Mount Etna

Mount Etna

Duration: 4h · Type: Classic

Etna is the highest volcano in Europe but also the most active in the world, with an altitude of 3,330 meters (10,925 ft high), it erupted almost a hundred times during the 20th century. We'll follow a scenic road along the mountains and cross the villages of Giarre, Santa Venerina and Zafferana. When we reach 1,950 meters (7,000 ft), we'll take a walk towards the "Silvestri" craters and enjoy the desert moon atmosphere. From there, we'll enjoy a wonderful view over the gulf of Catania.
