Edam and Volendam

Edam and Volendam

Duration: 4h · Type: Classic

We’ll leave for an excursion along the banks of the IJsselmeer, one of the largest freshwater lakes in Holland. Our first stop will be Edam. Although its name conjures up the delicious cheese, Edam is a small, lively city that is great to explore. Fishermen and farmers were drawn to this fertile area back in the 12th century, and the city grew steadily up to the 17th century. We’ll visit the cheese warehouses that date back to the 13th century and enjoy a tasting of its famous namesake. After, we’ll continue on to Volendam, which you can explore on your own. The village is quaint, colorful, and bursting with history. Enjoy a stroll along its streets or have a seat at the port and take it all in.
