MAGDEBURG PANORAMIC TOUR

Guided tour of Magdeburg

Duration: 5h · Type: Classic

Departure by coach for Magdeburg where we will meet up with local guides.

Magdeburg was once the cradle of the German nation. The first Germanic Holy Roman Emperor, Otto the Great, had an imposing cathedral built here and made the town into an archbishopric. Magdeburg became a center for Western Christianity and the High Court of judicial power in the Middle Ages.

We'll begin our tour with the Magdeburg Cathedral, home to the tomb of Emperor Otto I the Great. Magdeburg is a Hanseatic city located midway on the Elbe River and the Roman Roads—in the heart of Germany rich with a multi-faceted history. Its other sacred monuments include the Magdalenekapelle, St. Petrikirche, Wallonerkirche, Monastery of Our Lady and St. John's Church. We'll continue our panoramic tour by seeing the city's main monuments, including the citadel. Once located in East Germany, the city has retained its grey, square, Soviet-style buildings which are embellished today with molding and decorations. We'll visit the marketplace to see the magnificent replica of the Magdeburger Reiter, as well as the town hall and its bronze door. You'll finish up the tour with some free time on your own.
