CroisiEurope takes you away for so much less yet offers so much more

As an independent, family-owned business, we are able to provide great value for money as we handle the entire operation from beginning to end: from the design and building of our ships and fleet maintenance, to creating cruise itineraries, sales and marketing and highly trained staff and crew.

This gives us the ability to manage our costs carefully and allows us to provide you with exceptional value for money. Additionally, we concentrate on things that matter most: friendly and knowledgeable staff, well-appointed, comfortable cabins, reliable and safe ships, excellent food, incredible itineraries and a delightful experience of European culture.

Each member of our crew is a highly trained professional with a passion for what they do and a commitment to excellence.

Inspired itineraries include iconic favourites, fascinating excursions with knowledgeable guides, as well as an opportunity to explore lesser known places and immerse yourself in local culture. While most of our sightseeing tours show you the must-see sights, we also offer options for our active guests.

Providing exceptional dining is our passion. Our head chef Alain Bohn, a long-time member of La Chaîne des Rôtisseurs and Maîtres Cuisiniers de France, and our onboard culinary team strives to tempt your taste buds with classical favourites and local delicacies paired with a generous selection of wines from each region the ships are sailing through.

Our Cruise Managers and on-board hosts take care of every detail.

Or simply do nothing except relax to some light music in the lounge; there's never an obligation to join in.

Life on board & Cuisine

CROISIEUROPE'S HEAD CHEF, ALAIN BOHN

French cuisine, European flair

We carefully design and plan our cuisine and menus in the pure tradition of fine French gastronomy. Each meal on your cruise will give you a delightful experience of French haute cuisine. For our gastronomic cruises, such Michelin-starred greats as Marc Haeberlin and the expert staff surrounding Paul Bocuse have been happy to join forces with CroisiEurope to take you on a memorable culinary voyage.

Since 2013, CroisiEurope's head chef, Alain Bohn, has been a member of the *Maîtres Cuisiniers de France*. This esteemed French association, created more than 50 years ago, includes only 250 chefs worldwide.

On our cruises outside of Europe, our Chefs prepare local cuisine, colorful and tasty, while adapted to Western tastes.

Cabins

After dinner, retire to your private cabin in comfort for the night: all our tastefully decorated cabins are equipped with air conditioning, central heating, shower / toilets, satellite TV, safe, hairdryer— each providing a view of the river. Some cabins have French balconies or private terraces.

Our fleet of Premium ships offer additional comfort providing more space in the cabins.

In order to satisfy the requests of our passengers, we now offer the choice between 3 categories of cabins:

Category A: premium location

Category B: intermediate location

Category C: standard location and cabin can be slightly smaller in size

This concerns all our ships except the canal barges, the ocean ship "La Belle des Océans" and the fleet of exotic river ships.

Buffet Breakfast

Your day will start with an impressive self-served buffet breakfast in the onboard restaurant, which may include pastries, coffee, tea, juice, breads, jams and jellies, a variety of sausages and cold cuts, eggs, fresh fruit and yogurt.

Want to relax: choose between lounge bar & sun deck

Why not enjoy one of our lounges? A good place to spend time socializing indoors with friends or family, or enjoy some entertainment. On board our 3-deck ships, the piano bar is the ideal place to enjoy a cocktail, choose a book from the library, listen to or play the piano.

The sun deck offers a panoramic view of the landscape's beauty as you cruise and sun loungers are available to enjoy this view. On some ships, a swimming pool or a jacuzzi are also at your disposal to relax.

Service & languages

We have a dedicated and knowledgeable staff of more than 1,300 people, whose conviviality, attentiveness and professionalism ensure that your voyage will be comfortable and pleasurable. Our staff and crews speak French, English and many of them speak other major European languages as well.

Gratuity

Tipping customs vary from country to country and culture to culture, and we understand that tipping is a way for passengers to show appreciation for services, quality and attention received during the cruise. To leave a tip, please use the envelope found in your cabin your last evening on board, and place this envelope in the specially designated box in the reception area as you disembark with the understanding that tipping is entirely at your discretion*.

Just sit down and let us take care of you

Lunch and dinner will be 3-course sit down meals prepared by our chefs. We serve a fixed menu of local specialties, prepared on a daily basis from fresh ingredients. Both lunch and dinner meals are paired with excellent complimentary wines. We do provide meals for people with food allergies or special dietary needs.

* Apart from our cruise on the Ganges for which tips are already included.

Note: Certain features may vary based on ship and destination.

After a guided tour through the museum's exhibits, enjoy some delicious Bordeaux wines* in the museum's tasting room.

MS LOIRE PRINCESSE

MEMBERS OF

Taking care of our environment

CroisiEurope's longstanding environmental position focuses on nature as our most valuable asset. We consider ourselves pioneers in our field, as our commitment to protecting the environment goes above and beyond our legal obligations. We are continually reflecting on how we can **expand our green efforts**.

After conclusive tests carried out on the Seine River with our partner AS Energy, **our ships now use GTL fuel**. Gas-to-Liquid fuels combust more uniformly and result in lower emissions.

Here are other environmental initiatives we would like to share with you:

- Installation of **water-saving devices** on our ships that reduce freshwater consumption by 35% and, as a consequence, the amount of wastewater produced.
- Installation of **wastewater evacuation systems** on our entire fleet that are emptied into wastewater treatment facilities or urban sewer systems during ports of call.
- **Installation of a wastewater recipient** connected directly to the city sewer system at the CroisiEurope dock.

- All of our ship engines (**Green Ship Label**) respect the strictest European standards against pollution to help reduce greenhouse gas emissions.
- The latest onboard technology helps **limit fuel consumption** when cruising.
- We have insulated the ventilation in our engine rooms to **reduce noise pollution**.

- For the **replacement of bath towels**, we are trying to raise our passengers' awareness using written messages and announcements.

- At ports, we systematically connect to **power supply terminals** (Powerlock connectors) whenever possible, and for our own docks, we are investing in these newer installations. In addition, most of our ships are equipped with **energy-efficient electrical devices**.
- In winter, our ships are moored at river **ports with electrical terminals** that power the vessels, which helps reduce noise and pollution.
- In Paris, we are providing excursions on **electric buses** that are quieter and pollute less, to everyone's advantage.

- All of **our waste is sorted and compacted** on board before being **recycled**.
- All food waste and biowaste are collected and **converted into biogas** by specialised companies.
- **Used engine oil is collected and transformed** by onshore specialists.
- We use **biodegradable and environmentally friendly cleaning products**.
- **Exterior paints contain no pollutants**.
- Plastic straws and cups have been replaced by **biodegradable paper**.

- Our company is affiliated with **E2F, Entreprises Fluviales de France** which brings together players in our sector to orchestrate collective actions regarding the immense challenges that lie ahead.

Once

of the best-known and most-visited châteaux in the Loire Valley, it spans the Cher River. Its architecture is a fascinating mix of late Gothic and early Renaissance. The list of aristocrats and nobles that have lived in it is astounding: Thomas Bohier, Diane de Poitiers, and Catherine de Medici, to name just a few. THE CHÂTEAUX OF THE LOIRE VALLEY

LENGTH: 11 hours

We'll leave by coach for the Azay-le-Rideau Château. Built on a small island in the middle of the Indre River, the château as

This château is a French national monument and possesses all the refinement found in the French Renaissance. We'll continue to Villandry for lunch. After lunch, enjoy a walk through the lovely gardens surrounding the château. Spread out over an impressive area, the gardens bring together aestheticism, diversity and harmony. Afterwards, we'll continue our tour and visit the Ussé Château. Rebuilt in the 15th and

16th centuries, this stronghold with fortified towers, turrets and steeples looks like something out of a fairytale. The castle is still inhabited today and takes visitors back to a time of legends and fairytales. It is thought to have inspired Charles Perrault when writing "Sleeping Beauty".

taken up its former social function. We'll continue on to the Place du Palais for our visit to the Papal Palace, the most important monument in the city. The two parts that make up the Palace were built by Pope Benedict XII and his successor Pope Clement VI. When we arrive in Beaune, we'll first visit the famous hospice, founded by Chancellor Nicolas Rolin during the extreme poverty and plague that hit the region in 1443. It remained a working hospital overseen by the Holy See up through the 20th century, with the daily activities run by nuns known as Les Soeurs Hospitalières. Now a museum, it contains over 5,000 objects, including a dazzling polyptych altarpiece of The Last Judgment by Rogier van der Weyden. The hospice is also well known for their more than 148 acres of vineyards, most of which are located in prestigious appellation areas. As anticipated, our tour will finish up with a tasting of a selection of these wines.

CLUNY ABBEY

LENGTH: 3 hours

We'll leave by coach with our guide towards Cluny Abbey. Founded in 910 by William the Pious, this ancient Benedictine abbey extended a widespread beneficence to all of medieval Europe. Its church was the largest in all of West Christianity until the construction of Saint Peter's basilica in Rome. In 1798, the abbey was sold as a national asset and thus dismantled, while its church was almost completely destroyed. Today, you can still admire their vestiges which bear witness to the past splendour of Cluny.

FOLLOWING THE FOOTSTEPS OF VAN GOGH IN ARLES

LENGTH: 2 hours

We'll leave on foot for a guided tour of Arles following the footsteps of Vincent Van Gogh. Arles is an ancient Roman city whose ruins are second only to Rome and include the Antique Theater, Amphitheater, Thermes of Constantine, and the Alyscamps. Arles is also an important stop along the Way of St. James. Vincent Van Gogh came to Arles to escape the gray winter in Paris and the indifference he felt within the artistic milieu there. He arrived in Arles on February 20, 1888, and immediately began to produce his most prolific number of works in his career: more than 300 paintings and drawings within an 18-month period. Van Gogh crisscrossed the city and its surroundings to paint the landscapes, people, and scenes as he interpreted them. Everything around him served as inspiration for his canvases. Our tour will retrace his steps to the different sites where he set up his easel, such as the Place du Forum, the Quai du Rhône, and Place Lamartine. Panels at each stop compare his painting and the actual scene as it appears today. After some free time on your own, we'll return to the ship.

Although it is still in the Burgundy region, with its unique roof tiles and brightly colored facades, Mâcon feels like it should border the Mediterranean Sea. The city has a wide range of striking monuments and beautiful, old mansions lining the streets in the older sections.

LENGTH: 4 hours

Departure by coach to discover the Beaujolais vineyards extending on 22,500 ha. We will pass through charming little wine-growing villages before reaching Romanèche-Thorins for a visit to the "Hameau Duboeuf", a unique museum in Europe containing a collection of old and rare objects from over 2,000 years of wine-growing history. We'll learn about the current wine-making and vine-growing processes when visiting the wine storehouse where the wines are left to age in oak barrels. In the midst of the Beaujolais vineyards, we will discover the skills of the winemakers through exhibitions, automated puppet theaters and 3-D films. Afterwards, immerse yourself in fine aromas and delightful scents during a walk through the surprising gardens of "Oenoparc", a true haven for wine-lovers spread out on 30,000 m² and 25 exhibition halls. Before leaving the "Hameau Duboeuf", we will, of course, enjoy a tasting* of some of the region's wines.

THE CÔTES DE PROVENCE REGION

LENGTH: 3 hours

The Côtes de Provence region is best known for its crisp rosé wines and magnificent scenery. Provence was one of the very first regions to cultivate grapevines for wine production almost 2,600 years ago. Today, vineyards extend along the coastline and deep inland. The strong mistral winds are key to its great success. We'll visit a local vineyard for a tasting*.

THE VERCORS

LENGTH: 4 hours

We'll leave by coach from La Voulte towards Die. Carved out in limestone, the Vercors Regional Nature Park extends over 186,000 ha between the Isère Valley to the north and the Diois to the south. Water has shaped deep gorges in the cliffs, majestic cirques, caves and chasms among the most famous in Europe. Wooded plateaus and valleys shaped by agriculture are home to a remarkable fauna and flora. We'll stop at the cellars of Die Jaillance to discover a true love story between man and the vine and enjoy a wine-tasting* session. Afterwards, we will continue by coach for a panoramic view of the Rousset Pass located in the heart of the Vercors and reaching an altitude of over 1,400 m. The belvedere culminates at a height of 1,245 m and from this point of view the scenery is

outstanding: arid escarpments and a road with hairpin bends down the hill, which accentuates the overall impression of depth. We'll move on towards Vassieux-en-Vercors, La Chapelle-en-Vercors and Pont-en-Royans where you'll get to see the suspended houses, whose daring architecture dates as far back as the perched village itself, built in the 15th century. Last, we'll drive through Romans-sur-Isère well known for its shoe industry.

We'll begin our visit on foot passing all the main tourist attractions of the town, including the historic monuments and shopping areas. We'll stop at the Château Museum where we'll get the opportunity to discover the permanent collection tracing the history of navigation on the Rhône River. This imposing castle was built on a high granite rock overlooking the town and was the domain of the barony of the Counts of Tournon. At the foot of the castle, enjoy a pleasant walk along the streets and alleys of the historic centre which will take you back to the Middle Ages. Our visit will end with a tasting* of regional products and wines. We'll return to the ship on foot.

CRUISE REF. LSR_AIPP.

VIENNE

LENGTH: 2 hours

Our guided walking tour of Vienne will allow us to discover a Roman city rich in vestiges. The history of Vienne goes back more than 2,000 years. The city is indivisible from the Rhône River and the surrounding hills. The Allobrogi people are thought to have made it their capital, but it was in the Roman era that the city began to prosper on both banks. You will see the Antique Theatre; built roughly between 40 and 50 AD, it is considered one of the largest in the Roman Empire, with its 130m-diameter and 13,000-spectator capacity. Restored in 1938, it was returned to its original function and is now a venue for artistic events. The tour will continue with the Temple of Augustus and Livia (exteriors only). This temple dedicated to Rome and Augustus stood in a sacred area on the forum and has carried this name since the end of the 18th century. Its construction began about 20-10 BC; it was later transformed at the beginning of the Middle Ages into a church, and was finally restored in the second half of the 19th century thanks to the intervention of Prosper Mérimée. Finally, to complete the tour, you will see the Cathedral of St Maurice (exteriors only), which has been listed as a historic monument since 1840.

CRUISE REF. LLY_AIPP / LSR_AIPP.

VIVIERS

LENGTH: 2 hours

We'll leave on foot for our guided tour of Viviers. The third largest protected sector in the Rhône Alpes region and residence of bishops since the 5th century, Viviers, a small town with a population of 3,500 is like an open-air museum where every stone contains a page of history. You will be able to admire France's smallest Cathedral in this sumptuous medieval town. Among other things you will see the House of Knights with its superb Renaissance façade, the Tower of St Michael, the great seminary and the Belvedere with an unobstructed view of Viviers at night.

We will reach the Autostadt either on foot - a 5 min walk crossing a bridge over the Mittellandkanal - or by coach, depending on mooring and sailing conditions. We'll meet up with our guides in the entrance hall or Piazza, and start off with a visit of the Forum, an area dedicated to road safety and new energies. We'll then move on to the "ZeitHaus", the automobile museum with educational areas. Our tour will end with a visit to the Customer Center located right next to the Car Towers where customers who have ordered Volkswagens are welcome to collect them. We'll still have some free time to visit the Brand Pavilions carrying such names as Audi, Lamborghini, Skoda and more. Why not try your hand on some driving simulators or a Volkswagen SUV on rough terrain? Return on board by coach in Sülfeld/Fallersleben or on foot in Wolfsburg.

The tour does not include a visit of the production line. Passengers would have to plan their visit during their free time. Commentaries on the tourist train are provided in German.

TRIER

LENGTH: 3.25 hours

We'll set off for a panoramic coach tour of Trier followed by a tour on foot. We'll get to explore the Roman cultural heritage of the city with a splendid view over the Moselle and its magnificent countryside. Trier is the oldest of German cities, founded so long ago that it is 13 years older than Rome. We'll discover the Amphitheatre (exteriors only), the Imperial Baths, the Basilica of Constantine and the famous Porta Nigra. Afterwards, we'll stroll around the city centre and admire the outside of St Peter's Cathedral. You'll also be able to enjoy the atmosphere on the Hauptmarkt - the Main Market square. Highly Baroque and located at the heart of the town, its mixture of styles will enchant you.

VOLENDAM AND ZAAANSE SCHANS

LENGTH: 4 hours

We'll leave by coach for Volendam, a charming village that has preserved its character for over six centuries thanks to the tough vitality of its fishermen. We'll visit a cheese factory in the area to discover how the famous Gouda cheese is made. We'll then head to Zaanse Schans, an open air museum with wooden windmills, barns, and houses. Don't miss the small but impressive clog museum that features one of the largest and most attractive collections of wooden shoes in the Netherlands. Take advantage of some free time before returning to the ship.

Lutherstadt Wittenberg is the home town of Dr. Martin Luther, the Great Reformer, and the city is affectionately known as the "Cradle of the Reformation". You'll discover the city centre and its noble Renaissance-style houses. Everywhere you turn, there's a spot associated with Martin Luther's life, and various sites throughout the city were added to the UNESCO World Heritage List in 1996. We'll visit Luther's house. Part of the Augustinian monastery in which Luther lived is preserved and considered to be the world's premier museum dedicated to Luther, including a permanent exhibition about the time of the Reformation.

In case the Luther House isn't open for visits, we'll take a tour of the Melanchthon House instead.

BIKING THROUGH THE POLDERS

LENGTH: 3.5 hours

Take a bike tour of Hoorn and its surroundings. Located on the banks of the IJsselmeer, Hoorn was one of the important Dutch East India Company towns in 17th century Holland. Hundreds of merchant ships left Hoorn to sail across the world and return loaded with merchandise, especially spices such as peppercorn, nutmeg, clove and mace. Our guide will explain the city's celebrated past in detail. The outskirts of Hoorn itself are dotted with biking and walking paths that cross the superb polders, following the river dykes and passing by old villages and the ancient Westfriese Omringdijk—an almost 800-year-old dyke. The Beemster polder, the first in the Netherlands and listed as a UNESCO World Heritage Site, is a masterpiece of creative planning and a superb example of the conflict the inhabitants have waged with water in this area. You'll get to see old windmills.

Attention: children are under the responsibility of their parents and must be autonomous by bike.

FRANKFURT, MAINHATTAN AND THE MAIN TOWER

LENGTH: 3 hours

Frankfurt is the largest financial centre in continental Europe, earning it the nickname "Mainhattan". During a panoramic tour of the city, you'll be able to admire the huge skyscrapers housing the headquarters of many international banks which create the city's famous skyline. We'll ascend the Main Tower, the most well-known skyscraper in the city, built entirely with a blue glass exterior. From over 656 ft. up, you'll be able to take in the glorious views of the city spread out below.

HIKING THROUGH THE VINEYARDS IN RÜDESHEIM

LENGTH: 3.5 hours

We'll go to the centre of Rüdesheim to catch a gondola lift to the Niederwalddenkmal, a monument built in the 19th century to commemorate the first unification of Germany. From there, you'll have a great view of the city, the vineyards and the Rhine. We'll hike through the vineyards to the Abbey of St. Hildegard, built in the early 20th century. You'll have some free time to explore the abbey before we return to the ship through the vineyards once more.

PANORAMIC HIKING IN COCHEM

LENGTH: 2 hours

We'll depart on foot for a walk along the Moselle before crossing the bridge leading to the old town of Cochem. You'll get to

admire the picturesque streets lined with half-timbered houses, St Martin's Church, the Capuchin Monastery and Church and the marketplace. Our path will then lead us outside the town through a wild natural reserve all the way to Cochem Castle (Reichsburg) which overlooks the whole town. From there, we'll encounter gorgeous views over Cochem and the Moselle. We'll pass by the "Tummelchen" area, offering a view on the castle, before returning to our ship via the upper part of town.

PORSCHE MUSEUM

LENGTH: 3 hours

The Porsche museum began as a modest structure in the 1970s that could hold about 20 exhibits. Today's modern building holds over 80 exhibits of rare cars and historic models from the Porsche Dynasty. Learn about the company's founder, Ferdinand Porsche, and its past-to-present vehicles. The museum itself is a classy contrast of black and white that accents the vibrant colors of the cars. In addition to its emblematic models such as the 356, 550, 911, and 917, you'll discover some of the unfinished technical designs from Ferdinand Porsche.

CRUISE REF. SGN_AIPP / SNG_AIPP.

TECHNIK MUSEUM SINSHEIM

LENGTH: 4 hours

The Technik Museum Sinsheim opened in 1981. The museum's featured exhibits are an extraordinary collection of vehicles and aircraft, including an Air France Concorde and the Sovietera Tupolev Tu-144. This unguided visit lets you take in the wonders at your own pace. Don't miss the 300 vintage cars and the Formula 1 collection. Other fascinating pieces include military tanks and equipment and mechanical organs.

OFF THE BEATEN PATH IN BUDAPEST

LENGTH: 4 hours

We'll leave by coach for the Budapest Labyrinth, heading over the Elizabeth Bridge to Castle Hill. Located deep underground, the labyrinth has had several uses since the Middle Ages—refuge, hermitage, and prison. Within its serpentine corridors and vaulted-ceiling halls, you'll discover Gothic and Renaissance-style stone monuments as well as Turkish tombs. Relive the times of famous Hungarian figures—from Saint Stephen to King Matthias. The exhibitions within the grottoes present stories from photographers and adventurers about the most beautiful grottoes in the world. We'll then head over to the House of Houdini, close to Disz Square. This humble two-story home is a magnificent homage to the greatest escape artist, Harry Houdini, born in Budapest in 1874. Among the displayed objects you'll discover are Houdini's keys and handcuffs, old posters for his shows, and several props from the miniseries Houdini, starring Adrien Brody. The highlight of the visit is a live magic show. We'll finish up our excursion with a tasting of Hungarian products.

OSIJEK BY BIKE

LENGTH: 2 hours

Discover the fourth largest city in Croatia from the seat of a bike! The old part of the town, Tvrdja, was built at the beginning of the 18th century and is a dream to cycle through. We'll return through several of the city's parks and a main avenue boarded by beautiful Art Nouveau buildings. Our tour will finish up in front of the cathedral before returning to the ship.

Attention: children are under the responsibility of their parents and must be autonomous by bike.

THE HIGH ART OF VIENNESE LIVING: MUSIC AND VIENNESE CAFES

LENGTH: 4 hours

Our guide will meet us at the ship, where we'll set off on foot for the subway station to discover the high art of Viennese living. We'll stroll through the city and visit back stage in the Konzerthaus concert hall, which has the Vienna Symphony, Vienna Chamber Orchestra, Wiener Singakademie and Klangforum Wien in residence. We'll tour the prominent institution that features about 750 events per year with our guide who will explain the hall's history. We'll head back stage where we might be able to catch a glimpse of a performer or two! After our tour, relax in one of the local cafés and enjoy a steaming cup of Vienna Coffee and a delicious pastry. After our tour, we'll return to the ship on the subway.

CÓRDOBA (FULL DAY)

LENGTH: 10 hours

We'll leave by coach from Seville for our tour of Córdoba. Córdoba's golden era started in the 8th century when it was conquered by the Moors who built about 300 mosques and countless palaces and public buildings. In the 13th century under the reign of Fernando III the Saint, the Great Mosque of Córdoba was transformed into a cathedral and new defensive structures were built, including the Alcazar de los Reyes Cristianos and the Calahorra Tower. After lunch in a restaurant, enjoy some free time in the city.

FLAMENCO EVENING

LENGTH: 2.5 hours

After dinner, departure on foot for a Flamenco evening. Flamenco (cante flamenco) is an art created by the Gypsy and Andalusian peoples based on popular folklore born from the various cultures which flourished throughout the centuries in Spain. Originally, Flamenco was simply a capella vocals (cante). Its first genre, la toná, was forged in the geographical triangle formed by Triana, Jerez and Cadiz. Only later did the hand-clapping (palmas), the dancing (el baile) and the guitar (toque) appear. Dancing and guitar can now often be found alone, although vocals are still considered at the heart of the tradition. More recently, instruments such as the cajón (a percussion instrument from Peru), the palillos (castanets), and the bass

guitar were added. Immerse yourself in the most famous Spanish tradition, this mixture of vocals, guitar and dance in which Arab, Oriental and Gypsy influences mingle. Return to the boat.

GRANADA (FULL DAY)

LENGTH: 14.5 hours

We'll leave by coach for Granada. Located at the foot of the Sierra Nevada and at the confluence of three rivers, Granada was the capital of the last Islamic kingdom in the Iberian Peninsula. We'll start off at the Alhambra, literally "the red", reflecting the colour of the walls at sunset. It is one of the major monuments of Islamic architecture and the most majestic mediaeval fortress in the Mediterranean. Along with the Great Mosque of Córdoba, it is the most impressive evidence of the Islamic presence in Spain from the 8th to the 15th centuries. The tour continues with a visit to the Generalife, and its marvelous 14th century gardens, where water was harnessed to refresh every courtyard and garden. We'll enjoy lunch at a restaurant downtown. In the afternoon, you'll be able to enjoy the delights of Granada at your own pace.

SEVILLE AND THE ALCÁZAR PALACE

LENGTH: 4.5 hours

We'll leave by coach for our guided tour of Seville, beginning with the Plaza de España - a majestic crescent-shaped complex arranged around a central square. The complex faces the Guadalquivir, signifying the prosperous trading route towards the Atlantic Ocean and the Americas. We'll continue on to Santa Cruz, the most picturesque and delightful part of the city with narrow, winding cobbled streets and whitewashed houses. This former Jewish quarter remains part of the historical centre of the city and contains many renowned monuments. A chapel was built in the 1400s by Venetian boat crews and the irregular, fortified castle found on the site now was built in 1706. It defended the northern section of the city from attack. Because of its unique shape and décor, it has served as backdrop for many films. We'll return via the city's historic centre and authentic neighbourhoods, admiring the elegant homes painted in glorious pastel colours and decked out with ironwork balconies. Enjoy tastings of local products along your walk.

Inside the small whitewashed church, you'll find the island's most sacred icon, the Virgin Mary of the Snows, the patron saint of the island. Travelling through the mountain roads, which offer spectacular views, you'll arrive at La Caldera de Taburiente. Next, it's time to sample some local refreshments in a traditional 17th century farm, set in beautiful gardens with breathtaking views. THE SECRETS OF FUERTEVENTURA

LENGTH: 4 hours

We'll begin towards the northern part of the island at the Finca Torres, where we'll discover how local goat cheese is made. We'll then continue on to the small village of Tiscamanita to visit a cosmetics producer who uses aloe vera, one of the most prominent crops on the island. You'll learn everything you'll need to know about this surprising plant. Lastly, we'll experience Betancuria, the island's first colony and former capital. French explorer Jean de Béthencourt founded Betancuria at the beginning of the 15th century. He chose the area within the valley to be protected from pirate attacks. Despite his strategy, pirates razed the village in 1593.

TIMANFAYA NATIONAL PARK

LENGTH: 4.5 hours

Timanfaya National Park, which occupies 25% of the island, is an amazingly surreal place to visit. The Fire Mountains in the park possess a singular beauty. Before the eruptions, this area contained vast, fertile grounds. Today, the zone is covered with lava, ash, and dust. We'll enjoy a panoramic tour of the park to see as much of the changing landscape as possible before reaching the Islote de Hilario. Here, we'll take part in geothermic demonstrations and learn about the immeasurable energy stored within the earth. After, we'll hit the Volcano Route on our return and cross through Geria, which contains thousands of semicircle stone-and-rock vineyards patiently built by winegrowers over the years.

CLASSIC EXCURSIONS

AJACCIO AND THE ÎLES SANGUINAIRES

LENGTH: 4 hours

We'll leave by coach for a panoramic tour of Ajaccio, Corsica's main commercial and cultural hub. You'll take in the city's main sites including the bronze monument to Napoleon and his brothers, and the Place d'Austerlitz, where legend has Napoleon visiting often as a child to see the statues of the glorious soldiers in battle. We'll continue on to the Îles Sanguinaires along the winding, coastal roads bordering the wild crags before arriving at the Pointe de la Parata. A path takes you to the splendid view from the site. From here, you can see the archipelago of four Natura 2000-classified islands. They are an integral part of the natural and cultural heritage found not only in Ajaccio but across the whole island. After our tour, we'll return on board.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

BOAT TRIP TO THE LAVEZZI ISLANDS

LENGTH: 3 hours

The best times in Bonifacio are spent on the sea. A scenic boat tour will take you along the cliffs and grottoes to the Lavezzi Islands. We'll head to the boat on foot, and then enjoy a guided tour of the Lavezzi Islands Nature Reserve, a small archipelago of granite islands and reefs in the Strait of Bonifacio that separates Corsica from Sardinia. We'll return to the port in Bonifacio and to our ship on foot.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

BONIFACIO

LENGTH: 3 hours

Our first visit will begin with a tourist-train tour of the city, a veritable open-air museum. Bonifacio is rich with a history told along its small streets and paths, its thousand-year old fortress, and the sturdy stone homes perched high above the sea waves. We'll take a tour on foot of

the citadel, whose walls fully encircle the old town. There are some stunning views from the Montee St-Roch steps, including the impressive Grain de Sable limestone sea stack. Enjoy some free time before we return on board.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

CALANQUES DE PIANA AND PORTO

LENGTH: 9 hours

Join us for an amazing full-day excursion to the red rocks and gorgeous waters at the Calanques de Piana. The sheer heights of the cliffs and beautiful, time-sculpted stone are just many of the wonderful sights within this UNESCO World Heritage Site. Our tour includes the small, remote port town of Porto. We'll jump on a local boat that will take us to Cap Rosso, where we'll get a closer look at the seaside escarpments and caves lining the gulf coast. We'll return to Ajaccio by coach.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

CALVI

LENGTH: 4 hours

We'll leave for Notre Dame de la Serra to enjoy some of the best views on the island. We'll then head to the citadel. Crowning a lofty promontory, Calvi's massive fortified citadel offers superb wraparound views from its five watch towers. On foot, we'll discover historical sites such as the Oratory of Saint Antoine and the Caserne Sampiero, military barracks that once served as the Genovese seat of power but now serve as a base for the French Foreign Legion. We'll then tour the St. John the Baptist Cathedral, home to a number of beautiful works of art such as The Christ of Miracles. Before returning to the ship, don't miss a visit to the Salt Tower. Serving as storage for the salt that the ships brought in, this round tower was originally a watch tower.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

PORTO VECCHIO

LENGTH: 4 hours

Porto Vecchio is cut in half. Its quaint streets and castle ruins occupy the upper city, while the lower city sports more modern architecture. We'll take a coach to the historical heart of the city, and enjoy a tour on foot of its main attractions. Now a hub for vacationing celebrities, it has retained its charm of yesteryear. Porto Vecchio offers visitors a unique mix of both idyllic beaches along Corsica's southern coast and breathtaking mountain scenery. We'll return on board our ship.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

THE CAP CORSE

LENGTH: 9.5 hours

The Cap Corse is the northern-most peninsula on the island. Its long, windy road traverses the wild coastline offering view after view of amazing scenery: high cliffs, enchanted castle ruins, and picturesque villages. Leaving from Bastia, we'll begin our journey in Erbalunga, an adorable fishing village. We'll continue on to Santa Severa, a lovely port, the typical village of Luri (where we'll stop for 15 minutes), the Santa Lucia Pass, and the beautiful grove-lined village of Pino. We'll have lunch in Nonza (or the surrounding area), located on a high cliff overlooking the sea. After lunch, we'll continue on towards Saint-Florent. Located on a small promontory with a backdrop of mountains, the climate, nearby beaches, and scenery make Saint-Florent a popular resort and tourist destination. We'll then head to Patrimonio, the well-known wine making region near the cape. Here, we'll enjoy a tasting of wine, cheese and local cold cuts. After our tour, we'll return to the ship in Bastia.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

**THE VILLAGES
IN THE BALAGNE REGION**

LENGTH: 4 hours

We'll set off for a tour of villages in the Balagne Region. Each village has a story to tell about its culture and traditions. Discover a world of Corsican traditions, including the stonewash houses, fountains and the sacred churches that bind the communities together. We'll visit picturesque Calenzana, where you'll think you are in another era. We'll then head on to Montemaggiore, at the foot of the Monte Grosso mountains, for a quick photo op. This lovely cliffside village has a gorgeous view of the exceptional scenery. Afterwards, we'll pass through Sant'Antonino, sometimes referred to as the "Eagles Nest" because of its dramatic situation clinging to the top of a hill, and the timeworn village of Aregno, surrounded by orange, lemon and olive groves. Our next stop will be Île Rousse. Overlooking the most beautiful Mediterranean bays, Île Rousse is a lively resort town.

CRUISE REF. NAO_AIPP / NAO_RAIPP.

"VIEUX NICE"

LENGTH: 2.5 hours

After boarding our coach in Nice, we'll drive to our first stop overlooking the city: Mont Boron. The hill is an excellent lookout from where the city of Nice and the neighboring bay of Villefranche sur Mer are perfectly visible. We'll continue on to the Promenade des Anglais, the famous avenue traveling along the must-see Bay of Angels. We'll stop near the Russian Orthodox Church to snap some photos, and then head by coach to the Franciscan Church and Monastery of Nice in the Cimiez district. Henri Matisse, Raoul Dufy and Roger Martin du Gard are buried in the church cemetery. We'll finish up our tour by exploring "Vieux Nice", considered the heart of the city. You'll be able to stroll through its small streets - discovering the ambiance of this picturesque and colorful neighborhood that is as lively during the day as it is at night. This is where old French ladies at the boulangerie still gossip together, and where the local festivals and processions are taken very seriously. After our tour, we'll return to the ship by coach.

CRUISE REF. NAO_AIPP.

SAINT-FLORENT, FREE TIME IN THE CITY

LENGTH: 8 hours

Saint-Florent is tucked between Cap Corse and the Balagne Region, where the only desert in Europe is found. This ancient Genoese city sits on one of the most beautiful gulfs in the Mediterranean. Today, it is known playfully as the Corsican Saint-Tropez. Take advantage of a full day in Saint-Florent to stroll through the labyrinth of streets and small squares lined with stone homes and oleander bushes. The cathedral and the citadel are definitely worth the detour, as is the lively harbor front. You'll be on your own for lunch.

After our stirring visit to this important historical site, we will continue to the Dead Sea for lunch and an afternoon at the side of the pool or in the sea's beneficial waters and muds.

CRUISE REF. LIK_AIPP.

MEDIEVAL BYZANTINE CASTLE OF LIMASSOL

The Venetians demolished it, the Ottomans turned it into a military building and the British used it as a colonial prison. Today it houses the medieval museum of Cyprus, with exhibits such as Ottoman pottery, medieval armor and everyday objects from the Byzantine era. The reception hall of the castle was where Richard the Lionheart, king of England, married Berangaria of Navarre in 1191. In addition, he proclaimed himself to be the king of Cyprus in this very hall and made his wife the queen of England. There will then be some free time in the old town. CLASSIC EXCURSIONS

BERAT AND APOLLONIA

LENGTH: 10 hours (4.5-hour transfer)

Berat is one of the highlights when visiting Albania, whose most striking feature is the white houses climbing up the hill to its castle. The centre of Berat is listed as a UNESCO World Heritage Site and contains rare examples of Ottoman-style architecture. The old quarter contains lovely ensembles of whitewashed walls, tiled roofs and cobblestone roads. We'll enjoy lunch during our excursion and then continue on to the largest archaeological site in Albania: Apollonia. Apollonia was founded in 588 BC by Greek colonists from Corfu and Corinth. The city flourished during Roman rule and was home to a renowned school of philosophy. Julius Caesar rewarded Apollonia with the status of "free city" for supporting him during the Great Roman Civil War. The future Emperor Augustus completed his studies here.

CRUISE REF. DCA_AIPP / DCA_RAIPP.

BUTRINT

LENGTH: 4 hours (1.70-hour transfer)

For this excursion, we'll leave Saranda and head inland, crossing the Bistricë River and the vast Vrina Plain before arriving at the salt lagoon known as Lake Butrint. We'll visit the UNESCO World Heritage site of Butrint, once part of the Greek and Roman colonies. Inhabited since prehistoric times, the city experienced a great period of prosperity under Byzantine rule. The first modern archaeological excavations began in 1928 when Benito Mussolini sent an expedition to extend Italian dominance into the area. The excavations, which continued through 1943, uncovered the Hellenistic and Roman part of the ancient city including the "Lion Gate" and the "Scaean Gate". The major ruin from the paleo-Christian era is the baptistery, an ancient Roman monument adapted to the cultural needs of Christianity.

CRUISE REF. DCA_AIPP / DCA_RAIPP.

CORFU AND ACHILLEION

LENGTH: 3.5 hours

We'll depart by coach with our guides to visit the sights of the island of Corfu. First

of all you will visit the Achilleion Palace, built between 1889 and 1891 following the orders of Empress Elisabeth (better known as "Sissi") in honor of her favorite Greek hero, Achilles. The visit will continue by coach through the Kanoni peninsula, an extraordinarily beautiful site. You will be able to admire an unforgettable view where all the shades of blue and green mingle, in the sky, the sea and the nature of Corfu. Off the coast of Kanoni is an island on which stands the Vlacherna monastery and the famous Pontikonissi Island (Mouse Island), with the Church of Pantokrator. The visit will end with a walking tour down the winding streets in the island's capital, Corfu City, whose Old Town developed in a confined space, between two fortresses and encircled by ramparts. You will visit St Spyridon church, the city's most famous monument built at the end of the 16th century and whose interior will stun you with the splendor of its Byzantine icons.

CRUISE REF. DCA_AIPP / DCA_RAIPP.

DUBROVNIK

LENGTH: 3.75 hours

We'll visit the Dominican Friary, its lovely Gothic cloister, and its extraordinary museum of religious art - with several valuable paintings, including a triptych by Nikola Bozidarevic depicting Dubrovnik before the great earthquake of 1667. We'll then see the Rector's Palace, once the seat of the government and now a museum housing furniture, portraits, coats of arms, paintings, coins, and the original keys to the city gates. We'll also visit the cathedral which keeps in its core gold and silver reliquaries as well as paintings from Titian's workshop, before moving on to the Onofrio Fountains and Sponza Palace, a superb Gothic-Renaissance structure.

CRUISE REF. DCA_AIPP / DCA_RAIPP.

GJIROKASTËR

LENGTH: 5 hours (3-hour transfer)

Join us for an excursion to Gjirokastrë, one of the most beautiful sites in Albania. Its castle, which is undoubtedly one of the most magnificent structures in Gjirokastrë, sits on a rocky bluff with the city stretching

out around it. This "City of Stone" is also comprised of hundreds of Ottoman-style tower homes with distinctive stone roofs, wooden balconies, and whitewashed stone walls. We'll visit the castle and the National Museum of Armaments located inside, which houses various arms from the neolithic period to World War II. We'll also enjoy a tasting of some local products.

CRUISE REF. DCA_AIPP / DCA_RAIPP.

STARI BAR

LENGTH: 3 hours

Stari Bar, meaning "Old Bar," is located a few miles from the newer city of Bar at the foot of Mount Rumija. Although Stari Bar was abandoned after the 1979 earthquake because the aqueduct that supplied water to the town was damaged, it was restored some years later and the population began to return. The walls along Stari Bar contain some fascinating ruins, including the foundations of St. George Cathedral, the Church of St. John, and the Church of St. Verenada. Enjoy some free time to stroll about the town on your own.

CRUISE REF. DCA_AIPP / DCA_RAIPP.

TIRANA

LENGTH: 5 hours (3-hour transfer)

We'll hit the road for Tirana. We'll first visit the National History Museum, which takes you chronologically from ancient Illyria to the post-communist era. After our visit, we'll set out on foot for Skanderbeg Square, the city centre surrounded by important government buildings, as well as the historic Et'hem Bey Mosque (the mosque is currently closed for renovations; the initial visit to this site will be replaced by a tour of the Blloku area). Once the area where the communist elite resided, it is now an upscale location for dining, shopping, and entertainment. Blloku is also well-known for its colorful, sometimes garish facades that contrast with the gray Soviet-era buildings. The simple, three-story former residence of Enver Haili Hoxha, head of Albania for over 40 years, can still be seen on Ismail Qemali Street.

CLASSIC EXCURSIONS

SAINT CATHERINE'S EASTERN ORTHODOX MONASTERY

LENGTH: 9.5 hours

We'll leave early in the morning for a visit to one of the most important Christian sites in the area, Saint Catherine's Monastery. The age-old monastery sits where the Church believes God revealed himself to Moses as a burning bush and where Moses later received the Ten Commandments. Catherine of Alexandria was an educated woman who converted to Christianity at 14. Roman Emperor Maxentius put her to death just four years later. Our visit begins at the magnificent art-filled Basilica of the Transfiguration and includes the site of the original Chapel of the Holy Bush, the stunning gallery of icons, and the Well of Moses. We'll enjoy lunch at a restaurant and return to Sharm El-Sheikh by coach.

Egyptian authorities may decide unexpectedly to limit access to Sinai.

CRUISE REF. SAQ_PP.

PETRA

LENGTH: 10 hours

Petra is unquestionably one of the greatest marvels ever sculpted by both Mother Nature and humankind. The area was settled as early as 7000 BC. Petra is also known as the "Red Rose City" because of the stone from which it is carved. We'll visit this incredible UNESCO World Heritage Site to take in its ancient wonders hidden within the mountains that have protected them for so long. From the dramatic, narrow passage known as the Siq to Al Khazneh, its most elaborate ruin, this excursion to one of the Seven Modern Wonders of the World will take your breath away. We'll have lunch in a local restaurant. This excursion requires physical efforts, including walking long distances on uneven and steep terrain.

Lunch included. Approx. 4 hours round trip travel time.

CRUISE REF. SAQ_AIPP.

THE SEAFLOOR IN NAAMA BAY

LENGTH: 2.5 hours

We'll set out from the harbor in Sharm El-Sheikh for the magnificent seaside area of Naama Bay, an enormous natural inlet known for its beautiful diving sites. The golden sand beaches lined with palm trees are the ideal place to relax,

sunbathe, swim, or just veg out. You'll begin this excursion at the Hilton Resort, where you'll board a glass-bottom boat and cast off to observe the beautiful marine life found in the Red Sea. You'll have a great view of the coral reefs and tropical fish of all sizes while the ship's captain talks about each species and the environment you see under your feet. From the top deck, you can take in the magnificent views of Naama Bay and mountains that surround the station as you enjoy a refreshing drink.

CRUISE REF. SAQ_AIPP.

THE VALLEY OF THE KINGS AND THE KARNAK TEMPLE COMPLEX

LENGTH: 15 hours

We'll leave for a full-day excursion to Thebes, the ancient capital of the Pharaohs. You'll discover Luxor and the Valley of the Kings. The Valley of the Kings is one of ancient Egypt's top tourist destinations. Located in a deep valley just 2 km from the edge of the plain, the site contains over sixty tombs. Only the openings dotting the face of the cliff remain as tell-tale signs of the tombs below. This valley is one of the main complexes of the Ancient Theban Necropolis, located on the left bank of the Nile, directly across from the city of Luxor. It was here, in this setting, that the Pharaohs awaited immortality in their sarcophagi. Further along, dominating the eastern bank, the 18-meter-high Colossi of Memnon—faceless effigies sitting on a throne—are the ruins of the mortuary temple of Amenhotep III. Our afternoon will be spent visiting the Karnak Temple Complex. Connected to Luxor by a corridor of ram-headed sphinxes, this grandiose site dedicated to the god Amun, was continuously expanded for 1500 years. At the heart of this site stands the colossal Precinct of Amun-Re, enclosing a sacred lake that was used by priests in a purification ceremony before performing rituals in the temple. An important place of worship, it contains the Great Hypostyle Hall, a spectacular forest of gigantic columns. This historically significant complex is breathtakingly beautiful.

Lunch included. Approx. 9 hours round trip travel time.

CRUISE REF. SAQ_AIPP.

THE WADI RUM DESERT

LENGTH: 5 hours

We'll set out in Jeeps to cross the magnificent desert, also known as the Valley of the Moon. Its vibrant red earth and stunning rock formations make it one of Jordan's most extraordinary sites. Follow the footsteps of T.E. Lawrence and fall in love with the area as he did. Geologists think that Wadi Rum was formed from a strong push from underground, which caused a large fissure in the surface. As a result, the rock formations provide some of the best photo ops found on the planet. Some wind-brushed mountain peaks reach over 6,000 feet. Deep canyons and sand dunes add to the mystique. Large caravans of merchants and wares traveling between the various territories once crossed this desert. Today, a few hundred Bedouins still call the area home. Their hospitality is second to none, and they have adopted a humanistic and green approach to tourism in their homeland.

Our excursions

Core program

Included

JOHANNESBURG

We'll have lunch before visiting the Apartheid Museum which opened in 2001. It is famous the world over for being the first museum centering on South African history in the 20th century, and more particularly on Apartheid. Afterwards, we'll set off for a panoramic tour of the city. In addition to being South Africa's financial capital, Johannesburg is also the city of superlatives. It is indeed the richest town in Africa, with the tallest buildings and widest social discrepancies, but is also infused with one of the best atmospheres you'll ever come across. We'll be transferred at our five-star hotel LS where you'll be welcome to

settle into your rooms before dinner. You'll spend the night at the hotel.

SAFARIS

We'll explore the local fauna and flora in small groups on board small motor boats or Jeeps. Elephants, giraffes, Cape buffalos and impalas are only but a few of the wild animals you may get to see in your surroundings. Each season brings its own particularities and allows for unique and up-close experiences with wildlife.

IMPALILA ISLAND

One morning will be dedicated to discovering the culture and traditions of the area. We'll visit rebuilt traditional villages, an opportunity to learn more about the Namibian houses, the everyday life and living together of the indigenous population and more.

VICTORIA FALLS

We'll leave for a tour on foot of the falls in Zimbabwe, where the views are among the most exceptional in the world. We'll also see where the Zambezi River plunges over the cliff to become the widest waterfall in the world, creating the "smoke that thunders". Enjoy dinner and spend the night at a four-star hotel LS.

Optional

HELICOPTER RIDE OVER VICTORIA FALLS (12mn)

Soar over Victoria Falls in a helicopter for spectacular views over this true wonder of nature known as the "Smoke That Thunders" (in "high water" season). You'll also get to see from above where the Zambezi

River plunges over the cliff to become the widest waterfall in the world, as well as the city of Victoria Falls and the surrounding nature.

Extended stay

CAPE TOWN

We'll leave on a panoramic tour of the city. Cape Town is a meticulously preserved city with modern towers in the centre, cobblestone roads and a bounty of historical monuments. We'll then take the Table Mountain Cableway to soak up the 360-degree views of Table Bay and the nearby peaks of the surrounding mountains (if the weather allows it). We'll have dinner and spend the night at our 4-star hotel LS.

However, it is strongly recommended you ensure your vaccines for the following diseases are up-to-date: tetanus, polio, hepatitis A and B, diphtheria and typhoid. We also recommend consulting with your general practitioner regarding an antimalarial treatment and a yellow fever vaccine. Vaccines for rubella, mumps, measles are recommended for minors. As a general rule, we strongly recommend consulting with your general practitioner about any health concerns before your departure.

It is not recommended that you drink tap water, and prefer to drink bottled mineral water only (watch the seal being broken before accepting the bottle) and tea. It is important that you bring with you any of your usual medication (aspirin, anti-diarrhea tablets, etc.).

CLIMATE

In Johannesburg, temperatures are never excessive due to its altitude (1,752m/5,751ft.). Winters (May to September) are dry and sunny with cold nights, but the days are usually very pleasant. Summers (October to April) are hot during the day with thunderstorms in the afternoon or evening, and nights are cool. In the Kasane, Lake Kariba and Victoria Falls areas, the climate is semi-arid. Winters (May to October) are the dry season; days are hot and sunny, and nights are cool or even cold. Summers (November to April) can be rainy and temperatures are hot.

ROBBEN ISLAND AND GROOT CONSTANTIA WINE ESTATE

Robben Island is a place that needs no introduction with regards to its significance in South Africa's and indeed the world's history. We'll have a guided tour of the island and its cells. We'll return to Cape Town for lunch on the waterfront. Afterwards, we'll visit the Groot Constantia estate, considered the oldest vineyard in South Africa. For the past 300 years, agricultural activities at Groot Constantia have focused on wine making, and the Constantia wines have become renowned throughout Europe. We'll visit the cellar followed by a tasting*. We'll have dinner and spend the night at the hotel.

THE CAPE PENINSULA

We'll set out for the legendary Cape of Good Hope Peninsula. We'll ride along Chapman's Peak Drive, located on the Atlantic coast of the southwestern tip of South Africa. The narrow stretch of land, dotted with beautiful valleys, bays and beaches, contains a mix of extraordinarily diverse and unique fauna and flora. We'll take the famous Flying Dutchman funicular to the summit to see the old lighthouse and relish the panoramic views. We'll have lunch before discovering the penguin colony near Simon's Town. Once called Jackass Penguins, they are famous for their hilarious braying call. We'll have dinner and spend the night at the hotel.

* Alcohol can be dangerous to your health. Please drink in moderation.

Cape Town enjoys a Mediterranean climate. Winters (May to August) are mild (16°C/62°F) and summers (September to April) are warm and dry, with temperatures averaging 28°C/82°F.

Our excursions

Core program

SIEM REAP

• The Beng Mealea Temple

Isolated from the touristy spots, it is one of the few temples to have remained intact since it was first discovered. Built between 1112 and 1152, it is said to have served as an inspiration for the construction of the Angkor Wat temple complex.

• The Jewels of Angkor

We'll leave for an early visit of Ta Prohm, an 1186 Cambodian temple dedicated to the family of Jayavarman VII. We'll then explore Angkor Thom, a vast architectural complex which can be accessed through five gates. At its centre is the monumental temple of Bayon—famous for its towers and 172 faces of Avalokitesvara.

Stroll through the grounds of the former Royal Palace. Discover the Terrace of the Elephants and the Terrace of the Leper King. After lunch in town, we'll visit the Senteurs d'Angkor: a diverse collection of silk and carvings, as well as a superb range of traditional beauty products and spices, all made locally. We'll also visit the silk weaving workshops and discover the traditional weaving techniques that are still being used today.

• Angkor Wat temple complex

The epitome of Khmer architectural art, Angkor Wat is the largest religious monument in the world and an architectural masterpiece.

KAMPONG CHHNANG

Kampong Chhnang is one of the largest fishing ports. The region is best known for its particularly archaic pottery that can be

found throughout the country. We'll taste some of the local products.

KAMPONG TRALACH, KOH CHEN AND TUK-TUK TOUR IN PHNOM PENH

We will set out to visit the beautiful Vihara at the Wat Kampong Tralach Leu pagoda. To access the pagoda we need to cross the village of Kampong Tralach in ox carts. The Vihara was built at the beginning of the last century and still has its splendid murals. Totally hidden among the rice fields, it's a little-visited, modest pagoda whose complete isolation makes the site even more fascinating. After our excursion, we'll return on board and cast off as you sit down to lunch. Once we arrive in Koh Chen, you can explore this small village where craftspeople specialize in silver and copper work and where ornaments used in traditional ceremonies at the

pagoda or for marriages are fashioned. After returning on board, we'll spend the afternoon cruising towards Phnom Penh, arriving in the early evening. Enjoy a brief tour of the area by "tuk-tuk," the easiest way to get around the city. We'll return to the ship and enjoy a performance of classical Khmer dancing and music.

PHNOM PENH

Founded in 1434, Phnom Penh still retains a good deal of its charm from the French colonial period. We'll enjoy a tour of the fabulous Royal Palace. We will then visit the Silver Pagoda, which is inlaid with more than 5,000 silver tiles and contains hidden treasures. Onward to visit the National Museum, which houses the Museum of Fine Arts, built in 1917 by the French but using the traditional Khmer style. After lunch in town, you can pay a visit to the Tuol Svay Prey School, a former detention, torture, and execution centre run by the Khmer Rouge during the civil war. Afterwards, enjoy some free time at the market.

CHAU DOC

Located on the border between Cambodia and Vietnam, Chau Doc became part of Vietnam 300 years ago. The town sits among a giant patchwork of rice fields along the Mekong River. The now-prosperous area has developed around fish and fish farming. The town is a busy, lively place with few tourists and several charming colonial buildings. The market is the nerve centre of Chau Doc. We'll pay a visit to the Ba Chua Xu Temple and the Tay An Pagoda.

SA DEC

We'll discover the local market and visit the former house of Huynh Thuy Le, the man who Marguerite Duras based her book

The Lover on. In colonial times, Sa Dec was known as the "Garden of Cochinchina" because of its famous floral gardens. We'll have lunch on board and cruise to Vinh Long, located in the middle of the delta. Hundreds of small boats abound between houses built on stilts. We'll set out in smaller boats and travel through canals and orchards before arriving in Cai Be. We'll discover a brick and pottery factory as well as a traditional factory producing puffed rice, rice-paper wrappers and rice alcohol.

MY THO

We visit the islands close to My Tho. They are famous for their vast orchards and fruit gardens. The surrounding countryside makes up one of the most luxurious cultivated areas in Vietnam. On one of the largest islands, Thoi Son, we'll visit a bee farm and enjoy some honey tea and exotic fruit. We'll then take a ride in small sampans along the canal lined with mangrove palms and have a glimpse of villagers going about their daily life.

HỒ-CHI-MINH CITY (SAIGON)

• Full day

Hồ-Chi-Minh City was heavily influenced by French colonialism in the 19th century. It is now the largest port in Vietnam. We'll enjoy a tour of the city to see the Reunification Palace, Notre Dame Cathedral, and the Saigon Central Post Office, and visit the Museum of Vietnamese History. Lunch will be served on board. In the afternoon, we'll leave by coach for the Cu Chi tunnels, an immense network of underground tunnels that were the location of several military campaigns during the Vietnam War.

• Morning

We'll spend the morning visiting Cholon, the Chinese-influenced section of the city, including its hectic market and the Thien Hau temple.

Extended stay

HANOI

We'll spend the day on a guided tour of the capital, visiting the outside of the historic Ho Chi Minh Mausoleum on Ba Dinh Square, Ho Chi Minh's humble stilt house behind the mausoleum, and the unique One Pillar Pagoda Buddhist temple. We'll visit the Temple of Literature, built in 1070 and dedicated to Confucius. The temple also hosts the Imperial Academy, Vietnam's first national university. After lunch in town, we'll discover the old quarter of the city, also known as the "36 Streets," by pedi-cab or electric mini-bus (depending on availability). We'll have a tour of the local "Embassy Row" with its French colonial-style architecture. In the evening, we'll watch a traditional water puppetry show and have dinner in the city.

HALONG BAY CRUISE

We'll leave Hanoi early in the morning for Halong Bay (approx. 3.5 hours travel time). We'll be welcomed aboard a 4-anchor boat and begin our cruise to discover the thousands of various limestone islands dotting the emerald-colored bay. We'll enjoy dinner on board. The next day, after a Tai Chi class on deck, we'll continue our cruise through the bay, discovering more of its extraordinary scenery and visiting one of the largest caves.

Our excursions

Core program

Included

ASWAN: DAM & PHILAE TEMPLE COMPLEX

Discover the Aswan Dam, one of the largest dams in the world which tames the Nile River and provides electricity to the country. We'll then visit the Philae Temple Complex: after the dam was finished in 1902, the temple complex was partially submerged, so in 1960, UNESCO started a project to save the buildings. In the long run, every building was dismantled into units and then transported to this nearby island for reconstruction. The most ancient temple is dedicated to Isis and dates back to 380 BC. In the afternoon, we'll board small local boats and enjoy a ride on the Nile, between the granite islands and the natural reserve, passing close to Elephantine Island. To finish, we'll stop on Mango Island where you will enjoy an English tea-time in an enchanting setting.

EDFU: TEMPLE OF HORUS

We'll leave in horse-drawn carriages to visit the Temple of Horus. Built between 237 and 57 BC, this temple is one of the best-preserved ancient monuments in Egypt. It was excavated in the mid-19th century after being buried under sand and rubble for hundreds of years.

KOM OMBO TEMPLE

We'll visit the Temple of Kom Ombo, dedicated to the gods Sobek (the crocodile god), Haroeris ("Horus the Elder"), Tase-netrofret (the Good Sister), and Panebtawy (Lord of the Two Lands). By the late 1800s, much of the temple had been either destroyed by earthquakes, the waters of the Nile, or builders who took the stone for other projects. It was cleaned and restored by Jacques de Morgan in 1893. The temple is unique because its dual design shows that there were courts, halls, sanctuaries, and rooms duplicated for two sets of gods.

LUXOR: KARNAK TEMPLE

We'll visit the Karnak Temple Complex, once one of the largest and most important religious complexes in ancient Egypt. The immense size of Karnak, as well as its various details, makes it an invaluable

historical site and resource for understanding the evolution of ancient Egypt.

LUXOR: MORTUARY TEMPLE OF HATSHEPSUT & HARPER'S TOMB

First, we'll visit the Mortuary Temple of Hatshepsut, the only woman who reigned over Egypt. We'll then visit "The Harper's Tomb," one of the most famous in the valley. Tomb KV11 is the tomb of Pharaoh Ramesses III, one of the last great monarchs in ancient Egypt.

LUXOR: VALLEY OF THE KINGS & LUXOR TEMPLE

Join us for a visit to the Valley of the Kings and four of its tombs, including the longest and deepest of royal tombs built for Seti I. It was also the first tomb to feature decorations on every passageway and chambers with highly refined bas-reliefs and colorful paintings. We'll also stop for a photo op at the Colossi of Memnon. In the afternoon, we'll tour the Luxor Temple, a strikingly graceful monument in the heart of the modern town. Its main function was during the annual Opet celebrations, when the statues of Amun, Mut, and Khonsu were reunited during the inundation of the river.

Optional

ABU SIMBEL TEMPLES

We'll leave for the Abu Simbel archaeological site in the morning. Discovering these amazing rock temples is one of the highlights of a trip to Egypt. Located about 140 miles (230 km and three hours driving time) southwest of Aswan, the complex is in the heart of the desert, at the border with Sudan, and is the most impressive imprint left by Ramesses II. Through an extraordinary effort, the complex was relocated in its entirety in 1968 in order to escape the waters during the creation of the dam and Lake Nasser. The twin temples were carved out of the original mountain-side and serve as a lasting monument to the pharaoh and his queen, Nefertari. We'll return to the ship in the afternoon before our ship begins to cruise once again.

The Egyptian authorities may decide unexpectedly to change the opening hours of the road to Abu Simbel.

FLIGHT OVER THE NILE VALLEY IN A HOT AIR BALLOON

Discover from the air this open-air museum! In a hot air balloon, enjoy the magnificent view of Thebes and the Nile Valley, and admire the sun rise above one of the most important archaeological sites in the world. The flight will take place at sunrise or at dusk.

Subject to favorable weather conditions. This excursion can only be booked on board.

SOUND & LIGHT SHOW AT THE KARNAK TEMPLE COMPLEX

Discover the history of Egypt and its Pharaohs during this magnificent Sound and Light show at the Karnak Temple. This experience will start with a walk through the famous site, which is brilliantly illuminated,

to join the shores of the sacred lake. Then you'll relive the history of Egypt thanks to the spectacular and breathtaking show as well as the different colorful rays that set the temple alight.

These optional excursions must be booked in advance through your travel agency.

Extended stay

Included

CAIRO: CITADEL, MOSQUE OF MUHAMMAD ALI PASHA, HANGING CHURCH & BEN EZRA SYNAGOGUE

Join us for a visit of the Cairo Citadel. It was built between 1176 and 1207 by Saladin to protect the city from the Crusaders and ensue the supremacy of its army. This fortification offers a panoramic view on the city, including the pyramids in Giza, if the sky is clear. Then, we'll visit the Great Mosque of Muhammad Ali Pasha, the viceroy of Egypt regarded as the founder of modern Egypt in 1830. It was built with minarets and gathers all traditional characteristics of Cairo architecture from the Mamluk to the late Ottoman period. We'll then visit the Hanging Church, the oldest church in Egypt, built on top of the ruins of the Babylon Fortress. We'll also visit Saints Sergius and Bacchus Church and Ben Ezra Synagogue, the oldest synagogue in Egypt which mixes Christian, Islamic and Jewish architectures.

SAQQARA, PYRAMID OF TETI, GREAT PYRAMID OF GIZA & MUSEUM

We'll visit Saqqara, the former necropolis for the Ancient Egyptian capital which forms the largest group of Egyptian tombs of that era. The oldest tombstone of the necropolis dates back to the reign of Hor-

Aha, the second pharaoh of the First Dynasty of Egypt. We'll visit the Pyramid of Teti, the first pharaoh of the Sixth dynasty of Egypt whose sarcophagus still lies in the pyramid. In the afternoon, we'll discover the Great Pyramid of Giza, the oldest of the Seven Wonders of the Ancient World, and the only one to have remained largely intact. Next to this magnificent monument are the pyramids of Khafre and Menkaure as well as the mysterious Great Sphinx of Giza, a mythical creature with the body of a lion and the head of a human. Afterwards, we'll visit the Museum of Cairo, home to an extensive collection of ancient Egyptian antiquities. With over 120,000 artefacts, the museum houses an unbelievable exhibit of the ancient Egypt's glorious reign such as mummies, sarcophagi, pottery, jewelry and of course King Tutankhamen's treasures discovered in 1922.

Optional

CAIRO: SOUND & LIGHT SHOW AT THE PYRAMIDS

Enjoy this astonishing show in the middle of the desert displayed on the facades of one the Seven Wonders of the Ancient World and the mysterious Great Sphinx. Learn all about the Egyptian civilization through 7,000 years of history recounted through this show.

This excursion must be booked in advance through your travel agency.

Begun in the 1020s, its expansion continued well into the 11th century. The Cathedral was the burial place of the German emperors for almost 300 years. Speyer

itself was the seat of the Holy Roman Empire's high court from 1527 to 1689. The cathedral was built using lovely red sandstone taken from quarries near the Palatinate Forest. Your next stop will be the Dreifaltigkeitskirche (Trinity Church), a late Baroque-style, Protestant church. We'll then head to the old Jewish courtyard to visit the Mikveh, a bath used for ritual washing. It is decorated with rich Romanesque ornamentation that was painted in the Middle Ages. CRUISE 'N WALK

The rivers often flow through the middle of valleys lined with remarkably beautiful hills. It therefore makes sense to combine the tranquility of a laid-back cruise with energetic discovery walks.

The point of a walking cruise is not to beat any world records, but to get up close and personal with the unique landscape by offering an invigorating trek. Day-long walks can be offered on certain cruises. And so travel companions aren't left behind, we will also include guided tours and excursions as options: that's our "non-walker" program.

Walkers are led by one or more certified mountain guides. We'll also provide an onboard presentation about the history and flora to be found along the way. Each walking cruise has been pre-tested by a renowned French walking club.

THE LEVELS OF DIFFICULTY

The activities proposed are two- to five-hour walks having varying altitude differences according to the destination.

The lengths mentioned in the program are for informational purposes only and do not include the time needed for breaks and stops.

You do not have to be a seasoned walker to participate, but you must be physically fit and rested if you would like to take full advantage of your cruise.

YOUR AGREEMENT WITH CROISIEUROPE AMERICA

By signing our reservation form or making your deposit, you signify your agreement with the following terms and conditions on behalf of yourself and the other members of your traveling party. These terms and conditions form an agreement between you and CroisiEurope America Corp, a Florida corporation, which is the general sales agent for the cruise line, Alsace Croisieres, SAS, a French company.

1. BROCHURE: This brochure offers a selection of cruises, but our offer is not limited to the cruises selected. Cruises or provisions not included in our website or brochure are subject to the same terms and conditions. The information published in our brochure concerning timetables, itineraries and hotel and ship facilities were correct at the time the brochure was published but may be subject to later modifications. In such cases, you will be advised of any such modifications at the booking stage. Maps, photographs and illustrations are provided purely for guidance purposes and are not contractual.

2. PARTIES: In these terms and conditions "you" refers to the person booking, purchasing or traveling on the cruise or others traveling on the same reservation. "CroisiEurope", "we" or "us" refer to CroisiEurope America Corp or the cruise line, Alsace Croisieres, SA, or both companies, as applicable. "Cruise Line" refers to Alsace Croisieres, SA. The Cruise Line uses the brand CroisiEurope.

3. TRIP PROTECTION OFFER AND WARNING: We strongly recommend that you purchase trip cancellation and medical insurance. We will provide the insurance applications along with the trip confirmation. Any questions about what travel insurance does or does not cover should be addressed directly to the travel insurance company. If you decline insurance coverage, you will personally assume full responsibility for any financial loss associated with your travel arrangements, and you could lose your travel investment and/or have to pay more money to correct the situation. Medicare and most other government-issued health insurance do NOT cover medical expenses while abroad.

4. VALIDITY: The brochure is valid from 01/1/2023 to 12/31/2023.

5. PRICES: Our prices are indicated in U.S dollars (\$), and they are given per person and based on a double cabin. They are calculated at an all-inclusive rate including services described in the programs and reserved by the customer, but they exclude services that you reserve and pay for on board and other costs occasioned by a fortuitous event such as a strike, riot, revolution, weather conditions, or water levels. The prices depend on various factors involved in their calculation such as the cost of transportation, cost of loading and unloading, port costs, fuel costs, royalties and other taxes, and remain subjected to revision. Therefore, we reserve the right to change our prices in the event of variations in exchange rates, the cost of fuel, economic conditions, or any other service provision mentioned in the programs. In the event that we are forced to adjust any prices, the difference either up or down will be collected or refunded on the date they become due or with final payment. In any case, no price change will be made within 30 days before departure. The cost of visas and optional excursions are subject to modification at any time without prior notice by the competent authorities, and in this case, will be passed on in full to you. For the cruises on the Mekong and other programs, prices are based on the number of participants. Consequently, prices are subject to change, and these changes will be passed along to you. All services charges on board the boats must be paid on board, before you disembark.

6. TRAVEL DURATION AND ACCOMMODATION: Durations shown do not match with the number of days spent at the destination, but with the entire trip, including transport. The specified number of nights do not necessarily correspond to a predetermined number of full days. If, owing to the schedules imposed by the various means of transport, the first and last days happen to be curtailed by a late arrival or a morning departure, no refunds will be provided. The duration of the voyage is calculated as of the day the trip begins to the day it returns. Meals on the first and last days are not included unless otherwise indicated in the program, and will be at your own expense. All services on the last day end with breakfast. Some meals may be provided by the airline. The classification and category of the hotels and ships (not including the fleet

of CroisiEurope) are provided by the local authorities in the country according to their criteria, which may or may not correspond to other norms. Any claim or complaint arising as a result of the category of a hotel or ship will not give rise to any refund.

7. FORM of PAYMENT: Visa, MasterCard, American Express, personal checks, wire transfers, and Electronic Funds Transfer are all acceptable forms of payments. All payments made by check should be made payable to CroisiEurope America Corp. We are unable to accept checks within 30 days of departure. Please make wire transfer payments to the following account:

8. PAYMENT AND BOOKING CONDITIONS: A deposit 25% is due within 4 days after confirmation if you pay credit card, bank transfer, or personal check. If you pay by credit card, you must sign an authorization form. If paying by wire transfer, the transfer must be received within 8 days after confirmation. Final payment is due at least 90 days prior to departure. Vouchers will be sent by email at 30 days prior to departure and only when full payment has been made. **You are considered confirmed when we receive your deposit of 25% of the price of the cruise, or, if you are confirmed within 90 days before departure, you are confirmed when we receive your full payment.** Failure to pay the balance by the 90-day deadline is a default that entitles us to cancel your agreement and retain your deposit if you do not pay within eight days after notice of nonpayment.

9. CHANGES REQUESTED BY YOU: All modifications to the booking fifteen days prior to departure incur a charge of \$75 per person (plus any postal or express charges). Such charge is not refundable and is payable immediately by credit card or bank transfer only (no payments by check will be accepted). However, no modifications will be accepted fewer than four days prior to departure. Such charges will also be payable in the event of transfer of the booking to a third party. Any change in the cruise date that you request is considered as a cancellation and will be subject to cancellation charges. For name transfers, we decline all liability as to acceptance or refusal by our various suppliers, particularly the airlines. Note that airlines have their own change fees.

The tariffs of the airlines are subject to specific terms and conditions. Once the trip has started, no modifications are permitted by the airline companies or by the ship owner, and no refunds will be provided. The ship owner will not pay your accommodation expenses of passengers if you are put ashore in the course of the cruise or at the end of the cruise.

10. POSTAGE COSTS: Any costs such as guaranteed overnight delivery, express delivery, etc. rendered necessary by dint of a late booking, strikes by the postal services, or other circumstances beyond our control will be billed to the travel agency or to you.

11. CANCELLATION BY YOU: If you cancel, any refund of amounts paid will be made after deduction of the cancellation costs, per person, stipulated in the contract. All cancellations must be in writing and the cancellation date will be counted from the date on which we receive your written notice of cancellation to the departure date to determine the charge. Your decision not to participate on a trip due to State Department warnings or advisories, fear of travel, or the like will be deemed a cancellation.

In case of cancellation, the cancellation fees will be as follows: if the cancellation happens:

- For European River or Canal Barge Cruises
- More than 90 days before departure: \$200 per person
- From 90 to 60 days before departure: 35% of the total price of the package
- From 59 to 30 days before departure: 50% of the total price of the package

- From 59 to 30 days before departure: 50% of the total price of the package
- Less than 29 days before departure: 100% of the total price of the package

IMPORTANT: Prices that include air transportation are subject to the general and special terms and conditions of cancellation of the airlines. In the event of cancellation of one or Finally, note that Some costs are non-refundable, including insurance fees, booking fees, visa fees and any other cancellation fees charged by our suppliers. If one of the passengers in a double room or cabin cancels his booking, the remaining passenger must pay the single cabin supplement.

12. REFUNDS: No refund will be provided if you fail to arrive at the time and place mentioned in the travel instructions sent to you (a no-show) for any reason, including failure to have the legal documentation or health documents required for your trip voyage (passports, visas, identity card, vaccination certificate, etc.), or a delay of air, rail or land services, vaccination certificate, etc.), or a delay of air, rail or land services.

13. DISCOUNTS FOR CHILDREN: For children under 2 years of age, meals and accommodation are provided free of charge. Children over 2 years of age are required, by law, to have their own berth. Children over 2 and under 10 years of age will receive: (a) a 20% reduction on the price of the cruise excluding taxes, supplements and administrative costs, excluding exotic river cruises (Mekong, Volga etc.) trips; (b) a 30% discount on the triple cabin cruise price, excluding flights, excluding taxes, supplements, visa and file fees, except for the Volga cruise. For exotic river cruises, children under 7 years old are not accepted for safety reasons.

14. TRIPLE CABIN REDUCTION: A 30% reduction on the all-inclusive cruise price will be provided for to the 3rd occupant in a triple cabin excluding taxes, supplements and administrative costs. This discount does not apply to exotic river cruises. For Volga cruises a reduction of 25% on the cruise package will be provided to the 3rd and 4th occupants of the triple and quadruple cabins. Flights, duty-free, supplements, visa and filing fees are not included.

15. DISCOUNT WEDDING ANNIVERSARY: On river cruises from CroisiEurope from 3 to 13 days, one spouse receives a discount on the cruise corresponding to each 10 years of marriage. Ex: 10, 20, 30... years of marriage = 10, 20, 30% ... off. The discount is only valid for wedding anniversaries in 2023 and applicable upon presentation of the marriage certificate or family register. This discount is only valid on the cruise fare, excluding surcharges and delivery costs. **The discount is not retroactive or reimbursable and cannot be combined with any other offer. These reductions do not apply to sea and coastal cruises nor to cruises on the Volga, Mekong, Ganges, Nile and in Southern Africa.**

16. CRUISE FLEXIBILITY: For your comfort and peace of mind when planning a cruise, we offer Cruise Flexibility. This optional program, of which the cost is detailed below, is non-refundable and non-cancellable, can only be used once per trip, and must be purchased by all the persons included in the booking. With Cruise Flexibility you can change the date and destination, under the following conditions:

- CroisiEurope river cruises (excl. cruises with a duration of less than 3 days/2 nights as well as day services): \$ 179 incl. tax/ person, change of date is possible up to 30 days before departure
- CroisiEurope maritime and coastal cruises: \$ 268 incl. tax/ person, change of date is possible up to 30 days before departure
- CroisiEurope cruises on the Volga, Mekong, Ganges, Nile and in Southern Africa: \$ 358 incl. tax/ person, change of date is possible up to 45 days before departure

Cruise Flexibility is subject to the following conditions:

The change of date must be made once Cruise Flexibility has been requested. The change of date and destination must take place on the same cruise as initially selected. The application of the Cruise Flexibility results in the cancellation of the cruise initially reserved and the establishment of a new booking which will be subject to the terms and conditions of sale effective on the date of the new booking.

Cruise Flexibility is independent of the optional Europ Assistance insurance, which we strongly suggest you to purchase and for which you will find the conditions in the corresponding paragraph.

Cruise Flexibility is applicable only on the cruise, therefore excluding transport (except if a flight chartered by CroisiEurope) and excluding related services. Changes to pre- and post-routing will therefore be subject to the conditions and possible costs of the corresponding suppliers, which will remain at customer's expense.

Cruise Flexibility becomes effective once the balance of the initial contract has been paid. The change of date must be within the same calendar year, it will not be possible to purchase a new Cruise Flexibility on the new booking which led to the implementation of the initial Cruise Flexibility.

The price difference for the new date chosen will be applied to your new booking. If it is in your favour, a credit will be issued to you which you can use on all cruises during the current calendar year.

17. INDIVIDUAL CABIN: The number of individual cabins cannot exceed 12, except for the exotic river cruises.

18. FOREIGN ENTRY REQUIREMENTS: You must meet the immigration and customs formalities in force at the time the voyage takes place, including any necessary tourist and transit visas and health certificates, for all countries through which the cruise itinerary passes. You must have a passport valid for at least six months following disembarkation and necessary visas when boarding. Guests are advised to check with their travel agent, the State Department at www.travel.state.gov or, for Canadians, go to <https://travel.gc.ca/travelling/advisories> to determine which documents they must obtain. If you are not permitted to board a flight or find yourself denied entry into a country, owing to your failure to present documents required by the authorities, you may not claim a refund of any kind. If incorrect documents are obtained, you may not be able to participate in particular shore excursions and may be denied boarding and/ or entry into certain countries. In the event of noncompliance, all costs incurred are yours alone. Commercial Visa services are available to assist with visas to Russia and certain Asian countries, including Vietnam and Cambodia. You are also required to provide us with any information necessary to enable us to satisfy our own security obligations. In situations where we arrange entry documents for you, we do so on the basis of the information that you supply. We cannot be held liable under any circumstances if any information provided proves to be erroneous.

NB: Between publication of this brochure and the date of departure, certain requirements may change. Indeed, the regulations of the different countries change frequently without notice. They are given in the brochure only as a guide, and it remains your responsibility to be informed of the necessary steps at the time of your trip. We cannot be held responsible for the failure to observe the formalities or for fines resulting from the failure to observe the customs or health regulations of the countries visited.

Due to airline security measures, your passport name must match your airline ticket name or you may be denied boarding.

For certain cruises currently including Seville, Venice, Dubrovnik (sea port harbors), and Danube cruises, we require full details of passport information to comply with requirements of customs authorities.

19. MINORS: Reservations from minors will not be accepted but must be made by the parents or other adults of more than 21 years of age with the necessary authorizations. Minors are not permitted to travel on board unaccompanied. They must be accompanied by parents or adults of more than 21 years of age. No alcoholic beverages shall be served to minors on board. Proof of the customer's age may be requested by the ship's personnel.

20. MEDICAL CONTRAINDICATIONS: You must be medically, physically and psychologically fit to undertake a trip without endangering your life or the life of others. No medical services are offered aboard our ships.

If you have a physical or mental incapacity, limited capacity of mobility, an illness requiring treatment or medical care, or if you are pregnant, you should inform the travel agent at the time of booking. No reservation can be accepted if your physical or mental condition is likely to render your participation in the cruise or on the vacation impossible or dangerous for yourself or others, or if you require forms of care or assistance impossible to provide aboard ship. Some suppliers (hoteliers, airlines and cruise companies, etc.) may require a medical certificate confirming that you are fit to travel, or you may refuse to accept the booking if they feel that they will be unable to provide assistance or treatment deemed necessary for your health and well-being.

All personal accidents, diversions or forced stopover costs disrupting the course of the cruise are your financial responsibility, if it is determined that you concealed your unfitness to travel.

We recommend the wearing of footwear suitable for life aboard and for excursions with non-slip soles. Some vaccinations, although not mandatory, may be recommended by health authorities.

21. DISABLED GUESTS: You must report any disability requiring special assistance while on a CroisiEurope Itinerary to CroisiEurope at the time the reservation is made. All vessels and motor coaches are equipped to comply with European standards. Most transportation services, including the vessels and motor coaches, are not equipped with elevators or wheelchair ramps. Only our 3-deck ships have elevators (which cannot service the sun deck). CroisiEurope will make reasonable attempts to accommodate the special needs of disabled travelers, but is not responsible in the event it is unable to do so nor is it responsible for any denial of services by vessel operators, air carriers, hotels, restaurants or other independent suppliers. We regret that we cannot provide individual assistance to a vacation participant for walking, dining, getting on and off vessels, motor coaches and other vehicles, or other personal needs. A qualified and physically able companion must accompany travelers who need such assistance and must assume full responsibility for their well-being.

22. DENIED BOARDING AND PREMATURE DISEMBARKATION: Boarding may be denied or your cruise may be curtailed (at your risk and cost) when, in the opinion of the ship's captain or the senior officer on board, you are not fit to travel, for administrative or other legitimate reasons, or if you disrupt or endanger other passengers. You may be put ashore in any port of call whatsoever without the ship owner's liability being invoked. The river cruise operator may not be required to reimburse the days of the cruise not completed or to cover any costs occasioned by being thus put ashore.

23. COMPLIANCE WITH THE TIMING OF STOPOVERS: On stopovers, the latest time for returning to the ship and departure of the ship are announced and posted aboard as stipulated by the senior officer on board. You are required to abide by such times. The company declines all liability in the event of failure to board at the appointed time, and no refund or compensation will be provided.

24. SHORE EXCURSIONS: The itineraries of the excursions defined in the programs are given only as a rough guide and may be subject to variations owing to external circumstances (e.g. meteorological conditions, strikes, transports delays, closure of sites by the local authorities, etc.) or owing to local service providers. Some of the places visited are subject to high levels of security (the Kremlin for example). The authorities in any country may therefore close any place and prohibit visits without notice. We cannot be held responsible for the unexpected closure of any intended site, and we will always do our best to arrange an alternative visit in such instances. In the event of cancellation of an excursion, we will try to offer replacement tours. In the event of cancellation, the excursion price will be refunded. No additional compensation may be claimed in such circumstances.

A minimum number of guests may be required to operate an excursion. If that number is not reached, the excursion may be cancelled or an additional charge may be assessed.

For the exotic river cruises, the excursions that are booked locally are organized by local companies independent of CroisiEurope. Even if they are proposed by our local representatives, as an extra service to passengers, they are bought freely on the spot and do not form a component part of the holiday booked through CroisiEurope. All descriptions and tariffs shown are for guidance purposes only.

Any dispute, accident or incident in the delivery of these services must be solved on the spot with the company concerned and are not the responsibility of CroisiEurope or the travel agency from which the trip was booked.

25. PERSONAL ITEMS/LUGGAGE: Animals, hazardous objects and products, such as illegal substances, firearms, weapons and knives, explosives, oxygen, compressed air or inflammable products, etc. are strictly prohibited on board. The ship owner reserves the right to deny boarding if you are in possession of such items. You will be responsible for all damage suffered by the ship owner owing to the failure to abide by the aforementioned obligations.

Security of luggage and of personal belongings is your responsibility. We cannot, in any way, be held responsible for lost items. Forgetting luggage on board may result in the charging of any additional costs incurred in recovering it. We advise you to take out luggage insurance. In the event of loss, late delivery or damage to luggage in the context of air transfers, it is the passenger's responsibility to fill in the luggage complaint form at the airport with the airline.

26. VALUABLE ITEMS: We are not responsible for loss of or damage to valuable items, money, financial documents, jewelry, and personal property. We request you not to leave valuable items unattended. Furthermore, we advise you not to leave in the luggage you entrust to carriers any valuable items, keys or identity papers, or medicinal products essential to your health. We cannot be held responsible in the event of damage to and loss or theft of personal effects.

27. COMPLAINTS: If there are problems during the trip, please contact your attendant or purser immediately to find a solution. All complaints must be forwarded to us within 10 days of disembarkation, in writing. Our response time varies from 1 to 3 months depending on the time necessary to follow up with staff, hotels or service providers necessary for any claim.

28. PURCHASES: All purchases made from local vendors are the sole responsibility of customers. Please do not purchase counterfeit items.

29. CANCELLATION OF CRUISES BY CROISIEUROPE: CroisiEurope reserves the right to cancel cruises for circumstances of force majeure, recurrent climatic or natural events (high and low water, cyclones, etc.) or circumstances which may render it impossible to enjoy certain service provisions for reasons relating to passenger safety, at any time prior to departure or during the cruise. CroisiEurope will, insofar as this is possible, offer a replacement cruise of equivalent value. You may take advantage of such replacement cruise or else receive a refund under the terms set out in these conditions. If you accept the replacement cruise, no reimbursement or payment of compensation will take place. CroisiEurope reserves the right to cancel a cruise without liability up to 21 days prior to departure in the event of insufficient bookings. CroisiEurope America Corp may, in the event of unforeseen circumstances making reimbursement impossible, hold passenger refunds as a Future Cruise Credit (FCC), valid for up to 18 months from the date of cancellation. Certain items, including insurance, pre and post stays, airfare, and other non-cruise portions of your vacation may be non-refundable. All insurance is non-refundable.

30. CHANGES TO PROGRAMS, ITINERARIES AND TIME-TABLES: In the event of a strike, bad weather conditions endangering the operation of the vessel or extraordinary circumstances, CroisiEurope may at times and without notice, advance or delay a departure or a stopover or, if need be, change ports of call. We are not responsible in the event of earlier or later departure or arrival, modification or substitution of ports of call. CroisiEurope may not be held responsible for any failure to adhere to the arrival and departure times given in this brochure, regardless of the port of call.

The captain is the sole master on board and may decide at any time to divert the ship or cancel a port of call. The captain may cancel the cruise or modify the itinerary of the cruise if he judges it appropriate to the interests of passengers and the safety of the vessel. If the cruise is interrupted for reasons of force majeure, we will provide a refund for the days of the cruise affected but will have no further liability.

Possible unforeseen circumstances (civil or religious festivals, political demonstrations, strikes, breakdowns, traffic jams, changes by government authorities, or other legitimate reason) may bring about modifications to visits or excursions for which CroisiEurope is not responsible. Some destinations are subject to particular meteorological and climatic conditions. Some ports of call may be reversed, curtailed or cancelled, particularly for the reasons stated above. In the event of cancellation, shore excursions will be reimbursed. No other compensation will be payable.

31. CHANGE IN CABIN CATEGORY OR NUMBER BY THE SHIPOWNER:

For technical or operational reasons, river companies or ship-owners may allot a cabin other than the one in your confirmation without liability other than the refund of the difference in price if a change to a lower category cabin is necessary.

32. TRANSPORTATION DELAYS: The considerable increase in air and rail traffic, events beyond our control (strikes, technical incidents, meteorology, etc.) and safety imperatives mean that charter and regular airline companies and railway companies are not always able to respect their schedules. Delays, both on departure and on return, are possible and are beyond the control of the carrier, the tour operator and the travel agency, and we have no liability for such delays. Therefore, allow a reasonable period of time, particularly for the return flight, in the event of connecting flights or important appointments.

If you are traveling to or from the cruise by your own means, we recommend that you book tickets which can be changed or refunded. Airline companies strongly recommend online check-in the day before the flight (outward and return).

33. RESPONSIBILITY OF CROISIEUROPE: CroisiEurope America Corp, a Florida corporation, acts only as agent for the cruise line, Alsace Croisieres, SA, a French company doing business as CroisiEurope. In its capacity as organizer of cruises, both as owner and charterer, the responsibility of CroisiEurope is limited to issues pertaining to the ship's crew and to the ship. We are not responsible for any damage suffered by passengers on dry land, such as injuries, accidents, loss, irregularities, delays, lack of means of transport, etc. imputable to external companies such as airline companies, hotels, reception agencies, restaurateurs, suppliers, etc. Non-cruise service such as land transportation, accommodation, and transfers reserved in addition to the cruise do not fall under our responsibility. We have no special knowledge regarding the financial condition of travel suppliers, unsafe conditions, health hazards, weather hazards, or climate extremes at locations to which you may travel. For information concerning possible dangers at destinations, we recommend contacting the U.S. State Department at (202) 647-5225 or go to www.travel.state.gov, click on «Find International travel Information», then click on «Country Information», and fill in the name of the destination country. All arrangements made for guests with independent contractors, including medical services, are made solely for convenience to participant and are done at the participant's own risk. Medical personnel are independent contractors. We are not responsible for damages for emotional distress, mental suffering or psychological injury or any kind, except to the extent prohibited by 46 U.S.C §183(b), which applies only

to cruises to or from points in the United States. Tickets, vouchers and any other travel documents are subject to all terms and conditions of the respective suppliers (some of which may limit suppliers' liability).

We are entitled to any and all liability limitations, immunities and rights applicable to them or any of them under the Strasbourg convention on the limitation of Liability of Owners of Inland Navigation Vessels (CLNI), with protocols and amendments, together with the further provisions of the International Convention of Limitation of Liability for Maritime Claims, 1976, with revisions and amendments (hereinafter collectively referred to as the "Convention"). We are also entitled to any and all exemptions from liability, liability limitations, immunities and rights applicable under the 1976 Athens Convention as amended, which limits the carrier's liability for death of or personal injury to a passenger to no more than 46,666 special drawing rights as defined therein (approximately US\$70,000 which fluctuates depending upon a daily exchange rate as printed in the Wall Street Journal) and the laws of the United States including Title 46 US Code Sections 30501- 30509 and 30511, if and as applicable, and by those other and further limitations of liability set forth in the statutory and general maritime law of the United States, including Title 46 U.S Code Section 181-186, 188, as well as any other applicable nation's laws limiting liability. We are entitled to claim the benefit of whichever law, regulation, treaty or doctrine provides the greatest legal protections to us.

34. REPATRIATION ASSISTANCE: Medical repatriation and assistance is included free of charge in all our cruises and trips. For further information, please inquire. NOTE: This does not cover hospital or other medical costs incurred.

35. TRAVEL AGENT: All travel agents are solely your agents for purposes of the Passenger Ticket Contract and all other documents concerning the river or ocean cruise and any related arrangements made by the travel agent for any other or related travel, lodging, excursions, tours or facilities of any nature, neither we nor the operator or carrier of the river or ocean cruise vessel shall be responsible for any representation or conduct of your travel agent, including but not limited to any failure to remit your funds to us as sales agent for the particular operator or carrier, which will not relieve you of liability for payment.
