Guided tour of Granada and the Alhambra (lunch included)

Duration: 14h30 · Type: Classic

You will travel to Granada by coach (driving time is approximately 3 hours each way). Located at the foot of the Sierra Nevada and at the confluence of three rivers, Granada was the capital of the last Islamic kingdom in the Iberian Peninsula.

Upon arrival, you will begin your tour at the Alhambra, directly translating as "the red", reflecting the color of the walls at sunset. It is one of the major monuments of Islamic architecture and the most majestic mediaeval fortress in the Mediterranean. Along with the Great Mosque of Córdoba, it is the most impressive evidence of the Islamic presence in Spain from the 8th to the 15th century. The tour continues with a visit to the Generalife, which was the summer residence of the Nasrid Emirs, and its marvelous 14th-century gardens, where water was harnessed to refresh every courtyard and garden.

Transfer to a restaurant in the center for lunch. In the afternoon, you'll be able to enjoy the delights of the historical center of Granada at your own pace. Return by coach.
