

ARDECHE GORGES

Gorges de l'Ardèche

Type: Classic

Meeting at the ship with your coach and guide. Departure for a panoramic coach tour through the Ardèche Gorges, a region full of treasures for lovers of authenticity. You will be amazed by the striking landscapes of deep valleys, dense vegetation and the ever-present granite and volcanic rocks.

As far as Vallon-Pont-d'Arc, the Ardèche is a wild river, giving rise to a magnificent natural arch: the 34-metre-high Pont d'Arc. After a stop at a viewpoint overlooking the landscape, continue the panoramic tour to the Grotte de la Madeleine, where the coach will stop. Return to the ship.

PLEASE NOTE

- As a warning for those suffering from travel sickness, the route during the panoramic tour includes many twists and turns.
- The order of the visits can change.
- Times are approximate.
- Good walking shoes are recommended.
