GIETHOORN

Guided tour of Giethoorn

Duration: 4h · Type: Discovery

Imagine a town straight out of a fairytale with no pollution nor cars to be found: this is Giethoorn.

We'll leave from Lemmer by coach to reach Giethoorn, a charming lakeside town.

Located inside the Weeribben-Wieden National Park–part of the Overijssel province, lovely canals intertwine among a lush flora and 17th-to-18th century thatched farmhouses built on peat islets connected to each other by more than 170 wooden bridges. This idyllic setting is best discovered on foot or by boat.

Our trip will take us on a one-hour boat ride along the canals for an original discovery of this typical village. You'll be enchanted by the beautiful scenery of this town by the water and the welcoming spirit that suffuses the air. Before heading back to Lemmer, you will have some free time to wander about the humpback bridges or small footbridges spanning the canals.
