Duration: 4h · Type: Classic

Departure by coach in the company of your guides towards Haarlem.

Known as the "City of Tulips", Haarlem has for centuries been the main production and export center for tulip bulbs. This charming town has been an inspiration for generations of painters throughout the centuries. We'll discover the Amsterdamse Poort (Amsterdam Gate) built in 1400 and the only vestige from the city's fortifications, the Grote Markt (Main Square), the Corrie Ten Boom House, used as a hiding place during World War II and the impressive Gothic Cathedral of St Bavo dating from the 14th and 15th centuries. In Haarlem, you'll get the chance to see a great number of "beguinages", with the oldest dating back to 1395. Before heading back to Amsterdam, you will have some free time.
