BERLIN GUIDED TOUR

Panoramic tour of Berlin

Duration: 4h · Type: Classic

We'll leave by coach from Berlin-Spandau with a local guide who will help us discover the history, monuments and fascinating facets of this particularly historic city. We'll travel up the 17th of June Street to see the famous Victory Column, the Bismarck Memorial, the Brandenburg Gate and the Reichstag building with its steel and glass cupola. We'll then arrive at the renowned Unter den Linden and head to Museum Island—a complex of five internationally significant museums that occupy the island's northern part—including the Pergamon Museum, and the Alte Nationalgalerie. Beyond Museum Island are the modern Alexanderplatz and its famous Fernsehturm (Berlin TV Tower). You'll be able to go through Checkpoint Charlie, the symbol of the Cold War and passage between the American and Soviet zones during this time. This might seem like just a glance, but you'll be able to discover the monuments that make Berlin one of the most cultural cities in Europe.
