VOLENDAM - ZAANSE-SCHANS

Excursion to Volendam and Zaanse-Schans

Duration: 4h · Type: Classic

We'll leave by coach with our guide for Volendam, a charming village that has preserved its character for over six centuries thanks to the tough vitality of its fishermen. We'll then visit a cheese factory in the area to discover how the famous Gouda cheese is made. We'll enjoy tasting the different flavors and ages available of one of the most popular cheeses in the world. We'll then head for Zaanse Schans, an open air museum with wooden windmills, barns, and houses. Take a walk through the stunning buildings and the unique peat landscape or watch traditional clog making techniques. Don't miss the small but impressive clog museum that features one of the largest and most attractive collections of wooden shoes in the Netherlands: painted, carved, ice clogs with iron trimmings, horse clogs, and decorative clogs. Take advantage of some free time on this excursion to indulge in authentic Dutch traditions. We'll return to our ship in Amsterdam by coach.
