Day trip to Cordoba (lunch included)

Type: Classic

Transfer by coach from Seville to Cordoba (driving time is approximately 2 hours round trip). Cordoba's golden era started in the 8th century when it was conquered by the Moors who built about 300 mosques and countless palaces and public buildings, rivaling the splendors of Constantinople, Damascus and Baghdad. In the 13th century, under the reign of Fernando III the Saint, the Great Mosque of Cordoba was transformed into a cathedral and new defensive structures were built, namely the Alcazar de los Reyes Cristianos and the Calahorra Tower. After lunch in a restaurant, enjoy some free time and succumb to the charms of the city. We'll be back on board in Seville.
