FULL-DAY TRIP TO MARRAKESH

Full-day trip to Marrakesh

Type: Classic

“Looking at the world through the sunset in your eyes
Traveling the train through clear Moroccan skies...”
Join us for an excursion to the city incarnated by Crosby, Stills, and Nash in "Marrakesh Express." We'll visit the Bahia Palace, one of the city's most imposing buildings, whose architecture hints at both Andalusian and Moorish influences. The lush vegetation of the gardens complements the awe-inspiring interiors decorated in a diversity of styles and techniques. We'll have a traditional lunch in a restaurant in the medina. In the afternoon, we'll take a stroll through the winding streets of the medina leading to gorgeous mosques, palaces, and gardens. Take in the sights and sounds as you walk through the colorful and lively souks filled with heady scents emanating from the food stands. We'll stop by a traditional herbalist's shop. Our last destination will be Jemaa el-Fnaa—located in the heart of the medina quarter—where musicians, fortune tellers, and snake charmers make sure you get your healthy dose of traditional entertainment.
