A Guided Tour of the Medieval City of Pérouges

Duration: 5h · Type: Discovery

We'll leave Belleville by coach for the medieval city of Pérouges, listed as one of the most beautiful villages in France. Pérouges sits atop a small hill that overlooks the Ain River in the distance. The cobblestone streets and medieval homes were built over six centuries ago and truly feel like something straight out of a classic novel. The Place du Tilleul, home to a linden tree that is over 220 years old, is the quintessential spot to take in the village's timeless charm. Tasting of local products. We'll return on board in Trévoux.
