AJACCIO AND THE SANGUINAIRES ISLANDS

Ajaccio and the Îles Sanguinaires

Duration: 4h · Type: Classic

We'll leave by coach for a panoramic tour of Ajaccio, Corsica's main commercial and cultural hub. You'll take in the city's main sites including the bronze monument to Napoleon and his brothers, and the Place d'Austerlitz, where legend has Napoleon visiting often as a child to see the statues of the glorious soldiers in battle.

We'll continue on to the Îles Sanguinaires along the winding, coastal roads bordering the wild crags before arriving at the Pointe de la Parata. A path takes you to the splendid view from the site. From here, you can see the archipelago of four Natura 2000-classified islands. They are an integral part of the natural and cultural heritage found not only in Ajaccio but across the whole island. After our tour, we'll return on board.

PLEASE NOTE

- The order of the visits can change.

- Times are approximate.

- Good walking shoes are recommended.
