MALMAISON CASTLE

Guided tour of the Château de Malmaison

Duration: 3h · Type: Classic

Guided tour of the Château de Malmaison. Built in the 17th century, Joséphine de Beauharnais acquired this castle in 1779. In 1800, it became the headquarters of the government and a conference room. The library restores the industrious atmosphere by which Bonaparte enjoyed to be surrounded. The council room is shaped like a military tent where receptions, dances and country-style games took place. The musical lounge offers Josephine's "troubadour" paintings and her well-known harp for visitors to admire. Here, many paintings from these times are on display. After her divorce in 1809, Joséphine continued to live in her house, where she died in 1814. The Napoleonic museum was inaugurated in 1906; it is furnished, decorated and adorned with the paintings that Joséphine bought and loved. The charm and authenticity that have been preserved in this castle will certainly delight you. Return on board.
