

VISIT OF LA ROCHE-GUYON AND ITS CASTLE

Visit of la Roche-Guyon and its castle

Duration: 3h · Type: Classic

Depart on foot from the boat for an exploration of La Roche-Guyon and its château.

Nestled between the banks of the Seine and an imposing chalk cliff, La Roche-Guyon is ranked among the most beautiful villages in France. Your visit will begin with the discovery of its château, an architectural masterpiece blending medieval and classical styles. The fortified tower, perched atop the cliff, offers a breathtaking panoramic view of the surrounding valley.

You will then explore the château's historic rooms, each bearing witness to its rich past, before strolling through the magnificent French-style gardens designed by André Le Nôtre. With their symmetrical pathways and flower beds, these gardens also feature vegetable patches and medicinal plants. The visit will continue with a leisurely walk through the village's picturesque streets, where the timeless charm of old houses and bucolic landscapes will immerse you in an atmosphere steeped in history and serenity.

Return on foot to the boat.
