Bastia

Bastia

Duration: 2h · Type: Classic

Bastia is a town that seems to breathe sunshine and sea air at every turn. A lively harbour and the second-largest city in Corsica, it gracefully blends local traditions with Mediterranean influences. As you stroll along the Old Port, colourful boats, bustling terraces and the scent of freshly caught fish drifting through the air immediately capture your attention.The narrow streets of the Terra Nova district invite you to wander between pastel-coloured façades and peaceful little squares where time seems to stand still. Above, the Citadel overlooks the town, offering a glimpse into its historic past, while the Palace of the Governors tells the story of Bastia's political heritage through its architecture.Spacious and welcoming, Place Saint-Nicolas is the perfect setting to observe local life, enjoy a coffee or simply soak up the Corsican atmosphere. Along the seafront, the view opens onto Cap Corse and the Tyrrhenian Sea, revealing a splendid panorama ideal for photographs or a quiet moment of contemplation.With every step, Bastia unveils a unique blend of culture, history and Mediterranean daily life. Vibrant yet authentic, the town promises a memorable excursion rich in discoveries.
