HONFLEUR GUIDED TOUR

Guided walking tour of Honfleur

Duration: 1h30 · Type: Classic

We'll meet up with our guide and set off on our walking tour. Honfleur, the cradle of Impressionism, is located at the mouth of the Seine as it flows into the English Channel. Untouched by the passage of time, this small port has kept the landmarks of its rich past, making it today one of the most visited towns in France. We'll begin our tour at the Vieux Bassin, one of the most charming sites in the city. The narrow houses squeezed against each other are quite a unique sight. Next, we'll see Saint Catherine's Church, the largest wooden church in France. It was listed as a historical monument in 1879 and has been the subject of scrupulous research by many archaeologists and historians. Our tour will finish with a visit to Saint Léonard Church. Destroyed during the Hundred Years War, it was rebuilt at the end of the 15th and beginning of the 16th centuries-only to be partially burned down again during the Wars of Religion. We'll return to our ship on foot.
