Schloss Drachenburg

Schloss Drachenburg

Duration: 4h30 · Type: Classic

We'll head for Königswinter to visit Schloss Drachenburg. During the short trip on the funicular railway to reach the villa built on the Drachenfels hill, you'll discover the magnificent landscape surrounding the Siebengebirge range. The castle was built in a record two years—from 1882 to 1884.
Take your time to marvel at the architecture and layout worthy of a royal palace: formal gardens, terraces with plunging views over the Rhine, exquisite rooms and dining halls, the art gallery, salon, and much, much more.
We'll return on board the ship.
