# JEREZ PANORAMIC TOUR

Panoramic tour of Jerez

Duration: 4h · Type: Classic

We will depart from El Puerto de Santa Maria for our excursion in Jerez. Jerez has been renowned for its wines, flamenco, horses and bull ranching. A panoramic tour by coach will enable you to see the cathedral (exterior) which was built in 1695 over the ruins of the old Jerez mosque and the former Salvador Church. The bell tower outside was probably built over the mosque's minaret. The rectangular temple has five naves and houses a latin cross structure. Afterwards, we'll discover the Alcazar (exterior) which still displays a large amount of features from its early construction in the 12th century by the Almohads. After the city fell into the hands of Alfonso X, it became the house of Sevillian Caliphs and the headquarters of Christian governers. We'll return on board.
