Hiking in Kotor

Hiking in Kotor

Duration: 3h30 · Type: Classic

We'll leave by coach for Vrh Polja, located on the edge of the Lovcen National Park. After a lunch filled with delicious local cuisine, we'll head out for a hike along some of the country's most beautiful trails in the national park. There are 2,000 different plants and this abundance of life results from the high altitudes and a combination of the unique habitat created by two contrasting climate zones. Throughout the ages, Lovcen has been considered a sacred mountain by the peoples living in the area. Equipment: You must wear hiking boots with deep-lugged soles and use telescopic hiking poles (rocky terrains and steep descents).

PLEASE NOTE

- Please wear comfortable, sturdy walking shoes.

- Hike: Approx. 5 miles (8 km); 262-foot hike up (80 m), 2,788-foot hike down (850 m).

- The order of the visits can change.

- Times are approximate.
