Cap Corse by Minibus

Duration: 10h · Type: Discovery

Cap Corse, nicknamed the “Mountains in the Sea,” reveals a wild and unspoiled side of Corsica, where perched villages, small harbours and breathtaking panoramas appear around every bend.Your journey begins in Erbalunga, a former fishing village with narrow streets and colourful houses. The route continues to Barcaggio, at the northern tip of the Cap, where time seems to stand still in the presence of the wild islets emerging from the sea.The trip proceeds to the port of Centuri, famous for its lobsters and authentic atmosphere, where you will enjoy lunch in a picturesque waterside setting. The excursion continues with Nonza, a cliff-top village built on black schist, offering a breathtaking view of the Cap Corse coastline.Finally, you will visit Patrimonio and its vineyards for a tasting of local wines before returning to Bastia at the end of the day.
