Agrigente

Duration: 4h · Type: Classic

We'll leave by coach to explore Agrigento, one of the most beautiful Grecian cities in Sicily. You'll discover the Valley of the Temples, located on a hill overlooking the sea. It's a one-of-a-kind archaeological site with inestimable wealth of history, artifacts, and ruins. Listed as a UNESCO World Heritage Site, the Valley of the Temples contains several Doric temples dating back to as early as the 5th century BC. The best-preserved temple from ancient Greece is the Doric-columned Temple of Concordia. This tour is truly a step back in time. Our excursion will finish up in Agrigento's historic center, strolling through its narrow streets to observe the churches and palaces where ancient cultures succeeded one another—each leaving their indelible mark. Afterwards, enjoy some free time on your own to wander the streets of this fascinating city.
