Guided tour of Portoferraio

Guided tour of Portoferraio

Duration: 4h · Type: Classic

The third-largest Italian island is known for two things: The variety of its landscapes and as the first island of exile for Napoleon Bonaparte. After his forced abdication in 1814, Napoleon lived on the island for 300 days before escaping. Our tour will begin on foot at the historic center of Portoferraio, whose pink streets come from the limestone slabs used to pave them. Your guide will bring you to the Palazzina dei Mulini, Napoleon's official residence—now a museum housing furniture, paintings, and memorabilia once belonging to the former emperor.
