BIZY CASTLE

Bizy Castle

Type: Classic

In the morning, optional excursion: Bizy Castle. Nicknamed the “Little Versailles of Normandy,” this remarkable estate stands out for the harmony of its architecture and the prestige of its history. Throughout the visit, you will explore magnificent richly decorated salons, where period furniture, works of art, and historical memorabilia illustrate the refinement of aristocratic life. You will also discover the major milestones in the castle’s history and learn about the families who shaped its destiny over the centuries. The apartments and reception rooms reflect the evolution of the tastes and lifestyles of the French nobility through the ages. This immersion into the world of France’s great country estates will allow you to appreciate the rich cultural and historical heritage of this emblematic Norman landmark. Afternoon cruise towards Rouen.
