respect for French culinary traditions is one of our company's strengths. The meals are designed by the company's Head Chef, Alain Bohn, a member of the *Maîtres Cuisiniers de France* association, which includes only 250 chefs worldwide, and of the *Chaîne des Rôtisseurs*.

With his team of chefs, he designs each menu in the pure tradition of French gastronomy, while bringing out the local tastes and flavors of the regions and countries we travel through. Our wines are selected to accompany each of your meals. We adapt our menus and offer alternatives to passengers with special dietary requirements.

From time to time, CroisiEurope teams up with top chefs such as Marc Haerberlin or Maison Paul Bocuse to organise gastronomic cruises that are full of taste and flavor.

Cabins

After dinner, retire to your private cabin in comfort for the night: all our tastefully decorated cabins are equipped with air conditioning, central heating, shower / toilets, satellite TV, safe, hairdryer— each providing a view of the river. Some cabins have French balconies or private terraces.

Our fleet of Premium ships offer additional comfort providing more space in the cabins.

In order to satisfy the requests of our passengers, we now offer the choice between 3 categories of cabins:

Category A: premium location

Category B: intermediate location

Category C: standard location and cabin can be slightly smaller in size

This concerns all our ships except the canal barges, the ocean ship "La Belle des Océans" and the fleet of exotic river ships.

Buffet Breakfast

Your day will start with an impressive self-served buffet breakfast in the onboard restaurant, which may include pastries, coffee, tea, juice, breads, jams and jellies, a variety of sausages and cold cuts, eggs, fresh fruit and yogurt.

Want to relax: choose between lounge bar & sun deck

Why not enjoy one of our lounges? A good place to spend time socializing indoors with friends or family, or enjoy some entertainment. On board our 3-deck ships, the piano bar is the ideal place to enjoy a cocktail, choose a book from the library, listen to or play the piano.

The sun deck offers a panoramic view of the landscape's beauty as you cruise and sun loungers are available to enjoy this view. On some ships, a swimming pool or a jacuzzi are also at your disposal to relax.

Service & languages

We have a dedicated and knowledgeable staff of more than 1,300 people, whose conviviality, attentiveness and professionalism ensure that your voyage will be comfortable and pleasurable. Our staff and crews speak French, English and many of them speak other major European languages as well.

Gratuity

Tipping customs vary from country to country and culture to culture, and we understand that tipping is a way for passengers to show appreciation for services, quality and attention received during the cruise. To leave a tip, please use the envelope found in your cabin your last evening on board, and place this envelope in the specially designated box in the reception area as you disembark with the understanding that tipping is entirely at your discretion*.

Just sit down and let us take care of you

Lunch and dinner will be 3-course sit down meals prepared by our chefs. We serve a fixed menu of local specialties, prepared on a daily basis from fresh ingredients. Both lunch and dinner meals are paired with excellent complimentary wines. We do provide meals for people with food allergies or special dietary needs.

* Apart from our cruise on the Ganges for which tips are already included.

Note: Certain features may vary based on ship and destination.

A variety of excursions to choose from

We offer a program of excursions to enrich each itinerary. These are carefully selected to reflect the cultures and traditions of the regions or countries visited.

“CLASSIC” EXCURSIONS

The “Classic” excursions combine culture, architecture and history.

“DISCOVERY” EXCURSIONS

The “Discovery” excursions offer unusual visits, the offbeat, as well as tastings of local products.

New for 2024: make your own selection of excursions

In order to offer our customers a wider choice, with the possibility of mixing and matching “Classic” and “Discovery” excursions, the pre-established excursion packages are disappearing in favor of tailor-made packages. Now you can tailor-make the excursion package that suits you best!

You are free to choose the individual excursions that suit you best and put together your own personalized is the common spelling in the US package.

MEMBERS OF

Taking care of our environment

CroisiEurope's longstanding environmental position focuses on nature as our most valuable asset. This commitment is an integral part of the company's culture through a series of concrete actions both within our company and on board our ships.

Find out the latest measures taken by CroisiEurope in the field of environmental protection in order to comply with the requirements of the CDNI (Convention

on the Collection, Deposit and Reception of Waste by Inland and Rhine Navigation) for navigation on the Rhine, which CroisiEurope has decided to implement on all its rivers.

After conclusive tests carried out on the Seine River with our partner AS Energy, **our ships now use GTL fuel**. Gas-to-Liquid fuels combust more uniformly and result in lower emissions.

Here are other environmental initiatives we would like to share with you:

- Installation of **water-saving devices** on our ships that reduce freshwater consumption by 35% and, as a consequence, the amount of wastewater produced.
- By offering **filtered water** on board, CroisiEurope is committed to respecting the environment and saves more than 30 tonnes of plastic per year.
- Installation of **drainage systems** on all our ships. The entire CroisiEurope fleet is equipped with an on-board water treatment system to protect the environment in the event of accidental discharge of waste water into a river.
- **Installation of a waste water recipient** connected directly to the city sewer system at the CroisiEurope dock.

- All of our ship engines (**Green Ship Label**) respect the strictest European standards against pollution to help reduce greenhouse gas emissions.
- The latest onboard technology helps **limit fuel consumption** when cruising.
- We have insulated the ventilation in our engine rooms to **reduce noise pollution**.

- For the **replacement of bath towels**, we are trying to raise our passengers' awareness using written messages and announcements.
- CroisiEurope follows the criteria outlined by **Imprim'Vert** in regards to **environmentally friendly printing**. All of the documents printed at our company is done so with **vegetable-based inks on unbleached paper**.
- Our company has signed the metropolitan charter **Working together for greater biodiversity** for the ecological management of green spaces at its river port.

- At ports, we systematically connect to **power supply terminals** (Powerlock connectors) whenever possible, and for our own docks, we are investing in these newer installations. In addition, most of our ships are equipped with **energy-efficient electrical devices**.
- In winter, our ships are moored at river **ports with electrical terminals** that power the vessels, which helps reduce noise and pollution.
- In Paris, we are providing excursions on **electric buses** that are quieter and pollute less, to everyone's advantage.

- All of **our waste is sorted and compacted** on board before being **recycled**.
- All food waste and biowaste is collected and **converted into biogas** by specialist companies.
- **Used engine oil is collected and transformed** by onshore specialists.
- We use **biodegradable and environmentally friendly cleaning products**.
- **Exterior paints contain no pollutants**.
- Plastic straws and cups have been replaced by **biodegradable paper**.

- Our company is affiliated with **E2F, Entreprises Fluviales de France** which brings together players in our sector to orchestrate collective actions regarding the immense challenges that lie ahead.
- Our company has been awarded the Green Award for 5 ships in the Rhine/Danube fleet.
- Our company applies the **unified charter covering the commitments of cruise lines sailing in Mediterranean waters**.

Our excursions • Northern Europe

CLASSIC EXCURSIONS

AMSTERDAM

LENGTH: 4 hours

We'll leave by coach for a guided tour of the city. From its romantic canals to its world-renowned museums and historical significance, Amsterdam never ceases to surprise. Our first stop will be the Riecker Windmill, a windmill located on the riverbanks of the Amstel River, south of the city. This mill was built in 1636 in the village of Sloten and was used as a polder mill for the polder of the same name (Riekerpolder). Our coach will then take us to the Bloemenmarkt, the famous floating flower market, one of the most fragrant places in Amsterdam in any seasons!

AMSTERDAM AND THE JORDAAN DISTRICT

LENGTH: 4 hours

Enjoy a tour of Amsterdam from Leidseplein to Dam on an old-fashioned tram. Sites on this tour include the Museumplein, lively Leidsestraat, the floating flower market, the Spui, and much, much more. Of course, the canals are never far from view. We'll continue on foot to the upscale Jordaan district brimming with quirky galleries, independent boutiques, hip restaurants, and street cafés. The moving Anne Frank House museum is located close by. The tour ends at Westerkerk, the largest Protestant church in Holland and Rembrandt's final resting place.

BERLIN

LENGTH: 4 hours

We'll leave by coach to visit the German capital with a local guide, taking us on a tour to learn about the history, monuments and fascinating facets of this historic city. We'll walk to the famous Victory Column with a statue of Bismarck beside it, then to the Brandenburg Gate, alongside the Reichstag Building with its steel and glass cupola. We'll then head to Museum Island, a complex of Berlin's five most famous museums. The modern Alexanderplatz and its famous Fernsehturm (Berlin TV Tower) are located beyond Museum Island. We'll then head to Checkpoint Charlie, symbol of the Cold War and the former crossing point between the American and Soviet zones.

BERLIN BY NIGHT

LENGTH: 2 hours

After dinner you will leave by coach to explore contemporary Berlin. A guided walk will enable you to discover the contemporary architectural prowess of Renzo Piano, Richard Rogers, etc. A true no man's land after the fall of the wall, this square now houses the headquarters of the DB, the Sony Center, and a cinema complex. At night, it comes to life and is illuminated. A futurist vision of the German capital.

Panoramic tour by coach with stops to take pictures and a walk on the Potsdamer Platz.

BREMEN

LENGTH: 2 hours

We'll set out on foot to visit the historic center of this Hanseatic city. We'll visit the district of Schnoor located on the banks of the Weser River. This is the oldest district in Bremen and its narrow streets are filled with small half-timbered houses. We'll continue towards Marktplatz where you'll get to see St. Peter's Cathedral, the magnificent City Hall and more. Our visit ends after a walk down the Böttcherstrasse, a street famous for its unusual architectural ensemble belonging to a variant of the expressionist style. We'll

pass the entrance gate with its impressive golden fresco depicting the Lichtbringer, Bringer of Light. After the tour, take advantage of some free time before returning on board on foot.

CHARLOTTENBURG PALACE

LENGTH: 3 hours

We'll leave from Berlin by coach for a stroll in the gardens before an audio-guided tour of Charlottenburg Palace, one of the favorite summer residences of the Grand Electors of Brandenburg and, later, of the kings of Prussia. We'll visit the white room (the throne room and the sovereign's dining room), the Golden Gallery (dancing and music room), the Winter Chambers and Queen Louise's bedroom.

CHORIN ABBEY

LENGTH: 2.5 hours

We'll leave by coach for a guided tour of the Chorin Abbey. This 13th century Cistercian abbey is viewed as one of the masterpieces of Brick Gothic, typical of Northern Germany. Settled amidst an unspoiled picturesque landscape on the Southern edge of the Uckermark region, it was once a significant center for architecture in the Middle-Ages.

COCHEM CASTLE

LENGTH: 1.5 hours

We'll leave for a guided tour of the Cochem Imperial castle, the Reichsburg. Originally built in the year 1000 and consequently destroyed by French troops in the 17th century, the castle was entirely rebuilt according to old plans in Neo-Gothic style. After our tour, enjoy some free time to discover the city's narrow winding streets, its carefully restored half-timbered houses, the Town Hall square as well as ancient walls, gates and churches. We'll return on board on foot.

COLMAR AND THE ALSATIAN WINE ROUTE

LENGTH: 9 hours

We'll leave by coach for a guided tour of downtown Colmar, including historical sites such as the Unterlinden Museum, the "Little Venice" district, St Martin's Church and the Koifuss (also known as the "Ancienne Douane" building). We'll enjoy lunch in the city (or its surroundings) before driving up the Alsatian Wine Route towards Obernai.

COLMAR AND THE UNTERLINDEN MUSEUM

LENGTH: 4 hours

Colmar will charm you with its authenticity and typically Alsatian architecture composed of brightly painted half-timbered facades dating from the Middle Ages. You'll discover the quintessential neighborhood of "Little Venice" and visit the Unterlinden Museum, featuring a large collection of local and international artworks and manufactured artifacts from prehistorical to contemporary times. Inarguably, the most important work in the collection is the Isenheim Altarpiece.

The museum is closed on Tuesdays. It will be replaced by a visit to the Hansi Museum instead.

COLOGNE

LENGTH: 5 hours

We'll leave on foot with our guide for downtown Cologne. Located at the crossroads of Europe since the Middle Ages, Cologne has kept its importance as a vibrant commercial and industrial city as well as a cultural and

religious center. You'll be able to admire the exterior facades of the huge gothic cathedral. Around the cathedral, 12 other Romanesque style churches are set in a circle, representing the 12 holy apostles. We'll then move on to the Old Town and stop to admire the outside of the Neo-Gothic Farina Fragrance Museum, home to the famous "Eau de Cologne". After the tour, take advantage of some free time. Return by coach.

COPENHAGEN

LENGTH: 3 hours

We'll visit most of the exteriors of the main tourist attractions in the Danish capital, starting with Christiansborg Palace, the seat of the Danish Parliament, and Amalienborg, home of the Danish royal family. We'll then discover the impressive Gefion Fountain and get to see the famous statue of the Little Mermaid on the seafront.

VISITING DELFT AND ITS POTTERY FACTORIES

LENGTH: 4 hours

The mills were built in the 18th century to remove water

from the polder as everything is below sea level. The Dutch are masters at water management, and this attraction is the best place to learn how they have dealt with their struggles against the sea over the centuries. The area was also the inspiration for a familiar children's game. Legend has it that after a flood in 1491, as someone from the local village was inspecting the damage, they saw a cradle floating in the water. As the floating cradle came nearer, a cat was seen trying to keep it balanced by jumping back and forth so that no water could get in. When the cradle came close enough for someone to pick it out of the water, they saw a baby quietly sleeping inside. This folktale is now well known as "The Cat and the Cradle".

CHAMBORD AND CHENONCEAU

LENGTH: 12 hours

We'll set off by coach for the Château de Chambord. King Francis I built this extraordinary castle as a hunting lodge. It is one of the most recognizable châteaux in the world because of its very distinctive architecture blending traditional French medieval forms with classical Renaissance structures. Enjoy a tour of this majestic castle and its grounds. We'll then continue on to Chenonceau, stopping for lunch in a local restaurant. Our afternoon will be spent visiting the Château de Chenonceau. Once of the best-known and most-visited châteaux in the Loire Valley, it spans the Cher River. Its architecture is a fascinating mix of late Gothic and early Renaissance. The list of aristocrats and nobles that have lived in it is astounding: Thomas Bohier, Diane de Poitiers, and Catherine de Medici, to name just a few. After our visit, we'll head to Nantes, arriving in the evening.

CRUISE ON THE ERDRE RIVER

LENGTH: 2.75 hours

We'll leave for a cruise on what King Francis I called the "most beautiful river in France": the Erdre. As the scenery rolls by, discover the history of the river and its numerous châteaux.

Then we'll continue on to the Saint-Nazaire shipyard, one of the largest and well-renowned in Europe. Once the birthplace of the most outstanding French transatlantic liners, today it is the construction site for elegant cruise ships. While following a tour especially designed to better understand the complexity of constructing these truly modern floating palaces, you'll discover the immensity of this site (267 acres), the stunning logistics, and the advanced technology required to build the ships.

Each passenger will be asked to produce a valid passport in order to gain access to the shipyard.

THE CHÂTEAUX OF THE LOIRE VALLEY

LENGTH: 11 hours

We'll leave by coach for the Azay-le-Rideau Château. Built on a small island in the middle of the Indre River, the château as it is seen today was built under Francis I by Gilles

Berthelot, a wealthy financier who wanted to incorporate its medieval past alongside the latest architectural styles of the Italian Renaissance. This château is a French national monument and possesses all the refinement found in the French Renaissance. We'll continue to Villandry for lunch. After lunch, enjoy a walk through the lovely gardens surrounding the château. Spread out over an impressive area, the gardens bring together aestheticism, diversity and harmony. Afterwards, we'll continue our tour and visit the Ussé Château. Rebuilt in the 15th and 16th centuries, this stronghold with fortified towers, turrets and steeples looks like something out of a fairytale. The castle is still inhabited today and takes visitors back to a time of legends and fairytales. It is thought to have inspired Charles Perrault when writing "Sleeping Beauty".

CLASSIC EXCURSIONS

CLAUDE MONET FOUNDATION IN GIVERNY LENGTH: 3.5 hours

We'll leave by coach for the Claude Monet Foundation in Giverny (Monet's house between 1883 and 1926) where you'll discover the famous garden with its riot of flowers as well as Monet's private collection of Japanese prints. Inside, Monet's particular taste for warm tones will strike you. You'll also get to see some painting reproductions in the workshop.

GUIDED TOUR OF THE CHÂTEAU DE VERSAILLES LENGTH: 4 hours

Departure by coach in the company of your hostess for a visit to the Château de Versailles. Listed as a World Heritage Site for thirty years, the Château de Versailles is considered to be one of the finest achievements of French art from the 17th

century. Louis XIII's former hunting lodge was transformed and enlarged by his son Louis XIV, who fixed the Court and government of France here in 1682. Until the French Revolution, one king followed another, each embellishing the Château in his turn. When you arrive, your guide will take you through the King's Grand Apartment. These seven successive rooms were intended to serve as a Parade Apartment, that is to say for the sovereign's official business. This is why it was decorated with the most splendid riches and based on the model of Italian palaces of the time. During daytime, it was open to all, French and foreigners, who came to see the king, and it was reserved for the Court three evenings a week. Afterwards, you'll go through the Hall of Mirrors, known in the 17th century as the "Great Gallery" and which was where courtesans would wait, meet or just pass through every day. This 75m-long, 10m-wide and 12m-high hall was designed by Mansart in. The principal feature of this hall is the seventeen mir-

ror-clad arches that reflect the seventeen arched windows that overlook the gardens. You tour will end with a visit to the Queen's Apartments, where the Queen would host the ladies of the Court when she rose in the morning and granted private audiences. After visiting the Château, you will still have a little free time to discover the fabulous formal French gardens created by André Le Notre for Louis XIV. Return on board by coach.

HONFLEUR LENGTH: 1.5 hours

Honfleur, the cradle of Impressionism, is located at the mouth of the Seine as it flows into the English Channel. Untouched by the passage of time, this small port has kept the landmarks of its rich past, making it today one of the most visited towns in France. During our guided tour, we'll get to see landmarks such as the Vieux Bassin, Saint Catherine's Church and the original 17th century Salt Halls (Greniers à Sel).

MARTAINVILLE CHÂTEAU

LENGTH: 5 hours

We'll leave by coach with our hostess for the Martainville Château. Built at the end of the 15th century by Jacques Le Pelletier and bought by the State in 1906, it was turned into a museum in 1961. There, you'll learn about 500 years of rural Norman history and travel to the heart of Norman traditions.

PARIS: PANORAMIC GUIDED TOUR

LENGTH: 3.5 hours

We'll leave by coach with our guide to discover the mythical sites of the capital. Our coach will take you past Bercy, the F. Mitterrand National Library, the Bastille, the Marais, the Latin Quarter, Saint-Germain-des-Prés, the Louvre, the Pyramid, the Opéra Garnier, Place Vendôme, the Concorde, the Champs Élysées, the Arc de Triomphe, the Invalides, the Trocadéro and of course the famous Eiffel Tower.

ROUEN

LENGTH: 2 hours

Stretched along the Seine, Rouen is Normandy's cultural, historical, and gastronomic capital. The exceptionally complex Notre-Dame Cathedral is renowned for the juxtaposition of all the Gothic periods. We'll walk past the Gros-Horloge, one of the most emblematic monuments in the city, located right next to a Gothic belfry which has housed the communal bells and clock of the city since its construction. Finally, we'll visit the Saint Joan of Arc Church on the Old Market Place.

THE CÔTE FLEURIE

LENGTH: 4 hours

We'll depart by coach with our guide, first stopping in Deauville, the most glamorous coastal French city. Enjoy a stroll along the beach and discover the facade of the famous casino, one of the nicest in Europe. We'll then set off for the Château du Breuil, one of the most beautiful examples of the

architectural heritage of this region. Today, it is also home to a prestigious distillery where you will get the chance to discover the various steps to making Calvados before tasting* it.

THE LANDING BEACHES

MUST BE BOOKED IN ADVANCE THROUGH YOUR TRAVEL AGENCY

We'll leave by coach for a day trip (lunch included) to the landing beaches. Arrival at Pointe du Hoc, the scene of one of the landings on June 6, 1944. We'll then pass through Omaha Beach, Colleville sur Mer and its American cemetery. After lunch, we'll continue to Arromanches and stop at Arromanches 360° where you'll be able to watch a film in its circular room. DISCOVERY EXCURSIONS

STROLL ON THE BANKS OF THE SEINE, THE BRIDGES OF PARIS

LENGTH: 3 hours

We'll set out from the Quai de Grenelle for a stroll along the banks of the Seine which were added to the UNESCO list of World Heritage Sites in 1991. Come with us and discover the splendid sites and surprising points of view on each side of the river. You'll also learn about the complex relationship Parisians have had with their waterways since the Middle Ages. All levels of walkers are welcome to join us and hear about the river's fascinating history.

You will have to return to the ship on your own using the combined transport tickets that are included in your cruise. The guide will not escort you on this return trip.

THE ALABASTER COAST

LENGTH: 4 hours

Leave Honfleur by coach for the excursion to the Alabaster Coast, classified as a Natura 2000 site since 2009. This trip will be your chance to discover the natural heritage of the Pays de Caux and the Seine estuary. We will pass by Le Havre. The high cliffs of white chalk and stone beaches were popularised by the paintings of Claude Monet. The suspended valleys of the little coastal

rivers, the Normandy bridge and Etretat, sights not to be missed bordering a coast that you will see in a fresh light after this trip. Marvel at the beauty of the Alabaster Coast and the diversity of its plant and animal life. Stop at Etretat. Once a fishing village, Etretat transformed itself into a seaside resort in the 19th century and became a place of inspiration for artists (Gustave Courbet, Eugène Boudin and Claude Monet), writers (Gustave Flaubert and Guy de Maupassant, Maurice Leblanc) and famous people (J. Michelet, F. Faure, the Queens of Spain, J. Bonaparte...). Etretat was the holiday spot of numerous famous opera composers and singers of the 19th century who had villas there or stayed there regularly in a comic-opera decor. The town has several remarkable chateaux, manor houses and villas, such as the Manoir de la Salamandre (a house admired by tourists and located in the main street near the hall), The Clos Lupin and the Château des Aygues which were the seaside residences of the Spanish queens Maria Christina of the Two Sicilies and Isabel II. Return by coach to Honfleur.

WALK TO CHÂTEAU GAILLARD

LENGTH: 2.5 hours

From Les Andelys, we'll walk to the Château Gaillard. Come discover this ruined medieval castle and its gorgeous views overlooking

the small city of Les Andelys and one of the loveliest bends in the Seine. The complex and advanced-design castle was expensive to build, yet the majority of the work was done in an unusually short time. After our walk and visit, we'll return to the ship by coach. The Château Gaillard is closed on Tuesdays.

WALKING TOUR OF THE GARDENS OF THE PALACE OF VERSAILLES

LENGTH: 4 hours

Set out on foot for an unequalled tour of the magnificent palace gardens. An alternative experience at Versailles will bring you face to face with groves, sculptures, thriving greenery, and abundant water sources. In 1661, King Louis XIV authorized André Le Nôtre to create a French-style garden that would be the envy of all in the great European courts through the 18th century. The Sun King took such great pleasure in exploring his gardens, he wrote a book explaining how to give tours of the immense grounds. This tour will follow the king's recommendations, and your guides will let you in on the secrets and tales of this unique site—one of the most beautiful open-air museums in the world.

ARLES

LENGTH: 2 hours

Our guided tour of Arles will take us past such sites as the Roman Amphitheatre (the "Arènes"), the Ancient Roman Theatre and the Place St Trophime with its cloister and church. ARLES AND VISIT TO A LOCAL OLIVE OIL PRODUCER

LENGTH: 4 hours

We'll leave on foot for our guided tour of Arles. For two thousand years, Arles has maintained an outstanding architectural heritage making it a genuine open-air museum. Our tour will take us past the Roman Amphitheatre (the "Arènes"), the Ancient Roman Theatre and the Place St Trophime with its cloister and church. These are part of the Arles route, one of the three pilgrimage routes leading to Santiago de Compostela. We will continue our visit with the Place du Forum and the Thermae of Constantine before hopping on board our coach leading us to Tarascon. There, we'll visit a local olive oil producer's domain. The owners will explain the various steps to making the "yellow gold of Provence" before we indulge in a tasting of the product.

AVIGNON

AND THE PAPAL PALACE

LENGTH: 3 hours

We'll set out on foot with our guide for the center of Avignon, first stopping at the Place de l'Horloge. This square has always been the beating heart of the city as revealed by the remains of the Roman forum, still visible amidst the numerous cafés and restaurants that have since taken up its former social function. We'll continue on to the Place du Palais for our visit to the Papal Palace, the most important monument in the city. The two parts that make up the Palace were built by Pope Benedict XII and his successor Pope Clement VI. Our visit will take you through the staterooms where numerous ceremonies and feasts took place, the chapels, the Pope's private apartments and the terraces which offer a wonderful panorama of Avignon and the Rhône River.

BEAUJEU

LENGTH: 10.5 hours

We'll set out for Beaujeu, the former capital of the Beaujolais. The departure of the Beaujolais Nouveaux wine from the Les Sarmantelles International Festival is a joyful, 30-year-old event. You'll be able to join in on the action and discover the 12 appellations of Beaujolais while listening to great music and admiring the fantastic scenery and quaint architecture of the tiny city. In the evening, we'll enjoy the famous "soirée prestige" in the center of it all, where cabaret shows and dinner prepared by the best chefs in the region await you under outdoor tents. At midnight, we'll set off on a torch-lit stroll to welcome Beaujolais Nouveau Day and watch a fireworks show.

BEAUNE

LENGTH: 4 hour

As we travel through the outlying hills of Beaune, we'll cross through several well-known wine appellations: Pommard (once appreciated by Henri IV and Louis XV), Pu-

igny, Montrachet, and many others. When we arrive in Beaune, we'll first visit the famous hospice, founded by Chancellor Nicolas Rolin during the extreme poverty and plague that hit the region in 1443. It remained a working hospital overseen by the Holy See up through the 20th century, with the daily activities run by nuns known as Les Soeurs Hospitalières. Now a museum, it contains over 5,000 objects, including a dazzling polyptych altarpiece of The Last Judgment by Rogier van der Weyden. The hospice is also well known for their more than 148 acres of vineyards, most of which are located in prestigious appellation areas. As anticipated, our tour will finish up with a tasting of a selection of these wines.

CLUNY ABBEY

LENGTH: 3 hours

We'll leave by coach with our guide towards Cluny Abbey. Founded in 910 by William the Pious, this ancient Benedictine abbey extended a widespread influence on all of medieval Europe. Its church was the largest in all of West Christianity until the construction of Saint Peter's basilica in Rome. In 1798, the abbey was sold as a national asset and thus dismantled, while its church was almost completely destroyed. Today, you can still admire their vestiges which bear witness to the past splendour of Cluny.

FOLLOWING THE FOOTSTEPS OF VAN GOGH IN ARLES

LENGTH: 2 hours

We'll leave on foot for a guided tour of Arles following the footsteps of Vincent Van Gogh. Arles is an ancient Roman city whose ruins are second only to Rome and include the Antique Theater, Amphitheater, Thermes of Constantine, and the Alyscamps. Arles is also an important stop along the Way of St. James. Vincent Van Gogh came to Arles to escape the gray winter in Paris and the indifference he felt within the artistic milieu there. He arrived in Arles on February 20, 1888, and immediately began to produce his most prolific number of works in his career: more than 300 paintings and drawings within an 18-month period. Van Gogh crisscrossed the city and its surroundings to paint the landscapes, people, and scenes as he interpreted them. Everything around him served as inspiration for his canvases. Our tour will retrace his steps to the different sites where he set up his easel, such as the Place du Forum, the Quai du Rhône, and Place Lamartine. Panels at each stop compare his painting and the actual scene as it appears today. After some free time on your own, we'll return to the ship.

GASTRONOMIC DINNER AT PAUL BOCUSE'S ABBAYE DE COLLONGES

LENGTH: 2 hours

We'll leave on foot for Paul Bocuse's Abbaye de Collonges for a veritable French feast. Paul Bocuse was a three-star gourmet chef who was known for his innovative approach to cuisine and his love for fresh, high-quality ingredients. This will be a singular experience in an exceptional setting, where you'll be able to relish in out-of-this-world courses prepared by some of the most renowned chefs.

LYON

LENGTH: 3 hours

We'll leave by coach for our guided panoramic tour of Lyon which will take us

all the way to the Fourvière Basilica. We'll first take in the breathtaking views from the heights of the Basilica before visiting its interior. Afterwards, we'll set off on a walking tour with our guide and discover the "traboules", types of passageways that were designed to reach the river quickly. Enjoy some free time in the Old Town.

LYON AND LES HALLES DE LYON PAUL BOCUSE

LENGTH: 4 hours

Join us on a guided tour of Lyon. We'll cross through the city and go up Fourvière Hill to the white basilica, the best place to take in the view. Then we'll head over to Vieux Lyon to have a look at its historical homes and the "bouchon" restaurants that are found throughout the district. Learn about the discrete and strategic doorways leading to shortcuts, known as traboules, that go from street to street. Don't miss the tasting of fine food at Paul Bocuse's Les Halles de Lyon, a huge, three-story, indoor market where close to 50 shops offer the finest gourmet food—a veritable feast for the eyes and palates. We'll enjoy a snack of local sausage and cheese, topped off with a lovely glass of wine*. Enjoy some free time before returning to the ship.

MÂCON

LENGTH: 2 hours

Although it is still in the Burgundy region, with its unique roof tiles and brightly colored facades, Mâcon feels like it should border the Mediterranean Sea. The city has a wide range of striking monuments and beautiful, old mansions lining the streets in the older sections.

SAINT-RÉMY-DE-PROVENCE

LENGTH: 4 hours

We'll set off on a tour that includes areas of the beautiful Alpilles Natural Regional Park and the vines that produce the classic Baux-de-Provence wines. The red and rosé wines are produced mostly from the Grenache, Syrah, and Mourvèdre varieties, giving them aromas that include blackberry, violet, black olives, and herbs. We'll visit Saint-Rémy-de-Provence, located in the Alpilles Natural Regional Park, a quintessential Provençal village bursting with French charm. We'll visit a local vineyard for a tasting*.

TAIN L'HERMITAGE, WINE TASTING

LENGTH: 1.5 hours

We'll leave on foot for the visit of a wine cellar in Tain l'Hermitage. We'll discover the vats, barrels and storehouse and learn all there is to know about wine-making, followed by a wine-tasting session*.

THE BAUX-DE-PROVENCE

LENGTH: 4 hours

Discover the Baux-de-Provence, one of the most beautiful villages in France. Located at the heart of the Alpilles on a rocky plateau, the village overlooks breathtaking landscapes over Arles, the Camargue and the Alpilles. This gorgeous and impressive stone fortress is definitely a must-see.

THE BEAUJOLAIS VINEYARDS AND WINE TASTING

LENGTH: 4 hours

Departure by coach to discover the Beaujolais vineyards extending on 22,500 ha.

We will pass through charming little wine-growing villages before reaching Romanèche-Thorins for a visit to the "Hameau Dubœuf", a unique museum in Europe containing a collection of old and rare objects from over 2,000 years of wine-growing history. We'll learn about the current wine-making and vine-growing processes when visiting the wine storehouse where the wines are left to age in oak barrels. In the midst of the Beaujolais vineyards, we will discover the skills of the winemakers through exhibitions, automated puppet theaters and 3-D films. Afterwards, immerse yourself in fine aromas and delightful scents during a walk through the surprising gardens of "œnoparc", a true haven for wine-lovers spread out on 30,000 m² and 25 exhibition halls. Before leaving the "Hameau Dubœuf", we will, of course, enjoy a tasting* of some of the region's wines.

THE CÔTES DE PROVENCE REGION

LENGTH: 3 hours

The Côtes de Provence region is best known for its crisp rosé wines and magnificent scenery. Provence was one of the very first regions to cultivate grapevines for wine production almost 2,600 years ago. Today, vineyards extend along the coastline and deep inland. The strong mistral winds are key to its great success. We'll visit a local vineyard for a tasting*.

THE GOLDEN HUES OF THE BEAUJOLAIS REGION

LENGTH: 4 hours

The rocky area to the south of Lyon is known for the lovely golden hues that glow differently as the sun moves across the sky. The area is as much a feast for the eyes as it is for your taste buds. Join us for a tour to discover the beauty of the region. We'll visit a local vineyard for a tasting*.

THE VERCORS

LENGTH: 4 hours

We'll leave by coach from La Voulte towards Die. Carved out in limestone, the Vercors Regional Nature Park extends over 186,000 ha between the Isère Valley to the north and the Diois to the south. Water has shaped deep gorges in the cliffs, majestic cirques, caves and chasms among the most famous in Europe. Wooded plateaux and

valleys shaped by agriculture are home to a remarkable fauna and flora. We'll stop at the cellars of Die Jaillance to discover a true love story between man and the vine and enjoy a wine-tasting* session. Afterwards, we will continue by coach for a panoramic view of the Rousset Pass located in the heart of the Vercors and reaching an altitude of over 1,400m. The belvedere culminates at a height of 1,245 m and from this point of view the scenery is outstanding: arid escarpments and a road with hairpin bends down the hill, which accentuates the overall impression of depth. We'll move on towards Vassieux-en-Vercors, La Chapelle-en-Vercors and Pont-en-Royans where you'll get to see the suspended houses, whose daring architecture dates as far back as the perched village itself, built in the 15th century. Last, we'll drive through Romans-sur-Isère well known for its shoe industry.

TOURING THE CAMARGUE AND VISITING A MANADE

LENGTH: 4 hours

Enjoy a panoramic guided tour of the Camargue. Sit back and admire the rivers, marshes, ponds, flamingoes, black bulls and the famous, indigenous Camargue horses. Discover the salt and rice fields that make the area so well known. We'll visit a manade (bull breeding farm) and learn about the work of a manadier as we watch a demonstration of how they work with the animals they raise. Our visit will include a cocktail* on the patio.

TOURNON

LENGTH: 3 hours

Located in the heart of the Rhône Valley, at the gates of Provence, Tournon will enchant you with its heady perfumes. We'll begin our visit on foot passing all the main tourist attractions of the town, including the historic monuments and shopping areas. We'll stop at the Château Museum where we'll get the opportunity to discover the permanent collection tracing the history of navigation on the Rhône River. This imposing castle was built on a high granite rock overlooking the town and was the domain of the barony of the Counts of Tournon. At the foot of the castle, enjoy a pleasant walk along the streets and alleys of the historic center which will take you back to the Middle Ages. Our visit will end with a tasting* of regional products and wines. We'll return to the ship on foot.

Vienne

LENGTH: 2 hours

Our guided walking tour of Vienne will allow us to discover a Roman city rich in vestiges. The history of Vienne goes back more than 2,000 years. The city is indivisible from the Rhône River and the surrounding hills. The Allobrogi people are thought to have made it their capital, but it was in the Roman era that the city began to prosper on both banks. You will see the Antique Theatre; built roughly between 40 and 50 AD, it is considered one of the largest in the Roman Empire, with its 130m-diameter and 13,000-spectator capacity. Restored in 1938, it was returned to its original function and is now a venue for artistic events. The tour will continue with the Temple of Augustus and Livia (exteriors only). This temple dedicated to Rome and Augustus stood in a sacred area on the forum and has carried this name since the end of the 18th century. Its construction began about 20-10 BC; it was later transformed at the beginning of the Middle Ages into a church, and was finally restored in the second half of the 19th century thanks to the intervention of Prosper Mérimée. Finally, to complete the tour, you will see the Cathedral of St Maurice (exteriors only), which has been listed as a historic monument since 1840.

VIVIERS

LENGTH: 2 hours

We'll leave on foot for our guided tour of Viviers. The third largest protected sector in the Rhône Alpes region and residence of bishops since the 5th century, Viviers, a small town with a population of 3,500 is like an open-air museum where every stone contains a page of history. You will be able to admire France's smallest Cathedral in this sumptuous medieval town. Among other things you will see the House of Knights with its superb Renaissance façade, the Tower of St Michael, the great seminary and the Belvedere with an unobstructed view of Viviers at night.

DISCOVERY EXCURSIONS

During this tour, your guide will also talk about renowned local chefs for a complete understanding of the "Gastronomic Capital of the World".

SAINT-GUILHEM-LE-DÉSERT AND THE DEVIL'S BRIDGE

LENGTH: 4.5 hours

We'll depart from Sète by coach with our guide towards the Pont du Diable (Devil's Bridge), located at the heart of the Hérault Gorges. We'll then discover Saint-Guilhem-le-Désert, listed as one of the most beautiful villages in France. You'll be delighted by this picturesque town and its abbey (exteriors only).

THE CAMARGUE

LENGTH: 4 hours

We'll set off on a panoramic guided tour of the Camargue for an occasion to admire its rivers, marshland and lakes, pink flamingos, bulls and the famous white Camargue horses. A stop is planned in Les Saintes-Maries-de-la-Mer, renowned as a pilgrimage center for gypsies from all over Europe.

Oise Valley

AUVERS-SUR-OISE AND THE MUSÉE DE L'ABSINTHE

LENGTH: 3 hours

Stretching almost four miles (seven kilometers) of the Oise River bank, Auvers-sur-Oise was Vincent Van Gogh's last home and final resting place. We'll stroll through the picturesque village streets and along the Artists' Pathway, where works by famous Impressionists compare the current landscapes and architecture. Our next stop will be the Musée de l'Absinthe and its reproduction of the ambience found in cafés during the Belle Époque, when the "green fairy" was the preferred drink of poets and artists. The museum collection gives us great insight into 19th century culture in France. We'll finish up our tour with a demonstration of the absinthe ritual and a tasting, of course.

CHÂTEAU DE CHANTILLY

LENGTH: 3 hours

We'll set off for Chantilly, home to one of the most beautiful castles in France. The château is the work of an exceptional figure, Henri d'Orléans, Duke of Aumale, son of the last French king, Louis-Philippe. The duke is considered to have owned one of the finest art collections of his time, making Chantilly a showcase for his many masterpieces and priceless manuscripts. The castle has remained at a virtual standstill since the Duke of Aumale bequeathed it to the Institut de France, so take advantage of this moment to jump back in time and relish this princely domain.

CHÂTEAU DE MALMAISON

LENGTH: 3 hours

Built in the 17th century, Joséphine de Beauharnais acquired this castle in 1779. In 1800, it became the headquarters of the government and a conference room. The library restores the industrious atmosphere by which Bonaparte enjoyed to be surrounded. The council room is shaped like a military tent where receptions, dances and countryside games took place. The musical lounge offers Joséphine's "troubadour" paintings and her wellknown harp for visitors to admire. The Napoleonic museum was inaugurated in 1906; it is furnished, decorated and adorned with the paintings that Joséphine bought and loved.

COMPIEGNE AND THE ARMISTICE MEMORIAL

LENGTH: 3 hours

On the picturesque streets of this significant city, you'll see the lovely 16th century town hall with its intricately sculptured late-Gothic facade containing several historical figures, such as Louis XII on his horse. The town hall tower holds one of the oldest municipal bells in France dating back to 1303. We'll enjoy a tasting of regional delicacies before we continue on to the Armistice Memorial. Part of the museum's collection includes the emblematic train car used in the signing of the 1918 Armistice, later vindictively recommissioned by Hitler for the 1940 surrender of France during World War II; a Marne Taxi requisitioned by the French government to

transport troops during its namesake battle; and 800 stereoscopic images from the time of World War I. The memorial is dedicated to all soldiers who have fought since 1870.

NOYON AND ITS CATHEDRAL

LENGTH: 3 hours

Discover Noyon and its 2,000 years of history during this exclusive tour. A festival of lights and colors awaits you within the Notre-Dame Cathedral, the first example of Gothic architecture in northern France during the second half of the 12th century.

PONTOISE AND THE PISSARRO MUSEUM

LENGTH: 3 hours

Learn about Pontoise's monuments and celebrities as you stroll along its picturesque streets at your own pace. The city's superb cathedral dates as far back as the 12th century and includes a Flamboyant-style tower and central portal, as well as Renaissance additions added a few centuries later. Afterwards, we'll visit the Pissarro Museum, containing works not only by the museum's namesake, but also by his sons and contemporaries such as Paul Signac, Ludovic Piette, Federico Zandomeneghi, Edouard Béliard, and Louis Hayet. The collection is rounded out by canvases from pre- and post-Impressionists who worked in the Oise Valley. We'll finish up our excursion with a taste of goat cheese and honey at the Tourist Information Office.

CLASSIC EXCURSIONS

CADIZ AND ITS CATHEDRAL

LENGTH: 3 hours

We'll leave by coach for our panoramic tour of Cadiz. We'll be able to bathe in the cultural and historic riches of the city, as well as its long stretches of unspoiled beaches. The old center brings together the most characteristic areas of the city, including beautiful baroque churches and elegant mansions, many of which are adorned with painted façades of delicate pastel colors and ornate wrought iron balconies. We'll visit the cathedral, a magnificent Baroque and Neoclassic building whose construction lasted for over 115 years.

CADIZ

LENGTH: 2 hours

Departure on foot to visit Cadiz, one of the oldest cities in Europe. The old center brings together the most characteristic areas of the city, including beautiful baroque churches and elegant mansions, many of which are adorned with painted façades of delicate pastel colors and ornate wrought iron balconies. Our tour continues towards the Plaza de España, formerly known as Plaza del Carbón, which was extended to mark the 100th anniversary of the constitution. Your tour ends via the Plaza de las Flores. You will be enchanted by this blue and white city. Return on board in Cadiz.

CÓRDOBA (FULL DAY)

LENGTH: 10 hours

We'll leave by coach from Seville for our tour of Córdoba. Córdoba's golden era started in the 8th century when it was conquered by the Moors who built about 300 mosques and countless palaces and public buildings. In the 13th century under the reign of Fernando III the Saint, the Great Mosque of Córdoba was transformed into a cathedral and new defensive structures were built, including the Alcazar de los Reyes Cristianos and the Calahorra Tower. After lunch in a restaurant, enjoy some free time in the city.

FLAMENCO EVENING

LENGTH: 2.5 hours

After dinner, departure on foot for a Flamenco evening. Flamenco (cante flamenco) is an art created by the Gypsy and Andalusian peoples based on popular folklore born from the various cultures which flourished throughout the centuries in Spain. Originally, Flamenco was simply a capella vocals (cante). Its first genre, la toná, was forged in the geographical triangle formed by Triana, Jerez and Cadiz. Only later did the hand-clapping (palmas), the dancing (el baile) and the guitar (toque) appear. Dancing and guitar can now often be found alone, although vocals are still considered at the heart of the tradition. More recently, instruments such as the cajón (a percussion instrument from Peru), the palillos (castanets), and the bass guitar were added. Immerse yourself in the most famous Spanish tradition, this mixture of vocals, guitar and dance in which Arab, Oriental and Gypsy influences mingle. Return to the boat.

GRANADA (FULL DAY)

LENGTH: 14.5 hours

We'll leave by coach for Granada. Located at the foot of the Sierra Nevada and at the confluence of three rivers, Granada was the capital of the last Islamic king-

dom in the Iberian Peninsula. We'll start off at the Alhambra, literally "the red", reflecting the color of the walls at sunset. It is one of the major monuments of Islamic architecture and the most majestic mediaeval fortress in the Mediterranean. Along with the Great Mosque of Córdoba, it is the most impressive evidence of the Islamic presence in Spain from the 8th to the 15th centuries. The tour continues with a visit to the Generalife, and its marvelous 14th century gardens, where water was harnessed to refresh every courtyard and garden. We'll enjoy lunch at a restaurant downtown. In the afternoon, you'll be able to enjoy the delights of Granada at your own pace.

JEREZ AND AN EQUESTRIAN SHOW

LENGTH: 5 hours

We will depart from Cadiz for our excursion in Jerez. A panoramic tour by coach will enable you to see the cathedral which was built in 1695 over the ruins of the old Jerez mosque and the former Salvador Church. We'll then visit a stud farm that raises magnificent Andalusian horses, and we'll enjoy a presentation of the equestrian arts the country is famous for.

JEREZ, EQUESTRIAN SHOW AND BODEGA

LENGTH: 6 hours

We will depart from Cadiz for our excursion in Jerez. A panoramic tour by coach will enable you to see the cathedral which was built in 1695 over the ruins of the old Jerez mosque and the former Salvador Church. We'll then visit a stud farm that raises magnificent Andalusian horses, and we'll enjoy a presentation of the equestrian arts the country is famous for. At the end of the tour, we'll enjoy a wine tasting of some regional products in a bodega.

LA RABIDA FRIARY AND WHARF OF THE CARAVELS

LENGTH: 5 hours

Set off by coach for a guided visit of the Rábida Friary. Christopher Columbus was welcomed here by Brother Juan Perez who gave him hospitality. This Franciscan Friary was one of only two or three in the world where navigation based on the stars (Celestial Navigation) was studied. Christopher Columbus stopped here before he set off for America. Then you will visit the Wharf of the Caravels where you will be able to see the replicas of Christopher Columbus's ships, the Pinta, the Niña and the Santa Maria, with which he discovered America in 1492. Return on board.

OSBORNE BODEGA

LENGTH: 2 hours

We'll leave on foot with our hostess for the Osborne Bodega. One of the oldest wineries in the region, Osborne began producing its Sherry Solera in 1772. The iconic Osborne bull silhouette has become part of the landscape in the area. We'll enjoy a tasting of three different wines* along with some regional products.

In case of impossibility, visit of a similar bodega.

SEVILLE

LENGTH: 2.5 hours

Departure on foot for our guided tour of Seville. We'll start off our visit with the azulejos that adorn the Plaza de España. A fountain designed by Vicente Traver, a Valencian architect, stands in the center. We'll move on with a stroll through the typically Sevillian patios garnished with flowers in the charming Santa Cruz district. The visit will end with Seville's cathedral, providing one of the last testimonies to Gothic style. This structure was built over the ruins of an Almohad mosque as a symbol of the capital's prosperous status of great commercial town after the Reconquista.

SEVILLE AND THE ALCÁZAR PALACE

LENGTH: 4.5 hours

We'll leave by coach for our guided tour of Seville, beginning with the Plaza de España - a majestic crescent-shaped complex arranged around a central square. Built for the 1929 Ibero-American Exposition to showcase Spain's industrial and technological exhibits, the building's tiled alcoves each represent a different province of Spain. The complex faces the Guadalquivir, signifying the prosperous trading route towards the Atlantic Ocean and the Americas. We'll continue on to Santa Cruz, the most picturesque and delightful part of the city with narrow, winding cobbled streets and white-washed houses. This former Jewish quarter remains part of the historical center of the city and contains many renowned monuments. Afterwards, we'll discover the Alcazar Palace, one of the oldest Royal Palaces in Europe and the current royal residence. Our tour ends with Seville's cathedral, providing one of the last testimonies to Gothic style. This structure was built over the ruins of an Almohad mosque as a symbol of the capital's prosperous status of great commercial town after the Reconquista.

SEVILLE, THE PALACIO DE LAS DUENAS

LENGTH: 3.5 hours

The most famous palace in Seville was built in the late 15th century and is a good example of the eclectic mix found between Spanish Gothic and Moorish styles. Many historic figures have passed through the palace doors over the years, including Spanish poet Antonio Machado, who was born here. The palace is a work of art unto itself. During our tour, you'll see its rich collection of furniture, ceramics, antiques, and paintings. You'll also discover its interior courtyards and magnificent gardens with thousands of plants, including orange, lemon, and palm trees.

THE PUEBLOS BLANCOS: VEJER DE LA FRONTERA

LENGTH: 3.5 hours

Vejer de la Frontera is one of the most captivating "white villages" in Andalusia. It was declared a Spanish historic site (Conjunto histórico) in 1976 and has received several prizes for its tourism distinctions. Every corner seems to be filled with colorful sights and fascinating spots to explore. Your guide will take you to the historic center where you'll be able to see the remains of the 15th century ramparts that protected the city from invasions. You'll also visit the Plaza de España-dominated by a beautiful tile fountain and the Divino Salvador church, which was built over a

mosque. Our next stop will be the fishing village of Conil de la Frontera. This coastal town is an apex of beauty among the Pueblos Blancos, and the white houses with beautifully decorated patios and walls make the city a must-see for any traveler. At the end of our tour, we'll enjoy a snack of delicious churros dipped in chocolate.

**VISIT OF AN
ANDALUSIAN HACIENDA**
LENGTH: 1.5 hours

At the end of the afternoon, we'll visit a typical Andalusian hacienda. We'll discover its beautiful architecture with its impressive Andalusian patio and watch a horse show in its private arena.

DISCOVERY EXCURSIONS

SEVILLE TAPAS TOUR
LENGTH: 2 hours

You'll leave directly from the ship with a local guide for a tapas food tour in several eateries in the center of Seville. Discover the wide range of Spanish delights and flavors served as appetizers or snacks. The most well known include patatas bravas, salads, and cold cuts (chorizo, lomo, Jamón ibérico)—all sublime when served with a glass of Spanish wine.

**WALK THE WATERFRONT
IN CADIZ**
LENGTH: 2.5 - 3 hours

Walk along the oceanfront to the Castle of San Sebastián. According to legend, the Temple of Kronos (a Titan of the Greek gods) was first built here. A chapel was built in the 1400s by Venetian boat crews and the irregular, fortified castle found on the site now was built in 1706. It defended the northern section of the city from attack. Because of its unique shape and

décor, it has served as backdrop for many films. We'll return via the city's historic center and authentic neighbourhoods, admiring the elegant homes painted in glorious pastel colors and decked out with ironwork balconies. Enjoy tastings of local products along your walk.

Following the Battle of Mohács in 1687, the town was liberated by the Habsburg Monarchy. The Austrians built a citadel over the demolished Turkish town. In the afternoon, we'll move on

to Arbanassi, located 4 km away from Veliko Tarnovo. It is one of the most visited villages in Bulgaria, furthermore it is listed as an "Architectural and Historical Reserve". We'll visit the Nativity Church, the oldest in Arbanassi. The naos, which is today strictly reserved for men, was originally an independent church built in 1597. We'll continue with a visit of the Konstantzaliev's house, an eye-catching structure with a monumental architecture that was built in the 17th century.

VIENNA

LENGTH: 3.5 hours

You will begin the tour by taking the famous Ring, one of the personal projects of Emperor Franz Joseph. In 1857, he decided to take down the ramparts that enclosed the city center and had this boulevard built lined with fine buildings. Along the Ring you will admire this architectural showcase of the old Austro-Hungarian monarchy, including the State Opera, the Hofburg Palace, the Natural History Museum, the City Hall, the Burgtheater and more.

VIENNA AND SCHÖNBRUNN PALACE

LENGTH: 4 hours

We'll first take the famous Ring Road, one of the personal projects of Emperor Franz Joseph. In 1857, he ordered the demolition of the city walls and moats and laid out the exact size of the boulevard. Along the Ring Road, we'll admire the architectural showcase of the old Austro-Hungarian monarchy, including the State Opera, the Hofburg Palace, the Natural History Museum, the City Hall, the Burgtheater and more. When we arrive at Schönbrunn Palace, we'll be guided through the numerous rooms of the Habsburgs' summer residence which bear witness to the splendour of the Court at the time of Maria Theresa. Take advantage of some free time to wander through the Palace gardens. Our coach will then take us downtown for an occasion to discover Vienna on your own.

VIENNA BY NIGHT

LENGTH: 2 hours

We'll set out on a panoramic coach tour through Vienna by night. This 2,000-year-old city is a true open-air museum. Vienna embodies Romanticism through its powerful architecture and numerous monuments. We'll take the famous Ring Road which encircles historic Vienna on the right bank of the Danube. We'll make a stop at Schwarzenbergplatz where there is a monument in honour of Johann Strauss. Then, we'll take a walk around the Albertina district, allowing us to admire the Hofburg, the Habsburgs' winter residence, as well as the Augustinian Church where Franz Joseph and Sisi's wedding took place.

VIENNESE MUSIC CONCERT

LENGTH: 2.5 hours

A coach will pick us up from the boat to take us to Kursalon Hübner where the concert will take place. The first half of the concert will be devoted to Mozart compositions, and the second half to Strauss. During the intermission, a free drink will be served.

WÜRZBURG

LENGTH: 3.5 hours

We'll leave by coach with our hostess for Würzburg. Our tour will start with a visit to the Würzburg Residence (or Residenz), former palace of the Prince-Bishops of Würzburg. You'll discover 40 rooms richly decorated with furniture, paintings and tapestries by 18th century master artists and climb up the monumental Main Staircase. Among others, you will visit the Baroque Imperial Hall whose frescoes are the works of Italian painter Giovanni Battista Tiepolo, and the Imperial Apartments richly decorated in Rococo style. Our tour will continue downtown where you will have some free time before returning on board by coach.

DISCOVERY EXCURSIONS

BELGRADE BY BIKE

LENGTH: 3 hours

What better way to explore Belgrade than on a bike? You'll cycle along the history-filled streets with your guide who will explain the city's recent past from World War II to current times. A break with a drink will be provided during the tour.

Attention: children are under the responsibility of their parents and must be autonomous by bike.

BUDAPEST MARKET HALLS

LENGTH: 2.5 hours

We'll leave on foot for the Budapest Market Halls. The Great Market Hall is the largest and most spectacular of the five market halls built in the 19th century. You can indulge in all types of goods at the more than 180 stands spread out over three stories. One of the market's distinctive features is the colorful Zsolnay tiling on the roof. Some residents will spend hours on public transportation to shop at the Kőzponti Vásárcsarnok. You'll find a wide variety of food, including fruits, vegetables, local cold cuts, and garlands of paprika on the ground floor. The second floor houses restaurants where locals and tourists mingle. The recently renovated basement contains exhibits of high-quality Hungarian products for purchase at the market. There's no better time than this to have a taste of the local specialties: Sausage, cheese, peppers, and a refreshing glass of wine, beer, or soda.

GELLERT BATHS AND SPA

LENGTH: 3 hours

We'll set out with our guide to visit the famous Gellert Baths and Spa. Now part of the famous Hotel Gellert in Buda, references to the spa's healing waters have been found from as early as the 13th century. The current spa was founded in 1918, and a visit to the Art Nouveau thermal baths is a beautiful and historical experience. The special attractions are its indoor and outdoor swimming pools, wave bath, sunbathing terrace and thermal spa. After our tour, take some time to relax and enjoy the saunas, the terrace looking at Gellert Hill, or the geothermal pools with some beer, wine, or champagne* in hand. This is an exceptional tour in one of the most historical

places in the city, but don't take our word for it, come and see for yourself. Don't forget to bring your swimsuit!

HIKING IN BRATISLAVA: THE LITTLE CARPATHIANS

LENGTH: 3 hours

We'll leave by coach from Devínska Nová Ves for a walk in the Little Carpathians Protected Landscape Area, including the geographically rich Sandberg expanse. From Devin Castle, we'll take in the splendid view of Bratislava.

HORSE-DRAWN CARRIAGE RIDE THROUGH VIENNA

LENGTH: 1.5 hours

You'll be transferred to the center of the city to enjoy a horse-drawn carriage ride through the old town and the famous Ring Road. A trip with a Fiaker is a great (and romantic) way of seeing the city in comfort because of the narrow streets and cobblestones.

In case of high temperatures and for the well-being of the horses, the excursion can be cancelled without notice.

NOVI SAD AND A WALK TO THE PETROVARADIN FORTRESS

LENGTH: 3 hours

We'll leave the ship for an energetic walk to the Petrovaradin Fortress. We'll stroll along the riverfront before climbing the 200 steps up to the fortress. An exceptional work of 18th century fortification engineering, it is one of the largest, most-complex and best-preserved artillery bastions in this part of Europe. It also contains a vast system of underground military galleries, with mine and listening tunnels, distributed across four levels running almost 10 miles long. The view from the fort is splendid, and we'll enjoy a snack during our walk.

OSIJEK BY BIKE

LENGTH: 2 hours

Discover the fourth largest city in Croatia from the seat of a bike! The old part of the

town, Tvrđja, was built at the beginning of the 18th century and is a dream to cycle through. It is the best-preserved, largest ensemble of Baroque buildings in Croatia and consists of a Habsburg star fort built on the right bank of the Drava River. We'll return through several of the city's parks and a main avenue boarded by beautiful Art Nouveau buildings. Our tour will finish up in front of the cathedral before returning to the ship.

Attention: children are under the responsibility of their parents and must be autonomous by bike.

THE DELTA DANUBE ON A SPEED BOAT

LENGTH: 4 hours

On board a 7-passenger speed boat, we'll tour the Danube Delta and enjoy the flora and fauna, see the multiple natural and artificial canals, and walk away with impressions that will last a lifetime.

Subject to favorable weather conditions. Please wear weather-adapted clothing. Limited availability.

THE HIGH ART OF VIENNESE LIVING: MUSIC AND VIENNESE CAFES

LENGTH: 4 hours

Our guide will meet us at the ship, where we'll set off on foot for the subway station to discover the high art of Viennese living. We'll stroll through the city and visit back stage in the Konzerthaus concert hall, which has the Vienna Symphony, Vienna Chamber Orchestra, Wiener Singakademie and Klangforum Wien in residence. We'll tour the prominent institution that features about 750 events per year with our guide who will explain the hall's history. We'll head back stage where we might be able to catch a glimpse of a performer or two! After our tour, relax in one of the local cafés and enjoy a steaming cup of Vienna Coffee and a delicious pastry. After our tour, we'll return to the ship on the subway.

In case the Konzerthaus is booked for shows or closed, we'll visit the Musikverein or the Opera instead.

Our excursions

Core program

Included

JOHANNESBURG

We'll have lunch before visiting the Apartheid Museum which opened in 2001. It is famous the world over for being the first museum centering on South African history in the 20th century, and more particularly on Apartheid. Afterwards, we'll set off for a panoramic tour of the city. In addition to being South Africa's financial capital, Johannesburg is also the city of superlatives. It is indeed the richest town in Africa, with the tallest buildings and widest social discrepancies, but is also infused with one of the best atmospheres you'll ever come across.

SAFARIS

We'll explore the local fauna and flora in small groups on board small motor boats or Jeeps. Elephants, giraffes, Cape buffalos and impalas are only but a few of the wild animals you may get to see in your surroundings. Each season brings its own particularities and allows for unique and up-close experiences with wildlife.

IMPALILA ISLAND

One morning will be dedicated to discovering the culture and traditions of the area. We'll visit rebuilt traditional villages, an opportunity to learn more about the Namibian houses, the everyday life and living together of the indigenous population and more.

VICTORIA FALLS

We'll leave for a tour on foot of the falls in Zimbabwe, where the views are among

the most exceptional in the world. We'll also see where the Zambezi River plunges over the cliff to become the widest waterfall in the world, creating the "smoke that thunders".

Optional

HELICOPTER RIDE OVER VICTORIA FALLS (12 min)

Soar over Victoria Falls in a helicopter for spectacular views over this true wonder of nature, known as the "Smoke That Thunders" (in "high water" season). You'll also get to see from above where the Zambezi River plunges over the cliff to become the widest waterfall in the world, as well as the city of Victoria Falls and the surrounding nature.

Extended stay

CAPE TOWN

We'll leave on a panoramic tour of the city. Cape Town is a meticulously preserved city with modern towers in the center, cobblestone roads and a bounty of historical monuments. We'll then take the Table Mountain Cableway to soak up the 360-degree views of Table Bay and the nearby peaks of the surrounding mountains (if the weather allows it).

ROBBEN ISLAND AND GROOT CONSTANTIA WINE ESTATE

Robben Island is a place that needs no introduction with regards to its significance in South Africa's and indeed the world's history. We'll have a guided tour of the island and its cells. We'll return to Cape Town for lunch on the waterfront. Afterwards, we'll visit the Groot Constantia estate, considered the oldest vineyard in South Africa. For the past 300 years, agricultural activities at Groot Constantia have focused on wine making, and the Constantia wines have become renowned throughout Europe. We'll visit the cellar followed by a tasting*.

THE CAPE OF GOOD HOPE

We'll set out for the legendary Cape of Good Hope. We'll ride along Chapman's Peak Drive, located on the Atlantic coast of the southwestern tip of South Africa. The narrow stretch of land, dotted with

beautiful valleys, bays and beaches, contains a mix of extraordinarily diverse and unique fauna and flora. We'll take the famous Flying Dutchman funicular to the summit to see the old lighthouse and relish the panoramic views. We'll have lunch before discovering the penguin colony near Simon's Town. Once called Jackass Penguins, they are famous for their hilarious braying call.

* Alcohol can be dangerous to your health. Please drink in moderation.

Practical information

FORMALITIES

Passengers should contact their Embassy or Consulate to ensure any essential paperwork is obtained before travelling.

HEALTH FORMALITIES

This safari-cruise is not recommended for persons with reduced mobility. The stony paths, entering and exiting land and water safari vehicles and the absence of an elevator on board the ship require good physical health.

However, it is strongly recommended you ensure your vaccines for the following diseases are up-to-date: tetanus, polio, hepatitis A and B, diphtheria and typhoid. We also recommend consulting with your general practitioner regarding an antimalarial treatment and a yellow fever vaccine. Vaccines for rubella, mumps, measles are recommended for minors. As a general rule, we strongly recommend consulting with your general practitioner about any health concerns before your departure.

It is not recommended that you drink tap water, and prefer to drink bottled mineral water only (watch the seal being broken before accepting the bottle) and tea. It is important that you bring with you any of your usual medication (aspirin, anti-diarrhea tablets, etc.).

CURRENCY

Onboard the ships and at the lodges, payments can be made with a major bank card. It is not possible to exchange money on board or at the lodges. US dollars will be accepted in South Africa, Botswana, Namibia and Zimbabwe.

BAGGAGE REGULATIONS TO FOLLOW

On this trip we plan to use private planes to get you between Kasane (lodge) and Kariba (ship).

Our excursions

Core program

SIEM REAP

• The Jewels of Angkor

We'll leave for an early visit of Ta Prohm, an 1186 Cambodian temple dedicated to the family of Jayavarman VII. We'll then explore Angkor Thom, a vast architectural complex which can be accessed through five gates. At its center is the monumental

temple of Bayon—famous for its towers and 172 faces of Avalokitesvara. Stroll through the grounds of the former Royal Palace. Discover the Terrace of the Elephants and the Terrace of the Leper King. After lunch in town, we'll visit the Senteurs d'Angkor: a diverse collection of silk and carvings, as well as a superb range of traditional beauty products and spices, all made locally. We'll also visit the silk weaving workshops and discover the traditional weaving techniques that are still being used today.

• Angkor Wat temple complex

The epitome of Khmer architectural art, Angkor Wat is the largest religious monument in the world and an architectural masterpiece.

KAMPONG CHHNANG

Kampong Chhnang is one of the largest fishing ports. The region is best known for its particularly archaic pottery that can be found throughout the country. We'll taste some of the local products.

KAMPONG TRALACH, KOH CHEN AND TUK-TUK TOUR IN PHNOM PENH

We will set out to visit the beautiful Vihara at the Wat Kampong Tralach Leu pagoda. The Vihara was built at the beginning of the last century and still has its splendid murals. Totally hidden among the rice fields, it's a little-visited, modest pagoda whose complete isolation makes the site even more fascinating. After our excursion, we'll return on board and cast off as you sit down to lunch. Once we arrive in Koh Chen, you can explore this small village where craftspeople specialize in silver and copper work and where ornaments used in traditional ceremonies at the pagoda or for marriages are fashioned. After returning on board, we'll spend the afternoon cruising towards Phnom Penh, arriving in the early evening. Enjoy a brief tour of the area by "tuk-tuk", the easiest way to get around the city.

PHNOM PENH

Founded in 1434, Phnom Penh still retains a good deal of its charm from the French colonial period. We'll enjoy a tour of the fabulous Royal Palace. We will then visit the Silver Pagoda, which is inlaid with more than 5,000 silver tiles and contains hidden treasures. Onward to visit the National Museum, which houses the Museum of Fine Arts, built in 1917 by the French but using the traditional Khmer style. After lunch in town, you can pay a visit to the Tuol Svay Prey School, a former detention, torture, and execution center run by the Khmer Rouge during the civil war. Afterwards, enjoy some free time at the market.

CHAU DOC

Located on the border between Cambodia and Vietnam, Chau Doc became part of Vietnam 300 years ago. The town sits among a giant patchwork of rice fields along the Mekong River. The now-prosperous area has developed around fish and fish farming. The

town is a busy, lively place with few tourists and several charming colonial buildings. The market is the nerve center of Chau Doc. We'll pay a visit to the Ba Chua Xu Temple and the Tay An Pagoda.

SA DEC

We'll discover the local market and visit the former house of Huynh Thuy Le, the man who Marguerite Duras based her book *The Lover* on. In colonial times, Sa Dec was known as the "Garden of Cochin-China" because of its famous floral gardens. We'll have lunch on board and cruise to Vinh Long, located in the middle of the delta. Hundreds of small boats abound between houses built on stilts. We'll set out in smaller boats and travel through canals and orchards before arriving in Cai Be. We'll discover a brick and pottery factory as well as a traditional factory producing puffed rice, rice-paper wrappers and rice alcohol.

MY THO

We visit the islands close to My Tho. They are famous for their vast orchards and fruit gardens. The surrounding countryside makes up one the most luxurious cultivated areas in Vietnam. On one of the largest islands, Thoi Son, we'll visit a bee farm and enjoy some honey tea and exotic fruit. We'll then take a ride in small sampans along the canal lined with mangrove palms and have a glimpse of villagers going about their daily life.

HÔ-CHI-MINH CITY (SAIGON)

• Full day

Hô-Chi-Minh City was heavily influenced by French colonialism in the 19th century. It is now the largest port in Vietnam. We'll enjoy a tour of the city to see the Reunification Palace, Notre Dame Cathedral, and the Saigon Central Post Office, and visit the Museum of Vietnamese History. Lunch will

be served on board. In the afternoon, we'll leave by coach for the Cu Chi tunnels, an immense network of underground tunnels that were the location of several military campaigns during the Vietnam War.

• Morning

We'll spend the morning visiting Cholon, the Chinese-influenced section of the city, including its hectic market and the Thien Hau temple.

Extended stay

HANOI

We'll spend the day on a guided tour of the capital, visiting the outside of the historic Ho Chi Minh Mausoleum on Ba Dinh Square. Ho Chi Minh's humble stilt house behind the mausoleum, and the unique One Pillar Pagoda Buddhist temple. We'll visit the Temple of Literature, built in 1070 and dedicated to Confucius. The temple also hosts the Imperial Academy, Vietnam's first national university. After lunch in town, we'll discover the old quarter of the city, also known as the "36 Streets", by pedi-cab or electric mini-bus (depending on availability). We'll have a tour of the local "Embassy Row" with its French colonial-style architecture. In the evening, we'll watch a traditional water puppetry show and have dinner in the city.

HALONG BAY CRUISE

We'll leave Hanoi early in the morning for Halong Bay (approx. 3.5 hours travel time). We'll be welcomed aboard a 4-anchor boat and begin our cruise to discover the thousands of various limestone islands dotting the emerald-colored bay. We'll enjoy dinner on board. The next day, after a Tai Chi class on deck, we'll continue our cruise through the bay, discovering more of its extraordinary scenery and visiting one of the largest caves.

FORMALITIES

Passengers should contact their Embassy or Consulate to ensure any essential paperwork is obtained before travelling.

HEALTH FORMALITIES

These cruises and tours are not recommended for persons with reduced mobility. They require good physical health. Please note there are no lifts on the ship.

There are no compulsory vaccinations for this destination. However, it is strongly recommended that you ensure that your inoculations for the following diseases are up-to-date: Tetanus, Polio, Hepatitis A and B, Diphtheria and Typhoid fever. We recommend seeing your doctor for an antimalarial treatment. We also highly recommend "tropical strength" mosquito repellent.

CURRENCY

In Cambodia, US dollars in good condition are accepted almost everywhere. Be careful though, because dirty or ripped bills are often refused. Carry small denominations with you (\$1, \$5, \$10 and/or \$20 bills). In Vietnam, if you wish to buy souvenirs, we recommend that you change about £20 or \$20 into dong (NB: they will not be accepted in Cambodia). Credit and debit cards are not widely accepted. Visa cards are usually accepted in the larger hotels and stores. Traveler's Checks are hard to cash. The currency accepted on board is the US dollar. All of your purchases will be totaled

and paid for at the end of your cruise. You can pay in cash or with an international credit/debit card (Visa and MasterCard). You can't exchange money on board the ship.

For the current exchange rates for the Vietnamese dong and the Cambodian riel, please consult websites such as www.xe.com or www.oanda.com/currency/converter/.

CLIMATE

The dry season lasts from November to April, but the air remains humid (temperature: 77° to 95°F). The "green season", from May to October, can present very strong but brief storms that generally take place at the end of the afternoon.

During your extended stay in Northern Vietnam, from December to late March, the weather can go from chilly to cold, especially in Hanoi and Halong Bay. We recommend bringing a sweater, a fleece jacket and a windbreaker.

TIME DIFFERENCE

You can consult www.worldtimezone.com to see the time difference between your home and your destination.

NATIONAL HOLIDAYS

- "Pchum Ben" from October 13th to 16th
- "Water and Moon Festival": 3 days before the November full moon

During these days, some sites can be closed without warning.

ADDITIONAL INFORMATION

- The banks of the river we will cruise on can be steep and slippery depending on the water level.
- The itinerary, stopovers, and excursions can be modified by the cruise company and our on-site representatives if needed.
- The captain of the ship is the sole authority who can modify the ship itinerary for safety or navigational reasons.
- Depending on the height of the water and the tides, the embarkation and disembarkation of passengers on board RV Indochine II may take place from the mini terraces of cabins 221 and 224 (located aft of the upper deck).

IN HALONG BAY

- Over 200 boats cruise the Halong Bay on any given day. Certain sites, such as Sung Sot Cave, have heavy, daily tourist traffic.
- The cruise in Halong Bay can be canceled in case of rough sea.

Our excursions

Core program

Included

LUXOR: KARNAK TEMPLE

We'll visit the Karnak Temple Complex, once one of the largest and most important religious complexes in ancient Egypt. The immense size of Karnak, as well as its various details, makes it an invaluable historical site and resource for understanding the evolution of ancient Egypt.

EDFU: TEMPLE OF HORUS

Built between 237 and 57 BC, this temple is one of the best-preserved ancient monuments in Egypt. It was excavated in the mid-19th century after being buried under sand and rubble for hundreds of years.

KOM OMBO TEMPLE

We'll visit the Temple of Kom Ombo, dedicated to the gods Sobek (the crocodile god) and Haroeris ("Horus the Elder"). By the late 1800s, much of the temple had been either

destroyed by earthquakes, the waters of the Nile, or builders who took the stone for other projects. It was cleaned and restored by Jacques de Morgan in 1893. The temple is unique because its dual design shows that there were courts, halls, sanctuaries, and rooms duplicated for two sets of gods.

ASWAN: DAM & PHILAE TEMPLE COMPLEX

Discover the Aswan Dam, one of the largest dams in the world which tames the Nile River and provides electricity to the country. We'll then visit the Philae Temple Complex: after the dam was finished in 1902, the temple complex was partially submerged, so in 1960, UNESCO started a project to save the buildings. In the long run, every building was dismantled into units and then transported to this nearby island for reconstruction. The most ancient temple is dedicated to Isis and dates back to 380 BC. In the afternoon, we'll board small local boats and enjoy a ride on the Nile, between the granite islands and the natural reserve, passing close to Elephantine Island.

LUXOR: MORTUARY TEMPLE OF HATSHEPSUT & TOMB KV11

First, we'll visit the Mortuary Temple of Hatshepsut, the only woman who reigned over Egypt. We'll then visit the Tomb KV11 - one of the most intact tombs in the Valley of the Kings—built for Pharaoh Ramses III. The quality of the colors and the scenes represented on the temple walls make it one of the top tourist destinations in the valley.

LUXOR: VALLEY OF THE KINGS & LUXOR TEMPLE

Join us for a visit to the Valley of the Kings and four of its tombs, including the longest and deepest of royal tombs built for Seti I. It was also the first tomb to feature decorations on every passageway and chambers with highly refined bas-reliefs and colorful paintings. We'll also stop for a photo op at the Colossi of Memnon. In the afternoon, we'll tour the Luxor Temple, a strikingly graceful monument in the heart of the modern town. Its main function was during the annual Opet celebrations, when the statues of Amun, Mut, and Khonsu were reunited during the inundation of the river.

Optional

ABU SIMBEL TEMPLES

We'll leave for the Abu Simbel archaeological site in the morning. Discovering these amazing rock temples is one of the highlights of a trip to Egypt. Located about 140 miles (230 km) and three hours driving time) southwest of Aswan, the complex is in the heart of the desert, at the border with Sudan, and is the most impressive imprint left by Ramesses II. Through an extraordinary effort, the complex was re-located in its entirety in 1968 in order to escape the waters during the creation of the dam and Lake Nasser. The twin temples were carved out of the original mountainside and serve as a lasting monument to the pharaoh and his queen, Nefertari.

The Egyptian authorities may decide unexpectedly to change the opening hours of the road to Abu Simbel. Departure takes place very early in the morning.

FORMALITIES

Please consult the competent authorities (consulate/embassy) before your trip. Mandatory Egyptian visa delivered on entry (current price \$25, to be paid upon arrival).

HEALTH FORMALITIES

This cruise and tour are not recommended for PERSONS WITH REDUCED MOBILITY or those who have difficulty walking. There is no elevator on the ship. You must be in good physical condition to participate.

Vaccines are not mandatory for this trip. It is nevertheless advisable to be up to date with the following vaccinations: tetanus, polio, hepatitis A and B, diphtheria and typhoid fever. The use of mosquito repellent is highly recommended.

Extended stay

Included

SAQQARA, PYRAMID OF TETI, GREAT PYRAMID OF GIZA & MUSEUM

We'll visit Saqqara, the former necropolis for the Ancient Egyptian capital which forms the largest group of Egyptian tombs of that era. The oldest tombstone of the necropolis dates back to the reign of Hor-Aha, the second pharaoh of the First Dynasty of Egypt. We'll visit the Pyramid of Teti, the first pharaoh of the Sixth dynasty of Egypt whose sarcophagus still lies in the pyramid. In the afternoon, we'll discover the Great Pyramid of Giza, the oldest of the Seven Wonders of the Ancient World, and the only one to have remained largely intact. Next to this magnificent monument are the pyramids of Khafre and Menkaure as well as the mysterious Great Sphinx of Giza, a mythical creature with the body of a lion and the head of a human. Afterwards, we'll visit the Egyptian Museum in Cairo, home to an extensive collection of ancient Egyptian antiquities. With over 120,000 artefacts, the museum houses an

unbelievable exhibit of the ancient Egypt's glorious reign such as mummies, sarcophagi, pottery, jewelry and of course King Tutankhamen's treasures discovered in 1922.

CAIRO: CITADEL, MOSQUE OF MUHAMMAD ALI PASHA, HANGING CHURCH & BEN EZRA SYNAGOGUE

Join us for a visit of the Cairo Citadel. It was built between 1176 and 1207 by Saladin to protect the city from the Crusaders and ensure the supremacy of its army. This fortification offers a panoramic view on the city, including the pyramids in Giza, if the sky is clear. Then, we'll visit the Great Mosque of Muhammad Ali Pasha, the viceroy of Egypt regarded as the founder of modern Egypt in 1830. It was built with minarets and gathers all traditional characteristics of Cairo architecture from the Mamluk to the late Ottoman period. We'll then visit the Hanging Church, the oldest church in Egypt, built on top of the ruins of the Babylon Fortress. We'll also visit Saints Sergius and Bacchus Church and Ben Ezra Synagogue, the oldest synagogue in Egypt which mixes Christian, Islamic and Jewish architectures.

CURRENCY

The official currency in Egypt is the Egyptian pound (symbolized as EE).

For the current exchange rates, please consult websites such as www.xe.com or www.oanda.com/currency/converter.

There are ample bank machines available, and they accept credit or debit cards to withdraw cash. We recommend not using credit or debit cards in the bazaars.

CLIMATE

The climates vary from region to region. Cairo and its surroundings are considered semi-arid, while the south is a desert climate.

Spring is brief in Egypt, and summer arrives quickly between March and May. Temperatures can change swiftly between 68° and 95°F (20° and 35° C) over a full day.

From the end of September to the end of November, temperatures vary between 77° and 95° F (25° to 35° C) from the north to the south of the country, with the sun still shining brightly.

THE NILE

For the safety of our passengers, the captain and crew of the boat may decide to modify the navigational itinerary.

EXCURSIONS

- The excursions may be modified or reversed for technical requirements or in case of cultural events... Please note that Egyptian authorities can unexpectedly close certain sites or museums. If this occurs, we will propose an alternative.
- The excursions will take place by either air-conditioned coaches or small local boats.
- The excursions will be narrated by an English-speaking Egyptologist, and you will have earphones for easier listening.
- Certain places we will visit have very high levels of security. We cannot be held liable for any unforeseen closings, but we will commit to doing our best to ensure comparable substitute excursions.
- Frequent traffic jams in Luxor and Cairo caused by intense traffic or religious events can disturb the sequence of certain excursions.
- There is no heating on board.
- In Egypt, it is customary to cover your shoulders, head and knees while visiting religious sites.

Our excursions

Core program

KOLKATA

Enjoy a panoramic tour to discover the architectural richness of the city. Kolkata contains numerous colonial-era sites: Raj Bhavan—the official residence of the regional governor—and Council House Street. In the afternoon, we will visit the Mother House of the Missionaries of Charity, where Mother Theresa lived, prayed, and worked, and where her body was laid to rest in 1997.

KOLKATA & BANDEL

Kolkata is a modern, cosmopolitan city with great cultural influence in the country. We'll visit St John's Church, the third oldest church in the city. After, we'll head to the Victoria Memorial, an impressive white marble building that houses a museum maintained by the Ministry of Culture. In the afternoon, we'll set out on small local boats for Bandel to visit the imposing Hooghly Imambara, a Muslim congregation hall and mosque.

KALNA

You'll discover this out-of-the-way village from the seat of a rickshaw. Kalna is home to two circles of 108, small Hindu temples, each of which is dedicated to Lord Shiva.

MATIARI & PLASSEY BATTLEFIELD

Enjoy a stroll through the charming market town of Matari, where coppersmiths still work the metal using the techniques passed down from generation to generation. We'll pass along the battlefield in Plassey, thought to be one of the most important battles that took place in the 18th century for the control of the Indian sub-continent by the colonial powers.

KHUSHBAGH & MURSHIDABAD

We'll walk to Khushbagh, the Garden of Happiness, packed with history and beauty. We'll then visit Baranagar Village to get a good feeling of rural life in the area and explore a bit of authentic India off the beaten path. In the afternoon, we'll visit Murshidabad and tour Hazar Duari Palace, known as the Palace of 1000 doors, which is now a museum containing fascinating artifacts. The vast, brick Katra Masjid, built in just one year in the 18th century, is regarded as the top tourist attraction in the city for its beauty and history.

CHANDERNAGORE

Chandernagore is a former French colony that has been able to preserve its unique identity over the years. We'll visit the house that once belonged to the governor for the French East India Company in the 18th century. We'll then visit Sacred Heart Church, one of the most beautiful examples of architecture during the French period.

KOLKATA: FLOWER MARKET & PARESHNATH JAIN

Enjoy a stroll through the splendid flower market under the Howrah Bridge, where Indians buy flowers for worship. Our trek will continue to the ghats along the banks of the Ganges. These are the steps leading to the water where people come to participate in a number of rituals. We'll spend some time visiting the Paresnath Jain Temple, one of the most important in the city.

VARANASI: RAMNAGAR FORT & SARNATH MUSEUM

After an early morning cruise and a walk all the way to Alamgir Mosque and Kashi Vishvanath Temple, enjoy a tour of the grand Ramnagar Fort and its museum. We'll also visit Sarnath, where Siddhartha Gautama first taught the Dharma, and the museum which contains a magnificent collection of Buddhist writings. Hop on a cycle rickshaw for a spin through the bazaar and witness an Aarti ceremony with songs and offerings of light.

VARANASI: BHARAT MATA MANDIR

Visit the Bharat Mata Mandir (Mother India Temple) which was built in the 1930s and inaugurated by Mahatma Gandhi. Instead of traditional statues of gods and goddesses, this temple has an impressively huge map of undivided India carved in marble.

Extended stay

JAIPUR & AMER

Jaipur is the capital of Rajasthan, and there is no better place to discover its charms than at its famous Palace of the Winds. We'll also visit Amer Fort, known for its artistic style of elements and architecture. In the afternoon, we'll set out for a stroll through the bustling city. The Jantar Mantar monument

is a fascinating collection of astronomical instruments built in the 18th century, and features to world's largest sundial.

After, we'll enjoy a moment of cultural sharing during a visit to one of the city's schools. In the afternoon, we'll visit the Nahargarh Fort, which stands on the edge of the Aravalli Hills and once helped form a strong line of defense for the city. We'll then enjoy a rickshaw ride through one of the busy markets in the area.

AGRA & FATEHPUR SIKRI

We'll leave for Agra by bus, traveling through village after village where you'll be able to glimpse the everyday life of the inhabitants. In the afternoon, we'll visit the gated city of Fatehpur Sikri. Founded in 1571, it was completely abandoned by its inhabitants within 40 years. It is now a UNESCO World Heritage Site.

THE TAJ MAHAL

At daybreak, we'll leave by pedi-cab for the Taj Mahal, the gorgeous white marble mausoleum built by Shah Jahan to hold the tomb of his favorite wife, Mumtaz Mahal. We'll then visit the fort, the main residence of the emperors of the Mughal Dynasty until 1638. In the afternoon, we'll discover the Tomb of Itimad-ud-Daulah, as known as the "Baby Taj".

DELHI

CLASSIC EXCURSIONS

FOLLOWING THE FOOTSTEPS OF CESAR MANRIQUE

LENGTH: 4.5 hours

We'll begin at the northern tip of Lanzarote to learn more about the island's most revered artist, César Manrique. He was a painter, architect, builder, and sculptor. Afterwards, we'll head to the Mirador del Río to take in the outstanding views of the moon-like landscape. You'll be able to catch a glimpse of another volcanic island, La Graciosa, from the overlook as well. Lastly, we'll visit the César Manrique House Museum, an incarnation of his talent.

LA GOMERA

LENGTH: 5 hours

This excursion is a trip through Garajonay National Park. The park is named after the Alto de Garajonay, the island's highest summit, and is listed as a UNESCO World Heritage Site. We'll then pass through the quaint villages of Hermigua and Agulo, two typical island towns. We'll stop at a restaurant to enjoy a refreshment and listen to a demonstration of Silbo Gomero, the whistled language used by the islanders.

LA PALMA

LENGTH: 4 hours

Visit the National Park of La Caldera de Taburiente, in the heart of La Palma, and enjoy spectacular vistas. Sit back and relax, as you embark on a scenic drive to Santuario Virgen de Las Nieves. Inside the small whitewashed church, you'll find the island's most sacred icon, the Virgin Mary of the Snows, the patron saint of the island. Travelling through the mountain roads, which offer spectacular views, you'll arrive at La Caldera de Taburiente. Next, it's time to sample some local refreshments in a traditional 17th century farm, set in beautiful gardens with breathtaking views. On the way back, a brief photo stop will be made at the viewpoint Mirador de la Concepción where you can admire the stunning views along the coast and to the north of the island.

LAS PALMAS AND THE BANDAMA CALDERA

LENGTH: 3.5 hours

We'll begin in Vegueta, founded in the 15th century. Its narrow streets and attractive town square are home to some fantastic

sites, such as the Casa de Colon, a colonial-style mansion with exhibits about the history of the Canary Islands and their link with the New World. We'll continue on to the Bandama Caldera, a volcanic crater that reaches 1,867 feet above sea level (569 m). Enjoy the breathtaking views of the scenery and the crater below from the observation point.

PUERTO DE LA CRUZ

LENGTH: 4 hours

Puerto de la Cruz is a hopping seaside resort overflowing with lush vegetation and must-see sites that include the Plaza del Charco and the Plaza Concejal. We'll also pass in front of the Castillo San Felipe, the hermitage of San Amaro, the Church of San Francisco, and Parque Taoro. We'll pause at the Mirador de Humbolt, a lookout point with sweeping views of the Orotava Valley. Our last stop will be the Orchid Garden Sitio Litre, home to the most extensive collection of orchids on the island.

TEIDE NATIONAL PARK

LENGTH: 4.5 hours • From £ 30/pp

Teide National Park is located in the heart of Tenerife. Created in 1954, it is listed as a UNESCO World Heritage Site. The last time the volcano erupted was in 1909. We'll make several stops during this excursion to take in the beauty of the landscape and the views.

TEROR AND ARUCAS GARDENS

LENGTH: 3.25 hours

We'll head to Teror, one of the oldest towns in the archipelago. This is a place of pilgrimage for all the island's inhabitants as it houses the statue of the patron saint of the island in its basilica, the Virgen del Pino. Lastly, we'll head to Arucas, one of the most beautiful cities in Gran Canaria. We'll see the outside of the imposing, black cathedral and visit the lovely Garden of La Marquesa de Arucas, home to 400 species of tropical and subtropical plants.

THE SECRETS OF FUERTEVENTURA

LENGTH: 4 hours

We'll begin towards the northern part of the island at the Finca Torres, where we'll discover how local goat cheese

is made. The internationally renowned goat cheeses produced in Fuerteventura have been awarded the highest "Golden Cheese Award" for five consecutive years. At the end of our tour, we'll enjoy a tasting of this famous delicacy. We'll then continue on to the small village of Tiscamanita to visit a cosmetics producer who uses aloe vera, one of the most prominent crops on the island. You'll learn everything you'll need to know about this surprising plant. Lastly, we'll experience Betancuria, the island's first colony and former capital. French explorer Jean de Béthencourt founded Betancuria at the beginning of the 15th century. He chose the area within the valley to be protected from pirate attacks. Despite his strategy, pirates razed the village in 1593.

TIMANFAYA NATIONAL PARK

LENGTH: 4.5 hours

Timanfaya National Park, which occupies 25% of the island, is an amazingly surreal place to visit. The Fire Mountains in the park possess a singular beauty. Before the eruptions, this area contained vast, fertile grounds. Today, the zone is covered with lava, ash, and dust. We'll enjoy a panoramic tour of the park to see as much of the changing landscape as possible before reaching the Islote de Hilario. Here, we'll take part in geothermic demonstrations and learn about the immeasurable energy stored within the earth. After, we'll hit the Volcano Route on our return and cross through Geria, which contains thousands of semicircle stone-and-rock vineyards patiently built by winemakers over the years.

CLASSIC EXCURSIONS

AJACCIO AND THE ÎLES SANGUINAIRES

LENGTH: 4 hours

We'll leave by coach for a panoramic tour of Ajaccio, Corsica's main commercial and cultural hub. You'll take in the city's main sites including the bronze monument to Napoleon and his brothers, and the Place d'Austerlitz, where legend has Napoleon visiting often as a child to see the statues of the glorious soldiers in battle. We'll continue on to the Îles Sanguinaires along the winding, coastal roads bordering the wild crags before arriving at the Pointe de la Parata. A path takes you to the splendid view from the site. From here, you can see the archipelago of four Natura 2000-classified islands. They are an integral part of the natural and cultural heritage found not only in Ajaccio but across the whole island. After our tour, we'll return on board.

BONIFACIO

LENGTH: 3 hours

Our first visit will begin with a tourist-train tour of the city, a veritable open-air museum. Bonifacio is rich with a history told along its small streets and paths, its thousand-year old fortress, and the sturdy stone homes perched high above the sea waves. We'll take a tour on foot of the citadel, whose walls fully encircle the old town. There are some stunning views from the Montee St-Roch steps, including the impressive Grain de Sable limestone sea stack. Enjoy some free time before we return on board.

CALANQUES DE PIANA AND PORTO

LENGTH: 9 hours

Join us for an amazing full-day excursion to the red rocks and gorgeous waters at the Calanques de Piana. The sheer heights of the cliffs and beautiful, time-sculpted stone are just many of the wonderful sights within this UNESCO World Heritage Site. Our tour includes the small, remote port town of Porto. We'll jump on a local boat that will take us to Cap Rosso, where we'll get a closer look at the seaside escarpments and caves lining the gulf coast. We'll return to Ajaccio by coach.

CALVI

LENGTH: 4 hours

We'll leave for Notre-Dame de la Serra to enjoy some of the best views on the island.

We'll then head to the citadel. Crowning a lofty promontory, Calvi's massive fortified citadel offers superb wraparound views from its five watch towers. On foot, we'll discover historical sites such as the Oratory of Saint Antoine and the Caserne Sampiero, military barracks that once served as the Genovese seat of power but now serve as a base for the French Foreign Legion. We'll then tour the St John the Baptist Cathedral, home to a number of beautiful works of art such as The Christ of Miracles. Before returning to the ship, don't miss a visit to the Salt Tower. Serving as storage for the salt that the ships brought in, this round tower was originally a watch tower.

PORTO VECCHIO

LENGTH: 4 hours

Porto Vecchio is cut in half. Its quaint streets and castle ruins occupy the upper city, while the lower city sports more modern architecture. We'll take a coach to the historical heart of the city, and enjoy a tour on foot of its main attractions. Now a hub for vacationing celebrities, it has retained its charm of yesteryear. Porto Vecchio offers visitors a unique mix of both idyllic beaches along Corsica's southern coast and breathtaking mountain scenery. We'll return on board our ship.

THE CAP CORSE

LENGTH: 9.5 hours

The Cap Corse is the northern-most peninsula on the island. Its long, windy road traverses the wild coastline offering view after view of amazing scenery: high cliffs, enchanted castle ruins, and picturesque villages. Leaving from Bastia, we'll begin our journey in Erbalunga, an adorable fishing village. We'll continue on to Santa Severa, a lovely port, the typical village of Luri (where we'll stop for 15 minutes), the Santa Lucia Pass, and the beautiful grove-lined village of Pino. We'll have lunch in Nonza (or the surrounding area), located on a high cliff overlooking the sea. After lunch, we'll continue on towards Saint-Florent. Located on a small promontory with a backdrop of mountains, the climate, nearby beaches, and scenery make Saint-Florent a popular resort and tourist destination. We'll then head to Patrimonio, the well-known wine making region near the cape. Here, we'll enjoy a tasting of wine, cheese and local cold cuts. After our tour, we'll return to the ship in Bastia.

THE LAVEZZI ISLANDS

LENGTH: 3 hours

The best times in Bonifacio are spent on the sea. A scenic boat tour will take you along the cliffs and grottoes to the Lavezzi Islands. We'll head to the boat on foot, and then enjoy a guided tour of the Lavezzi Islands Nature Reserve, a small archipelago of granite islands and reefs in the Strait of Bonifacio that separates Corsica from Sardinia. We'll return to the port in Bonifacio and to our ship on foot.

THE VILLAGES IN THE BALAGNE REGION

LENGTH: 4 hours

We'll set off for a tour of villages in the Balagne Region. Each village has a story to tell about its culture and traditions. Discover a world of Corsican traditions, including the stonewash houses, fountains and the sacred churches that bind the communities together. We'll visit picturesque Calenzana, where you'll think you are in another era. We'll then head on to Montemaggiore, at the foot of the Monte Grosso mountains, for a quick photo op. This lovely cliffside village has a gorgeous view of the exceptional scenery. Afterwards, we'll pass through Sant'Antonino, sometimes referred to as the "Eagles Nest" because of its dramatic situation clinging to the top of a hill, and the timeworn village of Aregno, surrounded by orange, lemon and olive groves. Our next stop will be Île Rousse. Overlooking the most beautiful Mediterranean bays, Île Rousse is a lively resort town.

DISCOVERY EXCURSIONS

BODRI OR GHJUNCHITU BEACH (TRANSFER)

LENGTH: 4 hours

Kick back at Bodri or Ghjunchitu Beach. These sublime beaches are both heaven on earth nestled between the azure sea and the wild maquis. Enjoy a moment of real fun and relaxation, either by catching some rays or exploring the tide pools in the coves.

MAISON BONAPARTE NATIONAL MUSEUM

LENGTH: 2 hours

The Maison Bonaparte is the house where Napoleon and most of his siblings were born. The museum recounts the rise of both Napoleon and his brother, Joseph, to power in Ajaccio. The home changed hands several times over the centuries before being gifted to the French government, which turned it into a national museum. The exhibits trace not only the Bonaparte family history but also the events in Corsica at the end of the 18th century.

MARE E SOL (TRANSFER)

LENGTH: 4 hours • From £ 40/pp

An excursion to Mare E Sol Beach or Capo Di Feno (depending on traffic). Chill at one of the white beaches and take a dip in the turquoise waters of the Mediterranean Sea! Small huts offer a variety of food and snacks during your pause.

PALOMBAGGIA BEACH (TRANSFER)

LENGTH: 6 hours

Palombaggia Beach is one of the most beautiful beaches on the island. Crystal-clear waters, islands dotting the horizon, white sand, and umbrella pines are waiting just for you. Water sports enthusiasts can rent jet skis or pedal boats. Restaurants and snack bars provide a good assortment of food and beverages. Picnic lunches will be available from the ship.

TASTING OF TRADITIONAL LIQUEURS

LENGTH: 2 hours

You'll reach the Orée du Maquis shop which hides a treasure trove in its cellar. Stills and strange machines used to make liqueurs, aperitif wines and creams. Chestnut or melon cream, hazelnut liqueur from Cervione, Myrtle wine or lemon liqueur, local flavors take pride of place.

THE MAQUIS

LENGTH: 4 hours

We'll cross the maquis—the Corsican underbrush exploding with a potpourri of flowers and plants. Our first stop will be Corsica PAM, in the center of the Prunelli Valley, where Paul and Jean-Pierre Caux built their essential oil business from scratch in the village they grew up in. Afterwards, we'll visit the honey farm Jardin des Abeilles. The Casalta Family will welcome us on their farm and share their passion for this sweet, golden nectar. Along the educational trail to the river, we'll see a glass beehive and safely observe the bees at work. At the end of our tour, we'll enjoy a tasting of Corsican honey on the patio in the magnificent garden.

CLASSIC EXCURSIONS

ALGHERO

LENGTH: 4 hours

The city belonged to Catalonia for several centuries before joining the Duchy of Savoy in 1720. The streets still carry Catalan names, and round, Aragonese towers still stand at the city's strategic points along the coastline. Stroll on the cobblestone streets, through medieval gates, and beside age-old Spanish bastions in the historical city center with your tour guide.

EMERALD COAST

LENGTH: 3 hours

In the summer, Porto Cervo is the trendiest hangout in the Costa Smeralda—especially the harbor, often filled to the brim with luxury yachts. Ramble through the streets and see all the important sites with your tour guide. Then, set out for a panoramic excursion along Sardinia's Costa Smeralda—the Emerald Coast—to take in the beaches lapped by crystal-clear waters, and the scenery dotted with cliffs, bays, and coves. We'll stop for a photo op in Baja Sardinia to spend some free time taking in the splendid views of Arzachena and the Maddalena Archipelago.

ITALIAN RIVIERA

LENGTH: 9 hours

Visit the seaside resort of Santa Margherita Ligure, located among verdant luxury on a beautiful bay. Enjoy some time along the most famous stretch of the Riviera. Our excursion includes a boat tour from Santa Margherita Ligure to Portofino⁽¹⁾. Arriving from the sea, you'll have a great view of the particularly photogenic harbor in the village that has become "the

place to be". We'll return to Santa Margherita Ligure by boat and enjoy lunch in a restaurant. In the afternoon, we'll stop off at beautiful Sestri Levante, a once quiet fishing spot becoming increasingly popular. The Bay of Silence and the Bay of Fairy Tales cradle this city dotted with colorful, pastel facades.

LUCCA

LENGTH: 4 hours

Lucca is one of Italy's most fascinating and best-preserved medieval cities. The city has meticulously cared for its historic and cultural heritage so well, visitors find themselves in a virtual time capsule within its streets, squares, and churches. You'll set out to discover the remarkable center and its main monuments, including the exterior of the Basilica of San Frediano and San Michele in Foro's notable facade. You'll then visit the Saint Martin of Tours Cathedral, whose construction and, therefore, styles span almost 1,000 years. The cathedral's most precious possessions are the Holy Face of Lucca and Ilaria del Carretto's splendid tomb sculpted by Jacopo della Quercia.

PORTOFERRAIO

LENGTH: 4 hours

The third-largest Italian island is known for two things: The variety of its landscapes and as the first island of exile for Napoleon Bonaparte. After his forced abdication in 1814, Napoleon lived on the island for 300 days before escaping. Our tour will begin on foot at the historic center of Portoferraio, whose pink streets come from the limestone slabs used to pave them. Your guide will bring you to the Palazzina dei

Mulini, Napoleon's official residence—now a museum housing furniture, paintings, and memorabilia once belonging to the former emperor.

SIENA

LENGTH: 4 hours

While the city center is listed as a UNESCO World Heritage Site, the surrounding environment contains the best Italy has to offer. Siena looks much like it did back between the 12th and 15th centuries. Your guide will take you down the small, shaded streets to the heart of the city—the Piazza del Campo, one of the largest medieval squares in Europe and the starting point for the annual Palio horse race. You'll visit the cathedral, an impressive Gothic work that is also one of the most important in Italy. In the afternoon, explore the streets lined with 14th-century tower houses, Gothic castles, and churches.

TUSCAN COUNTRYSIDE

LENGTH: 4 hours

Overflowing with medieval cities, vineyards, and quaint villages, it is hard not to fall under Tuscany's spell. Amazing scenery unfurls across the hills—starting at the highest peaks and cascading down to the sea. Each season brings dramatic views, from the verdant summer and stretches of sunflower fields to the romantic, almost melancholic, fall colors as trees prepare for winter. During this tour, we'll visit a winery to enjoy a tasting of Chianti, Italy's most distinguished wine.

DISCOVERY EXCURSIONS

CINQUE TERRE BY TRAIN

LENGTH: 8.5 hours

Full-day excursion to absorb the emblematic scenery in the Cinque Terre and the spectacular, colorful fishing villages along the Italian Riviera. Discover Manarola, considered the most charming village in the Cinque Terre. Built on a cliff high above the sea, its homes cascade downhill to the small port. We'll then leave for Monterosso by train for a visit to the largest of the five Cinque Terre towns and have lunch at a local restaurant. After lunch, we'll continue by train towards Vernazza to stroll in the village and discover the large square surrounded by brightly colored homes and a port filled to the brim with all sorts of boats. The train will bring us back to La Spezia, where we'll return to the ship on foot.

FENIGLIA BEACH (TRANSFER)

LENGTH: 4 hours

Hit the beaches at Feniglia. It is located in the protected nature reserve of Dune Feniglia, between the lagoon of Orbetello and the hill of Ansedonia. There is a little natural wealth between sea lily, juniper, helichrysum, tamarisk and rosemary.

FLORENCE

LENGTH: 10 hours

Spend the day in utterly irresistible Florence (approximately 10 hours, including

4 hours of roundtrip travel). Treat yourself to a guided tour of the magnificent city center to learn about Florence's exceptional artistic history. The visit includes the Cathedral of Santa Maria del Fiore, whose dome dominates the rooftops in the city center; Giotto's Campanile's white, green, and pink marble exterior; and the bronze doors on the Baptistery of San Giovanni. And of course, you'll get to cross through the famous arch bridge Ponte Vecchio—brimming with crafts, souvenirs, and boutiques. The tour will finish up at the Piazza della Signoria, the hub of Florence's political and social life since the 14th century, where the Palazzo Vecchio and Loggia dei Lanzi take center stage. Use your free time in the afternoon to discover the city at your own pace. We highly recommend strolling through the trendy Oltrarno neighborhood or exploring San Niccolò, whose old city walls transport you to another time.

MADDALENA ISLAND

LENGTH: 4 hours

Starting at the charming port-town of Palau, our first stop will be Maddalena Island in the Maddalena Archipelago, a seven-island national park sculpted by the waves. The archipelago was declared the first national park in Sardinia in 1994 and has been on a tentative list for consideration as a UNESCO World Heritage Site since 2006.

PORTO SANTO STEFANO

LENGTH: 4 hours

Stroll through the charming city center and visit the Fortezza Spagnola (Spanish Fortress). Built by Spain in the second half of the 16th century, the fortress is part of the city's foundation. Once construction was finished, Spanish and Italian families began to set up house in Porto Santo Stefano. During Napoleon's reign, the French reinforced the structure to better resist British ship attacks. From the top of the fortress, you can see the other watchtowers dotting the landscape.

SPIAGGIA DEL PRINCIPE OR SPIAGGIA CAPRICCIOLI BEACHES (TRANSFER)

LENGTH: 4 hours

Hit the beaches at Spiaggia del Principe—a beautiful, white sand cove—or Spiaggia Capriccioli, surrounded by lush Mediterranean brush and olive and pine trees.

⁽¹⁾ If the weather does not permit the 15-minute crossing to Portofino, we will visit Camogli or Chiavari instead.

Depending on how busy the Church of the Nativity and Church of the Holy Sepulchre are, we may not be able to visit one or both locations.

MASADA AND THE DEAD SEA

LENGTH: 12 hours

Masada is one of Israel's most popular tourist destinations. The breathtaking, strategic location is a UNESCO World Heritage Site and a symbol of heroism and importance within Jewish culture. When Israel began its great revolt against Rome in 68 AD, the site became a stronghold for Jewish rebels. The Romans besieged Masada in the year 72. Rather than be taken alive by their adversaries, the population of Masada chose to die by suicide. After our stirring visit to this important historical site, we will continue to the Dead Sea for lunch and an afternoon at the side of the pool or in the sea's beneficial waters and muds.

MEDIEVAL BYZANTINE CASTLE OF LIMASSOL

LENGTH: 3 hours

We'll set off for a guided visit of the medieval Byzantine castle of Limassol. You will see the castle and its shady gardens. The current building, dating from the 13th century, was built on top of the ruins of a Byzantine castle and has been restored and destroyed many times during the history of Cyprus. The Venetians demolished it, the Ottomans turned it into a military building and the British used it as a colonial prison. Today it houses the medieval museum of Cyprus, with exhibits such as Ottoman pottery, medieval armor and everyday objects from the Byzantine era. The reception hall of the castle was where Richard the Lionheart, king of England, married Berangaria of Navarre in 1191. In addition, he proclaimed himself to be the king of Cyprus in this very hall and made his wife the queen of England. There will then be some free time in the old town. You can wander through the historic center, along the pedestrianised shopping streets, the Turkish zone which has had some major renovation work and the castle which is now surrounded by a pedestrian area. Return on board.

NAZARETH'

LENGTH: 5 hours

church in the Middle East and one of the holiest shrines in the Christian world. We'll continue to the Greek Orthodox Church of St Gabriel, where the water from an underground spring flows into the adjacent Mary's Well which you will also see. Then we'll visit St Joseph's Church, built in 1914 on the very spot believed to be the workshop of Joseph the carpenter.

NICOSIA

LENGTH: 4 hours

Nicosia is the capital city of Cyprus and its largest metropolis. We'll visit the former Cathedral of Saint Sophia, the coronation church for the Lusignan kings of Cyprus, which was converted into the Selimiye Mosque in the 16th century. We'll then visit Büyük Han, the largest caravanserai of Cyprus considered to be one of the finest buildings on the island. Afterwards, we'll take a stroll in the traditional pedestrian neighborhood of Laiki Geitonia. Its charm lies in its lovely alleys and typical houses from the 18th century. We'll enjoy lunch during our excursion and then continue on to the largest archaeological site in Albania: Apollonia. Apollonia was founded in 588 BC by Greek colonists from Corfu and Corinth. The city flourished during Roman rule and was home to a renowned school of philosophy. Julius Caesar rewarded Apollonia with the status of "free city" for supporting him during the Great Roman Civil War. The future Emperor Augustus completed his studies here.

BUTRINT

LENGTH: 4 hours (1.70-hour transfer)

For this excursion, we'll leave Saranda and head inland, crossing the Bistricë River and the vast Vrina Plain before arriving at the salt lagoon known as Lake Butrint. We'll visit the UNESCO World Heritage site of Butrint, once part of the Greek and Roman colonies. Inhabited since prehistoric times, the city experienced a great period of prosperity under Byzantine rule. The first modern archaeological excavations began in 1928 when Benito Mussolini sent an expedition to extend Italian dominance into the area. The excavations, which continued through 1943, uncovered the Hellenistic and Roman part of the ancient city including the "Lion Gate" and the "Scaean Gate". The major ruin from the paleo-Christian era is the baptistery, an ancient Roman monument adapted to the cultural needs of Christianity.

CORFU AND ACHILLEION

LENGTH: 3.5 hours

We'll depart by coach with our guides to visit the sights of the island of Corfu. First of all you will visit the Achilleion Palace, built between 1889 and 1891 following the orders of Empress Elisabeth (better known as "Sissi") in honor of her favorite Greek hero, Achilles. The visit will continue by coach through the Kanoni penin-

sula, an extraordinarily beautiful site. You will be able to admire an unforgettable view where all the shades of blue and green mingle, in the sky, the sea and the nature of Corfu. Off the coast of Kanoni is an island on which stands the Vlacherna monastery and the famous Pontikonissi Island (Mouse Island), with the Church of Pantokrator. The visit will end with a walking tour down the winding streets in the island's capital, Corfu City, whose Old Town developed in a confined space, between two fortresses and encircled by ramparts. You will visit St Spyridon church, the city's most famous monument built at the end of the 16th century and whose interior will stun you with the splendor of its Byzantine icons.

DUBROVNIK

LENGTH: 3.75 hours

We'll visit the Dominican Friary, its lovely Gothic cloister, and its extraordinary museum of religious art - with several valuable paintings, including a triptych by Nikola Bozidarevic depicting Dubrovnik before the great earthquake of 1667. We'll then see the Rector's Palace, once the seat of the government and now a museum housing furniture, portraits, coats of arms, paintings, coins, and the original keys to the city gates. We'll also visit the cathedral which keeps in its core gold and silver reliquaries as well as paintings from Titian's workshop, before moving on to the Onofrio Fountains and Sponza Palace, a superb Gothic-Renaissance structure.

GJIROKASTËR

LENGTH: 5 hours (3-hour transfer)

Join us for an excursion to Gjirokaštër, one of the most beautiful sites in Albania. Its castle, which is undoubtedly one of the most magnificent structures in Gjirokaštër, sits on a rocky bluff with the city stretching out around it. This "City of Stone" is also comprised of hundreds of Ottoman-style tower homes with distinctive stone roofs, wooden balconies, and whitewashed stone walls. We'll visit the castle and the National Museum of Armaments located inside, which houses various arms from the neolithic period to World War II. We'll also enjoy a tasting of some local products.

STARI BAR

LENGTH: 3 hours

Stari Bar, meaning "Old Bar," is located a few miles from the newer city of Bar at the foot of Mount Rumija. Although Stari Bar was abandoned after the 1979 earthquake because the aqueduct that supplied water to the town was damaged, it was restored some years later and the population began to return. The walls along Stari Bar contain some fascinating ruins, including the foundations of St. George Cathedral, the Church of St. John, and the Church of St. Verenada. Enjoy some free time to stroll about the town on your own.

TIRANA

LENGTH: 5 hours (3-hour transfer)

We'll hit the road for Tirana. We'll first visit the National History Museum, which takes you chronologically from ancient Illyria to the post-communist era. After our visit, we'll set out on foot for Skanderbeg Square, the city center surrounded by important government buildings, as well as the historic Et'hem Bey Mosque (the mosque is currently closed for renovations; the initial visit to this site will be replaced by a tour of the Blloku area). Once the area where the communist elite resided, it is now an upscale location for dining, shopping, and entertainment. Blloku is also well-known for its colorful, sometimes garish facades that contrast with the gray Soviet-era buildings. The simple, three-story former residence of Enver Haili Hoxha, head of Albania for over 40 years, can still be seen on Ismail Qemali Street.

CLASSIC EXCURSIONS

SAINT CATHERINE'S EASTERN ORTHODOX MONASTERY

LENGTH: 9.5 hours

We'll leave early in the morning for a visit to one of the most important Christian sites in the area, Saint Catherine's Monastery. The age-old monastery sits where the Church believes God revealed himself to Moses as a burning bush and where Moses later received the Ten Commandments. Catherine of Alexandria was an educated woman who converted to Christianity at 14. Roman Emperor Maxentius put her to death just four years later. Our visit begins at the magnificent art-filled Basilica of the Transfiguration and includes the site of the original Chapel of the Holy Bush, the stunning gallery of icons, and the Well of Moses. We'll enjoy lunch at a restaurant and return to Sharm El-Sheikh by coach.

Egyptian authorities may decide unexpectedly to limit access to Sinai.

PETRA

LENGTH: 10 hours

Petra is unquestionably one of the greatest marvels ever sculpted by both Mother Nature and humankind. The area was settled as early as 7000 BC. Petra is also known as the "Red Rose City" because of the stone from which it is carved. We'll visit this incredible UNESCO World Heritage Site to take in its ancient wonders hidden within the mountains that have protected them for so long. From the dramatic, narrow passage known as the Siq to Al Khazneh, its most elaborate ruin, this excursion to one of the Seven Modern Wonders of the World will take your breath away. We'll have lunch in a local restaurant. This excursion requires physical efforts, including walking long distances on uneven and steep terrain.

Lunch included. Approx. 4 hours round trip travel time.

RELAXATION ON THE RED SEA (TRANSFER)

LENGTH: 6 hours

Day of relaxation on a beach or in a hotel on the Red Sea.

THE SEAFLOOR IN NAAMA BAY

LENGTH: 2.5 hours

We'll set out from the harbor in Sharm El-Sheikh for the magnificent seaside area of Naama Bay, an enormous natural inlet known for its beautiful diving sites. The golden sand beaches lined with palm trees are the ideal place to relax, sunbathe, swim, or just veg out. You'll begin this excursion at the Hilton Resort, where you'll board a glass-bottom boat and cast off to observe the beautiful marine life found in the Red Sea. You'll have a great view of the coral reefs and tropical fish of all sizes while the ship's captain talks about each species and the environment you see under your feet. From the top deck, you can take in the magnificent views of Naama Bay and mountains that surround the station as you enjoy a refreshing drink.

THE VALLEY OF THE KINGS AND THE KARNAK TEMPLE COMPLEX

LENGTH: 15 hours

We'll leave for a full-day excursion to Thebes, the ancient capital of the Pharaohs: You'll discover Luxor and the Valley of the Kings. The Valley of the Kings is one of ancient Egypt's top tourist destinations. Located in a deep valley just 2 km from the edge of the plain, the site contains over sixty tombs. Only the openings dotting the face of the cliff remain as tell-tale signs of the tombs below. This valley is one of the main complexes of the Ancient Theban Necropolis, located on the left bank of the Nile, directly across from the city of Luxor. It was here, in this setting,

that the Pharaohs awaited immortality in their sarcophagi. Further along, dominating the eastern bank, the 18-meter-high Colossi of Memnon—faceless effigies sitting on a throne—are the ruins of the mortuary temple of Amenhotep III. Our afternoon will be spent visiting the Karnak Temple Complex. Connected to Luxor by a corridor of ram-headed sphinxes, this grandiose site dedicated to the god Amun, was continuously expanded for 1500 years. At the heart of this site stands the colossal Precinct of Amun-Re, enclosing a sacred lake that was used by priests in a purification ceremony before performing rituals in the temple. An important place of worship, it contains the Great Hypostyle Hall, a spectacular forest of gigantic columns. This historically significant complex is breathtakingly beautiful.

Lunch included. Approx. 9 hours round trip travel time.

THE WADI RUM DESERT

LENGTH: 5 hours

We'll set out in Jeeps to cross the magnificent desert, also known as the Valley of the Moon. Its vibrant red earth and stunning rock formations make it one of Jordan's most extraordinary sites. Follow the footsteps of T.E. Lawrence and fall in love with the area as he did. Geologists think that Wadi Rum was formed from a strong push from underground, which caused a large fissure in the surface. As a result, the rock formations provide some of the best photo ops found on the planet. Some wind-brushed mountain peaks reach over 6,000 feet. Deep canyons and sand dunes add to the mystique. Large caravans of merchants and wares traveling between the various territories once crossed this desert. Today, a few hundred Bedouins still call the area home. Their hospitality is second to none, and they have adopted a humanistic and green approach to tourism in their homeland.

CLASSIC EXCURSIONS

ALEXANDRIA, ITS NATIONAL MUSEUM AND AMPHITHEATER

LENGTH: 4 hours

Alexandria, the largest port in Egypt and one of the Mediterranean's leading seaside resorts, sits on the northwest bank of the Nile River delta. The city was founded by Alexander the Great in 332 BC. Today, it is a major seaport and industrial center. Its former standing as the largest and most prosperous city in the world, as well as its legendary library, have immortalized its name. During its golden age, Alexandria was home to scholars, scientists, philosophers, mathematicians, artists, and historians. We'll visit the Alexandria National Museum, which contains 1,800 artifacts that recount the history of the city and the country. The priceless objects you'll discover include the Tanagra figurines depicting real people in everyday apparel during the time of Cleopatra. We'll then visit the theater in Kom el-Dekka, the only known Roman amphitheater in Egypt. The audience area consists of thirteen superbly preserved tiers of white marble. Initially discovered in 1967 during excavations to build an apartment complex, the site also contains the ruins of impressive villas and bathhouses.

BIBLIOTHECA ALEXANDRINA AND THE FORT OF QAITBAY

LENGTH: 4 hours

The Bibliotheca Alexandrina commemorates the Great Library of Alexandria

and aims to be a center of cultural and scientific excellence in the Mediterranean Region. The Fort of Qaitbay was built in the 15th century on the site of the ancient Lighthouse of Alexandria. The fort's medieval edifice and the view of the sea from its top make it one of the most important sites in Alexandria.

CAIRO

LENGTH: 12 hours

Join us for an excursion to Cairo, "walking in the footsteps of the Pharaohs" (lunch included; approx. 10 hours total, incl. 4 hours round trip). The Giza pyramid complex is home to one of the Seven Wonders of the Ancient World: the "Great Pyramid of Giza" (137 m) whose peak is still covered in the original white "casing stones" made of highly polished white limestone, its neighbors, the Pyramid of Khafra and the Pyramid of Menkaure (exterior views only). Not far from this jewel of symmetry, the Sphinx stands guard, arousing the admiration of passersby. Abou al-Höl, literally the "Father of Terror" in Arabic, was called Sphinx by the Greeks because he resembled the mythical winged monster, who, according to legend, guarded the Greek city of Thebes, asking a riddle to travelers seeking entry into the city, and killing those who were unable to answer. It is thought to represent the Pharaoh Khafra. We'll then continue on to visit the Museum of Egyptian Antiquities in Cairo, one of the highlights of the day—housing, among other things, the Treasure of Tutankhamun.

NAAMA BAY SEAFLOOR

LENGTH: 2.5 hours

We'll set out from the harbor in Sharm El-Sheikh for the magnificent seaside area of Naama Bay, an enormous natural inlet known for its beautiful diving sites. CLASSIC EXCURSIONS

ATHENS AND THE ACROPOLIS LENGTH: 4.5 hours

We'll set off by coach with our guides for the Athens Acropolis, situated on a 150m-high rocky plateau and which in Ancient times was a vast sanctuary for the worship of the Goddess Athena and numerous other gods in Greek mythology. You will have the chance to discover the different temples on the site including the Parthenon, built in the 5th century BC and dedicated to Athena, whose gold and ivory statue stood in the sanctuary. You will also visit a number of other remarkable monuments still standing such as the Erechtheion, an elegant little temple dating back to the 5th century BC; the Temple of Athena Nike, known in Ancient Greece as the "temple of victory"; the Propylaea, the monumental entrance to the Acropolis; the ancient Theatre of Dionysos and the Odeon of Herodes Atticus... You will then return to the coach to finish off with a panoramic tour of the modern city of Athens, also taking in the Agora, the center of public life for the ancient Athenians.

CAPE SOUNION LENGTH: 4 hours

Cape Sounion and the coast of Attica are known for their beautiful countryside. Departure by coach from the port of Piraeus to reach Cape Sounion, south of Attica. You will then follow the coast of Apollo on the perimeter of the Saronic Gulf where you can enjoy the continuous shimmering sea. At Sounion stands the ruins of the Poseidon's temple, overlooking the sea 60 m at the end of a steep rock. The temple and the road that leads you there are worth to be seen.

DELOS LENGTH: 2 hours

Greek mythology recounts the island of Delos as the birthplace of both Apollo and Artemis. Today, it is almost uninhabited and gives us a chance to walk among the ruins of what was once a thriving economic and religious center. According to its UNESCO listing, it was considered one of "the most sacred of all islands". Excavations began in 1872 and have unearthed a good part of the port, including the Apollonian Sanctuary. There is a museum as well that displays a collection of many of the smaller objects found at the site. Please note that rowboats are used for this excursion.

KOS AND THE ASKLEPION LENGTH: 4 hours

We'll tour the Asklepieion, the ancient Greek version of med school. The three-terrace complex sits on a hill surrounded by Cyprus trees. In addition to being fascinating in itself,

the Asklepieion also has some breathtaking views. We'll visit the archaeological site, which contains the ruins of the old gymnasium and thermal baths from the ancient Greek era. Our tour will continue to Kos with a visit to the old part of the city. Sites we'll see include the agora—the ancient commercial and social center of the harbor and one of the largest to have been excavated to date. Our last stop will be the medieval castle built by the Knights of the Order of Saint John.

MEDIEVAL RHODES LENGTH: 3 hours

Rhodes is famous for gorgeous beaches and awesome weather, but it is also jam-packed with history, especially noteworthy medieval tales. The island is home to one of the largest medieval centers still thriving today. Don't miss this opportunity to enter the city walls and wander the labyrinth of streets. The fort, bastion, walls, gates, minarets, old homes, fountains, and peaceful squares are as if King's Landing has come alive. You'll visit the Kos Town Castle at the entrance of the harbor.

MYKONOS LENGTH: 4 hours

We'll set out on a coach tour of the island of Mykonos. Our first stop will be the Monastery of Panagia Tourliani, the official protector of the island, in Ano Mera. Founded in 1542, it is a peaceful place that has a lot of history behind it. One belief is that it is named after an icon of the Virgin Mary found in a nearby village called Toulou. The site was completely restored in the 1770s, and its impressive architecture is framed by its whitewash exterior and colored dome. One of the most famous pieces in the church is the wooden altar screen crafted by Italian artists. After our time at the monastery, we'll head to the city. Mykonos has a humble charm, although it is known as quite the place to party. The old town is dotted with churches and rustic chapels, with the Church of Panagia Paraportiani being the most famous. We'll tour a few of the chapels, visit five of the iconic windmills (the city's trademark), and spend time in the romantic Little Venice neighborhood.

NICOSIA LENGTH: 4 hours

Nicosia is the capital city of Cyprus and its largest metropolis. We'll visit Büyük Han, the largest caravanserai of Cyprus considered to be one of the finest buildings on the island. This former commercial district was built in 1572 by the Ottomans and was restored in 2002. Afterwards, we'll take a stroll in the traditional pedestrian neighborhood of Laiki Geitonia. Its charm lies in its

lovely alleys and typical houses from the 18th century. We'll get to taste local products during our visit.

PAPHOS LENGTH: 5 hours

We'll leave from Limassol by coach and head towards Paphos. On our way, we'll stop off at Petra Tou Romiou, also known as Aphrodite's Rock, a popular attraction because of its status in mythology as her birthplace. We'll then continue on to Paphos, visiting two major sites in the Kato Pafos Archaeological Park. The first are the impressive, underground tombs dating back to the 4th century BCE. Because of their beauty and importance, they are listed as a UNESCO World Heritage Site. We'll also visit several restored Roman villas, including the Houses of Dionysos, Theseus, and Aion. Afterwards, we'll continue on to the coastal town of Yeroskipou and visit a Loukoum (Turkish Delight) factory for a tasting. We'll return to the ship in Limassol.

PARIKIA LENGTH: 4 hours

Parikia, the capital of Paros, is a gorgeous village full of small whitewashed houses and imposing mansions. The most famous site in Parikia is the church of Panayia Ekatonrapyliani—the 6th-century church with 100 doors, including a secret one! We'll then head to Lefkes, tucked into the island mountains. The village was the first capital of Paros and built on the hills to protect the original inhabitants from pirates. Our last stop will be Naoussa, a beautiful fishing village with a tiny harbor bursting with restaurants and cafés.

SANTORINI ISLAND LENGTH: 4.5 hours

Santorini is the most famous of the Cyclades and also the most beautiful. Its earthquake crater is invaded by the sea, and the scenery is breathtakingly beautiful. At the very top of the island you can make out dazzlingly white villages. You will have the chance to visit the islands' most picturesque sites, to admire the most fascinating views, to briefly get a taste of local life and enjoy the natural and authentic flavors of this corner of the Mediterranean. We'll reach the island on board rowboats. Departure by coach for Profitis Ilias, the point on this splendid. You will then take the direction of the village of Oia, the postcard village of Santorini with its beautiful white houses clinging to the side of the cliff and overlooking the Aegean Sea. The last stage on our tour will be the delightful village of Fira, with its blue cupolas that blend in with the sky. We'll travel back down to the port by cable car and board our rowboats again back to the ship.

ATHENS AND THE ACROPOLIS LENGTH: 4.5 hours

We'll set off by coach with our guides for the Athens Acropolis, situated on a 150m-high rocky plateau and which in Ancient times was a vast sanctuary for the worship of the Goddess Athena and numerous other gods in Greek mythology. You will have the chance to discover the different temples on the site including the Parthenon, built in the 5th century BC and dedicated to Athena, whose gold and ivory statue stood in the sanctuary. It was destroyed during the siege of the city during the 12th century crusades, and the Parthenon was turned into a Catholic church when the Franks occupied Athens, then into a mosque by the Turks in the 17th century. You will also visit a number of other remarkable monuments still standing such as the Erechtheion, an elegant little temple dating back to the 5th century BC; the Temple of Athena Nike, known in Ancient Greece as the "temple of victory"; the Propylaea, the monumental entrance to the Acropolis; the ancient Theatre of Dionysos and the Odeon of Herodes Atticus... You will then return to the coach to finish off with a panoramic tour of the modern city of Athens, also taking in the Agora, the center of public life for the ancient Athenians. This square open space served a variety of purposes: political, religious, economic, commercial and cultural.

DELPHI LENGTH: 4 hours

In ancient Greece, Delphi was considered the center of the world. The site's sanctuary was the symbol of unity for many centuries. For two hundred years, the Delphic oracle, coming directly from Apollo, was regarded as the most trustworthy in predicting the future. It was delivered by a priestess known as the Pythia and interpreted by the priests of Apollo. Our visit to Delphi will bring us to the Sanctuary of Apollo, whose Sacred Way climbs to the 4th-century BC temple. On the way to the temple, we'll pass by the Roman Agora, a marketplace that provided visitors a place to shop before ascending the way. The site also contains a Greek amphitheater, built into the natural slope of the hill, which offers spectacular views of the valley and was the scene of many musical and dramatic performances during Delphi's various festivals.

DUBROVNIK LENGTH: 3.75 hours

The former Republic of Ragusa is famous for its medieval walls and its wide variety of historical architecture. We'll visit the Dominican Friary, its lovely Gothic cloister, and its extraordinary museum of religious art - with several valuable paintings, including a triptych by Nikola Bozidarevic depicting Dubrovnik before the great earthquake of 1667. We'll then see the Rector's Palace, once the seat of the government and now a museum housing furniture, portraits, coats of arms, paintings, coins, and the original keys to the city gates. We'll also visit the cathedral which keeps in its core gold and silver reliquaries as well as paintings from Titian's workshop, before moving on to the Onofrio Fountains and Sponza Palace, a superb Gothic-Renaissance structure.

KOTOR LENGTH: 2 hours

It is estimated that Kotor owns 70% of the historic and cultural monuments of Montenegro. That is why Kotor is classed as a world heritage site by UNESCO. Founded by the Romans on the Adriatic coast in Montenegro, Kotor developed into an important commercial and artistic center in the Middle Ages. You'll visit the Cathedral of Saint Tryphon, which was seriously damaged and rebuilt after the earthquake of 1667 - the reason its two towers are so different from one another. Then you'll visit the maritime museum in the Grgurina Palace and its collection showing the development of past maritime and cultural activities.

MYCENAE AND NAFPLIO LENGTH: 4 hours

According to Greek mythology, Perseus founded Mycenae. He used Cyclopes to build the citadel walls so that no human could move them. The earliest mention of the city appears in Homer's works. Join us for a tour of this fascinating center of Greek civilization and former military stronghold. Notable curiosities include the Lion Gate access way and the circular burial areas. The ruins are listed as a UNESCO World Heritage Site, as they played a vital role in the development of Classical Greece from

the 15th to 12th centuries BC. The Mycenaean culture is the source of ancient epics and legends such as the labors of Hercules, the Trojan War, and Agamemnon's tragic life and death. We'll then continue on to Nafplio, founded by the son of Poseidon as recounted in Greek mythology. Have fun discovering this charming, romantic city dominated by the Palamidi Fortress high on the hill. We'll also see the Bourtzli Castle, built by an Italian engineer in 1473, just off the coast of the city.

OLYMPIA LENGTH: 4.5 hours

Departure by coach with your guides for Olympia, birthplace of the famous Olympic Games, whose watchwords were "physical and intellectual prowess, spirit of friendship and peace". First you will visit the Pales-tra. It was in the courtyard of this building that the wrestlers trained or bathed in the surrounding rooms. Then you will see the great Temple of Zeus, dating from the 5th century BC and partly destroyed by an earthquake in the 6th century. It contained one of the Seven Wonders of the Ancient World, the famous Statue of Zeus at Olympia sculpted by Phidias. You will also be able to admire the Temple of Hera, built in about 600 BC in Doric style. It is in front of this temple that the Olympic flame for the modern games is lit. The visit continues with the Stadium, where numerous athletic events took place: running, wrestling, pentathlon and more. You will notice that on the ground are still the start and finish marks for the races.

THE METEORA LENGTH: 8 hours

Discover one of the most spectacular sites in Greece. Although the original town of Kalambaka was destroyed during World War II, the Meteora monasteries remained intact on the summit of the rocks. The caves in the rocks were inhabited by hermit monks in the 9th century AD. They began to build monasteries in the 11th century, and at its peak in the 16th century, there were 24. Today, there are now six functioning monasteries still inhabited by either nuns or monks.

When we return to Basel, enjoy time discovering the holiday market with more than 150 vendors and craftspeople. You'll adore the largest Christmas market in Switzerland.

CRUISE 'N WALK

The rivers often flow through the middle of valleys lined with remarkably beautiful hills. It therefore makes sense to combine the tranquility of a laid-back cruise with energetic discovery walks.

The point of a walking cruise is not to beat any world records, but to get up close and personal with the unique landscape by offering an invigorating trek. Day-long walks can be offered on certain cruises. And so travel companions aren't left, we also include more leisurely guided tour and excursion options.

Walkers are led by one or more certified mountain guides. We'll also provide an onboard presentation about the history and flora to be found along the way. Each walking cruise has been pre-tested by a renowned French walking club.

THE LEVELS OF DIFFICULTY

The activities proposed are walks having varying altitude differences according to the destination. The lengths mentioned in the program are for informational purposes only and do not include the time needed for breaks and stops.

You do not have to be a seasoned walker to participate, but you must be physically fit and rested if you would like to take full advantage of your cruise.

YOUR AGREEMENT WITH CROISIEUROPE AMERICA

By signing our reservation form or making your deposit, you signify your agreement with the following terms and conditions on behalf of yourself and the other members of your traveling party. These terms and conditions form an agreement between you and CroisiEurope America Corp, a Florida corporation, which is the general sales agent for the cruise line, Alsace Croisieres, SAS, a French company.

1. BROCHURE: This brochure offers a selection of cruises, but our offer is not limited to the cruises selected. Cruises or provisions not included in our website or brochure are subject to the same terms and conditions. The information published in our brochure concerning timetables, itineraries and hotel and ship facilities were correct at the time the brochure was published but may be subject to later modifications. In such cases, you will be advised of any such modifications at the booking stage. Maps, photographs and illustrations are provided purely for guidance purposes and are not contractual.

2. PARTIES: In these terms and conditions "you" refers to the person booking, purchasing or traveling on the cruise or others traveling on the same reservation. "CroisiEurope", "we" or "us" refer to CroisiEurope America Corp or the cruise line, Alsace Croisieres, SA, or both companies, as applicable. "Cruise Line" refers to Alsace Croisieres, SA. The Cruise Line uses the brand CroisiEurope.

3. TRIP PROTECTION OFFER AND WARNING: We strongly recommend that you purchase trip cancellation and medical insurance. We will provide the insurance applications along with the trip confirmation. Any questions about what travel insurance does or does not cover should be addressed directly to the travel insurance company. If you decline insurance coverage, you will personally assume full responsibility for any financial loss associated with your travel arrangements, and you could lose your travel investment and/or have to pay more money to correct the situation. Medicare and most other government-issued health insurance do NOT cover medical expenses while abroad.

4. VALIDITY: The brochure is valid from 01/01/2024 to 12/31/2024.

5. PRICES: Our prices are indicated in U.S dollars (\$), and they are given per person and based on a double cabin. They are calculated at an all-inclusive rate including services described in the programs and reserved by the customer, but they exclude services that you reserve and pay for on board and other costs occasioned by a fortuitous event such as a strike, riot, revolution, weather conditions, or water levels. The prices depend on various factors involved in their calculation such as the cost of transportation, cost of loading and unloading, port costs, fuel costs, royalties and other taxes, and remain subjected to revision. Therefore, we reserve the right to change our prices in the event of variations in exchange rates, the cost of fuel, economic conditions, or any other service provision mentioned in the programs. Concerning the cost of fuel, CroisiEurope has established its 2024 prices on the basis of a barrel of 76€ and will not apply a revision for variations in the price of the barrel between 45€ and 85€ but reserves the right to apply a revision beyond that. In the event that we are forced to adjust any prices, the difference either up or down will be collected or refunded on the date they become due or with final payment. In any case, no price change will be made within 30 days before departure. The cost of visas and optional excursions are subject to modification at any time without prior notice by the competent authorities, and in this case, will be passed on in full to you. For the cruises on the Mekong and other programs, prices are based on the number of participants. Consequently, prices are subject to change, and these changes will be passed along to you. All services charges on board the boats must be paid on board, before you disembark.

6. TRAVEL DURATION AND ACCOMMODATION: Durations shown do not match with the number of days spent at the destination, but with the entire trip, including transport. The specified number of nights do not necessarily correspond to a predetermined number of full days. If, owing to the schedules imposed by the various means of transport, the first and last days happen to be curtailed by a late arrival or a morning departure, no refunds will be provided. The duration of the voyage is calculated as of the day the trip begins to the day it returns. Meals on the first and last days are not included unless otherwise indicated in the program, and will be at your own expense. All services on the last

day end with breakfast. Some meals may be provided by the airline. The classification and category of the hotels and ships (not including the fleet of CroisiEurope) are provided by the local authorities in the country according to their criteria, which may or may not correspond to other norms. Any claim or complaint arising as a result of the category of a hotel or ship will not give rise to any refund.

7. FORM of PAYMENT: Visa, MasterCard, American Express, personal checks, wire transfers, and Electronic Funds Transfer are all acceptable forms of payments. All payments made by check should be made payable to CroisiEurope America Corp. We are unable to accept checks within 30 days of departure. Please make wire transfer payments to the following account:

8. PAYMENT AND BOOKING CONDITIONS: A deposit 25% is due within 4 days after confirmation if you pay credit card, bank transfer, or personal check. If you pay by credit card, you must sign an authorization form. If paying by wire transfer, the transfer must be received within 8 days after confirmation. Final payment is due at least 90 days prior to departure. Vouchers will be sent by email at 30 days prior to departure and only when full payment has been made. **You are considered confirmed when we receive your deposit of 25% of the price of the cruise, or, if you are confirmed within 90 days before departure, you are confirmed when we receive your full payment.** Failure to pay the balance by the 90-day deadline is a default that entitles us to cancel your agreement and retain your deposit if you do not pay within eight days after notice of nonpayment.

9. CHANGES REQUESTED BY YOU: All modifications to the booking fifteen days prior to departure incur a charge of \$75 per person (plus any postal or express charges). Such charge is not refundable and is payable immediately by credit card or bank transfer only (no payments by check will be accepted). However, no modifications will be accepted fewer than four days prior to departure. Such charges will also be payable in the event of transfer of the booking to a third party. Any change in the cruise date that you request is considered as a cancellation and will be subject to cancellation charges. For name transfers, we decline all liability as to acceptance or refusal by our various suppliers, particularly the airlines. Note that airlines have their own change fees.

The tariffs of the airlines are subject to specific terms and conditions. Once the trip has started, no modifications are permitted by the airline companies or by the ship owner, and no refunds will be provided. The ship owner will not pay your accommodation expenses of passengers if you are put ashore in the course of the cruise or at the end of the cruise.

10. POSTAGE COSTS: Any costs such as guaranteed overnight delivery, express delivery, etc. rendered necessary by dint of a late booking, strikes by the postal services, or other circumstances beyond our control will be billed to the travel agency or to you.

11. CANCELLATION BY YOU: If you cancel, any refund of amounts paid will be made after deduction of the cancellation costs, per person, stipulated in the contract. All cancellations must be in writing and the cancellation date will be counted from the date on which we receive your written notice of cancellation to the departure date to determine the charge. Your decision not to participate on a trip due to State Department warnings or advisories, fear of travel, or the like will be deemed a cancellation.

In case of cancellation, the cancellation fees will be as follows: if the cancellation happens:

- For European River or Canal Barge Cruises
- More than 90 days before departure: \$200 per person
- From 90 to 60 days before departure: 35% of the total price of the package

- Less than 29 days before departure: 100% of the total price of the package
- For Coastal Cruises, African Safari Cruises, Mekong River Cruises, all cruises outside of Europe, or cruises otherwise not noted:

- From 59 to 30 days before departure: 50% of the total price of the package
- Less than 29 days before departure: 100% of the total price of the package

IMPORTANT: Prices that include air transportation are subject to the general and special terms and conditions of cancellation of the airlines. In the event of cancellation of one or finally, note that some costs are non-refundable, including insurance fees, booking fees, visa fees and any other cancellation fees charged by our suppliers. If one of the passengers in a double room or cabin cancels his booking, the remaining passenger must pay the single cabin supplement.

12. REFUNDS: No refund will be provided if you fail to arrive at the time and place mentioned in the travel instructions sent to you (a no-show) for any reason, including failure to have the legal documentation or health documents required for your trip voyage (passports, visas, identity card, vaccination certificate, etc.), or a delay of air, rail or land services, vaccination certificate, etc.), or a delay of air, rail or land services.

13. DISCOUNTS FOR CHILDREN: For children under 2 years of age, meals and accommodation are provided free of charge. Children over 2 years of age are required, by law, to have their own berth. Children over 2 and under 10 years of age will receive: (a) a 20% reduction on the price of the cruise and transfers excluding taxes, supplements and administrative costs, excluding exotic river cruises (Mekong, Ganges, Nile and Southern Africa) trips; (b) For children over 10 years of age, the normal rate applies. These discounts do not apply to cruises on the Mekong, Ganges, Nile and in Southern Africa. For the Mekong and Southern Africa only the following discounts apply: for Southern Africa: 15% discount on the cruise price for 1 child from 7 to 14 years old sharing a room/cabin/bungalow with 1 or 2 adults (excluding flights, taxes, additional charges, service fees, ...). For the Mekong: 20% discount on the cruise price for 1 child from 2 to 12 years old sharing a cabin/room with 1 or 2 adults (excluding flights, taxes, additional charges, service fees, ...). For safety reasons, children under 7 years old are not accepted on the Southern Africa and India destinations.

14. TRIPLE CABIN REDUCTION: A 30% reduction on the all-inclusive cruise price will be provided for to the 3rd occupant in a triple cabin excluding taxes, supplements and administrative costs. This discount does not apply to cruises on the Mekong, Ganges, Nile and in Southern Africa.

15. DISCOUNT WEDDING ANNIVERSARY: On river cruises from CroisiEurope from 3 to 13 days, one spouse receives a discount on the cruise corresponding to each 10 years of marriage. Ex: 10, 20, 30... years of marriage = 10, 20, 30% ... off. The discount is only valid for wedding anniversaries in 2024 and applicable upon presentation of the marriage certificate or family register. This discount is only valid on the cruise fare, excluding surcharges and delivery costs. **The discount is not retroactive or reimbursable and cannot be combined with any other offer. These reductions do not apply to sea and coastal cruises nor to cruises on the Mekong, Ganges, Nile and in Southern Africa.**

16. CRUISE FLEXIBILITY: For your comfort and peace of mind when planning a cruise, we offer Cruise Flexibility. This optional program, of which the cost is detailed below, is non-refundable and non-cancellable, can only be used once per trip, and must be purchased by all the persons included in the booking. With Cruise Flexibility you can change the date and destination, under the following conditions:

- CroisiEurope river cruises (excl. cruises with a duration of less than 3 days/2 nights as well as day services): \$179 incl. tax/person, change of date is possible up to 30 days before departure

- CroisiEurope maritime and coastal cruises: \$268 incl. tax/person, change of date is possible up to 30 days before departure
- CroisiEurope cruises on the Mekong, Ganges, Nile and in Southern Africa: \$358 incl. tax/person, change of date is possible up to 45 days before departure

Cruise Flexibility is subject to the following conditions:

The change of date must be made once Cruise Flexibility has been requested. The change of date and destination must take place on the same cruise as initially selected. The application of the Cruise Flexibility results in the cancellation of the cruise initially reserved and the establishment of a new booking which will be subject to the terms and conditions of sale effective on the date of the new booking.

Cruise Flexibility is independent of the optional Europ Assistance insurance, which we strongly suggest you to purchase and for which you will find the conditions in the corresponding paragraph.

Cruise Flexibility is applicable only on the cruise, therefore excluding transport (except if a flight chartered by CroisiEurope) and excluding related services. Changes to pre- and post-routing will therefore be subject to the conditions and possible costs of the corresponding suppliers, which will remain at customer's expense.

Cruise Flexibility becomes effective once the balance of the initial contract has been paid. The change of date must be within the same calendar year; it will not be possible to purchase a new Cruise Flexibility on the new booking which led to the implementation of the initial Cruise Flexibility.

The price difference for the new date chosen will be applied to your new booking. If it is in your favor, a credit will be issued to you which you can use on all cruises during the current calendar year.

17. INDIVIDUAL CABIN: The number of individual cabins cannot exceed 12, except for the exotic river cruises.

18. FOREIGN ENTRY REQUIREMENTS: You must meet the immigration and customs formalities in force at the time the voyage takes place, including any necessary tourist and transit visas and health certificates, for all countries through which the cruise itinerary passes. You must have a passport valid for at least six months following disembarkation and necessary visas when boarding. Guests are advised to check with their travel agent, the State Department at www.travel.state.gov or, for Canadians, go to <https://travel.gc.ca/travelling/advisories> to determine which documents they must obtain. If you are not permitted to board a flight or find yourself denied entry into a country, owing to your failure to present documents required by the authorities, you may not claim a refund of any kind. If incorrect documents are obtained, you may not be able to participate in particular shore excursions and may be denied boarding and/or entry into certain countries. In the event of noncompliance, all costs incurred are yours alone. Commercial Visa services are available to assist with visas to certain Asian countries, including Vietnam and Cambodia. You are also required to provide us with any information necessary to enable us to satisfy our own security obligations. In situations where we arrange entry documents for you, we do so on the basis of the information that you supply. We cannot be held liable under any circumstances if any information provided proves to be erroneous.

NB: Between publication of this brochure and the date of departure, certain requirements may change. Indeed, the regulations of the different countries change frequently without notice. They are given in the brochure only as a guide, and it remains your responsibility to be informed of the necessary steps at the time of your trip. We cannot be held responsible for the failure to observe the formalities or for fines resulting from the failure to observe the customs or health regulations of the countries visited.

Due to airline security measures, your passport name must match your airline ticket name or you may be denied boarding.

For certain cruises currently including Seville, Venice, Dubrovnik (sea port harbors), and Danube cruises, we require full details of passport information to comply with requirements of customs authorities.

19. MINORS: Reservations from minors will not be accepted but must be made by the parents or other adults of more than 21 years of age with the necessary authorizations. Minors are not permitted to travel on board unaccompanied. They must be accompanied by parents or adults of more than 21 years of age. No alcoholic beverages shall be served to minors on board. Proof of the customer's age may be requested by the ship's personnel.

20. MEDICAL CONTRAINDICATIONS: You must be medically, physically and psychologically fit to undertake a trip without endangering your life or the life of others. No medical services are offered aboard our ships.

If you have a physical or mental incapacity, limited capacity of mobility, an illness requiring treatment or medical care, or if you are pregnant, you should inform the travel agent at the time of booking. No reservation can be accepted if your physical or mental condition is likely to render your participation in the cruise or on the vacation impossible or dangerous for yourself or others, or if you require forms of care or assistance impossible to provide aboard ship. Some suppliers (hoteliers, airlines and cruise companies, etc.) may require a medical certificate confirming that you are fit to travel, or you may refuse to accept the booking if they feel that they will be unable to provide assistance or treatment deemed necessary for your health and well-being.

All personal accidents, diversions or forced stopover costs disrupting the course of the cruise are your financial responsibility, if it is determined that you concealed your unfitness to travel.

We recommend the wearing of footwear suitable for life aboard and for excursions with non-slip soles. Some vaccinations, although not mandatory, may be recommended by health authorities.

21. DISABLED GUESTS: You must report any disability requiring special assistance while on a CroisiEurope itinerary to CroisiEurope at the time the reservation is made. All vessels and motor coaches are equipped to comply with European standards. Most transportation services, including the vessels and motor coaches, are not equipped with elevators or wheelchair ramps. Only our 3-deck ships have elevators (which cannot service the sun deck). CroisiEurope will make reasonable attempts to accommodate the special needs of disabled travelers, but is not responsible in the event it is unable to do so nor is it responsible for any denial of services by vessel operators, air carriers, hotels, restaurants or other independent suppliers. We regret that we cannot provide individual assistance to a vacation participant for walking, dining, getting on and off vessels, motor coaches and other vehicles, or other personal needs. A qualified and physically able companion must accompany travelers who need such assistance and must assume full responsibility for their well-being.

22. DENIED BOARDING AND PREMATURE DISEMBARKATION: Boarding may be denied or your cruise may be curtailed (at your risk and cost) when, in the opinion of the ship's captain or the senior officer on board, you are not fit to travel, for administrative or other legitimate reasons, or if you disrupt or endanger other passengers. You may be put ashore in any port of call whatsoever without the ship owner's liability being invoked. The river cruise operator may not be required to reimburse the days of the cruise not completed or to cover any costs occasioned by being thus put ashore.

23. COMPLIANCE WITH THE TIMING OF STOPOVERS: On stopovers, the latest time for returning to the ship and departure of the ship are announced and posted aboard as stipulated by the senior officer on board. You are required to abide by such times. The company declines all liability in the event of failure to board at the appointed time, and no refund or compensation will be provided.

24. SHORE EXCURSIONS: The itineraries of the excursions defined in the programs are given only as a rough guide and may be subject to variations owing to external circumstances (e.g. meteorological conditions, strikes, transport delays, closure of sites by the local authorities, etc.) or owing to local service providers. Some of the places visited are subject to high levels of security (the Kremlin for example). The authorities in any country may therefore close any place and prohibit visits without notice. We cannot be held responsible for the unexpected closure of any intended site, and we will always do our best to arrange an alternative visit in such instances. In the event of cancellation of an excursion, we will try to offer replacement tours. In the event of cancellation, the excursion price will be refunded. No additional compensation may be claimed in such circumstances.

A minimum number of guests may be required to operate an excursion. If that number is not reached, the excursion may be cancelled or an additional charge may be assessed.

For the exotic river cruises, the excursions that are booked locally are organized by local companies independent of CroisiEurope. Even if they are proposed by our local representatives, as an extra service to passengers, they are bought freely on the spot and do not form a component part of the holiday booked through CroisiEurope. All descriptions and tariffs shown are for guidance purposes only.

Any dispute, accident or incident in the delivery of these services must be solved on the spot with the company concerned and are not the responsibility of CroisiEurope or the travel agency from which the trip was booked.

25. PERSONAL ITEMS/LUGGAGE: Animals, hazardous objects and products, such as illegal substances, firearms, weapons and knives, explosives, oxygen, compressed air or inflammable products, etc. are strictly prohibited on board. The ship owner reserves the right to deny boarding if you are in possession of such items. You will be responsible for all damage suffered by the ship owner owing to the failure to abide by the aforementioned obligations.

Security of luggage and of personal belongings is your responsibility. We cannot, in any way, be held responsible for lost items. Forgetting luggage on board may result in the charging of any additional costs incurred in recovering it. We advise you to take out luggage insurance. In the event of loss, late delivery or damage to luggage in the context of air transfers, it is the passenger's responsibility to fill in the luggage complaint form at the airport with the airline.

26. VALUABLE ITEMS: We are not responsible for loss of or damage to valuable items, money, financial documents, jewelry, and personal property. We request you not to leave valuable items unattended. Furthermore, we advise you not to leave in the luggage you entrust to carriers any valuable items, keys or identity papers, or medicinal products essential to your health. We cannot be held responsible in the event of damage to and loss or theft of personal effects.

27. COMPLAINTS: If there are problems during the trip, please contact your attendant or purser immediately to find a solution. All complaints must be forwarded to us within 10 days of disembarkation, in writing. Our response time varies from 1 to 3 months depending on the time necessary to follow up with staff, hotels or service providers necessary for any claim.

28. PURCHASES: All purchases made from local vendors are the sole responsibility of customers. Please do not purchase counterfeit items.

29. CANCELLATION OF CRUISES BY CROISIEUROPE: CroisiEurope reserves the right to cancel cruises for circumstances of force majeure, recurrent climatic or natural events (high and low water, cyclones, etc.) or circumstances which may render it impossible to enjoy certain service provisions for reasons relating to passenger safety, at any time prior to departure or during the cruise. CroisiEurope will, insofar as this is possible, offer a replacement cruise of equivalent value. You may take advantage of such replacement cruise or else receive a refund under the terms set out in these conditions. If you accept the replacement cruise, no reimbursement or payment of compensation will take place. CroisiEurope reserves the right to cancel a cruise without liability up to 21 days prior to departure in the event of insufficient bookings. CroisiEurope America Corp may, in the event of unforeseen circumstances making reimbursement impossible, hold passenger refunds as a Future Cruise Credit (FCC), valid for up to 18 months from the date of cancellation. Certain items, including insurance, pre and post stays, airfare, and other non-cruise portions of your vacation may be non-refundable. All insurance is non-refundable.

30. CHANGES TO PROGRAMS, ITINERARIES AND TIME-TABLES: In the event of a strike, bad weather conditions endangering the operation of the vessel or extraordinary circumstances, CroisiEurope may at times and without notice, advance or delay a departure or a stopover or, if need be, change ports of call. We are not responsible in the event of earlier or later departure or arrival, modification or substitution of ports of call. CroisiEurope may not be held responsible for any failure to adhere to the arrival and departure times given in this brochure, regardless of the port of call.

The captain is the sole master on board and may decide at any time to divert the ship or cancel a port of call. The captain may cancel the cruise or modify the itinerary of the cruise if he judges it appropriate to the interests of passengers and the safety of the vessel. If the cruise is interrupted for reasons of force majeure, we will provide a refund for the days of the cruise affected but will have no further liability.

Possible unforeseen circumstances (civil or religious festivals, political demonstrations, strikes, breakdowns, traffic jams, changes by government authorities, or other legitimate reason) may bring about modifications to visits or excursions for which CroisiEurope is not responsible. Some destinations are subject to particular meteorological and climatic conditions. Some ports of call may be reversed, curtailed or cancelled, particularly for the reasons stated above. In the event of cancellation, shore excursions will be reimbursed. No other compensation will be payable.

31. CHANGE IN CABIN CATEGORY OR NUMBER BY THE SHIPOWNER:

For technical or operational reasons, river companies or ship-owners may allot a cabin other than the one in your confirmation without liability other than the refund of the difference in price if a change to a lower category cabin is necessary.

32. TRANSPORTATION DELAYS: The considerable increase in air and rail traffic, events beyond our control (strikes, technical incidents, meteorology, etc.) and safety imperatives mean that charter and regular airline companies and railway companies are not always able to respect their schedules. Delays, both on departure and on return, are possible and are beyond the control of the carrier, the tour operator and the travel agency, and we have no liability for such delays. Therefore, allow a reasonable period of time, particularly for the return flight, in the event of connecting flights or important appointments.

If you are traveling to or from the cruise by your own means, we recommend that you book tickets which can be changed or refunded. Airline companies strongly recommend online check-in the day before the flight (outward and return).

33. RESPONSIBILITY OF CROISIEUROPE: CroisiEurope America Corp, a Florida corporation, acts only as agent for the cruise line, Alsace Croisières, SA, a French company doing business as CroisiEurope. In its capacity as organizer of cruises, both as owner and charterer, the responsibility of CroisiEurope is limited to issues pertaining to the ship's crew and to the ship. We are not responsible for any damage suffered by passengers on dry land, such as injuries, accidents, loss, irregularities, delays, lack of means of transport, etc. imputable to external companies such as airline companies, hotels, reception agencies, restaurateurs, suppliers, etc. Non-cruise service such as land transportation, accommodation, and transfers reserved in addition to the cruise do not fall under our responsibility. We have no special knowledge regarding the financial condition of travel suppliers, unsafe conditions, health hazards, weather hazards, or climate extremes at locations to which you may travel. For information concerning possible dangers at destinations, we recommend contacting the U.S. State Department at (202) 647-5225 or go to www.travel.state.gov, click on "Find International travel Information", then click on "Country Information", and fill in the name of the destination country. For medical information, we recommend contacting the Centers for Disease Control at (877) FYI-TRIP or www.cdc.gov/travel.

You hereby release us and our affiliates from any and all claims for loss or damage to baggage or property or from personal injuries or death, or from loss delay, arising out of the acts, omissions or negligence of any independent contractors, such as air carriers, hotels, shore excursion operators, restaurateurs, transportation providers, medical personnel or other providers of services or facilities. All arrangements made for guests with independent contractors, including medical services, are made solely for convenience to participant and are done at the participant's own risk. Medical personnel are independent contractors. We are not responsible for damages for emotional distress, mental suffering or psychological injury or any kind, except to the extent prohibited by 46 U.S.C §183c(b), which applies only

to cruises to or from points in the United States. Tickets, vouchers and any other travel documents are subject to all terms and conditions of the respective suppliers (some of which may limit suppliers' liability).

We are entitled to any and all liability limitations, immunities and rights applicable to them or any of them under the Strasbourg convention on the limitation of Liability of Owners of Inland Navigation Vessels (CLNI), with protocols and amendments, together with the further provisions of the International Convention of Limitation of Liability for Maritime Claims, 1976, with revisions and amendments (hereinafter collectively referred to as the "Convention"). We are also entitled to any and all exemptions from liability, liability limitations, immunities and rights applicable under the 1976 Athens Convention as amended, which limits the carrier's liability for death of or personal injury to a passenger to no more than 46,666 special drawing rights as defined therein (approximately US\$70,000 which fluctuates depending upon a daily exchange rate as printed in the Wall Street Journal) and the laws of the United States including Title 46 US Code Sections 30501- 30509 and 30511, if and as applicable, and by those other and further limitations of liability set forth in the statutory and general maritime law of the United States, including Title 46 U.S Code Section 181-186, 188, as well as any other applicable nation's laws limiting liability. We are entitled to claim the benefit of whichever law, regulation, treaty or doctrine provides the greatest legal protections to us.

34. REPATRIATION ASSISTANCE: Medical repatriation and assistance is included free of charge in all our cruises and trips. For further information, please inquire. NOTE: This does not cover hospital or other medical costs incurred.

35. TRAVEL AGENT: All travel agents are solely your agents for purposes of the Passenger Ticket Contract and all other documents concerning the river or ocean cruise and any related arrangements made by the travel agent for any other or related travel, lodging, excursions, tours or facilities of any nature, neither we nor the operator or carrier of the river or ocean cruise vessel shall be responsible for any representation or conduct of your travel agent, including but not limited to any failure to remit your funds to us as sales agent for the particular operator or carrier, which will not relieve you of liability for payment.
