MARTAINVILLE CASTLE

Château de Martainville

Type: Classic

Departure by coach along with your host/hostess. We will cross Le Petit Andelys and pass by the St Sauveur Church (a 16th century church which still possesses a vintage organ). After 40 minutes' travelling through different villages along the Andelle (river running through the valley), we'll arrive at Château de Martainville. This château was built at the end of the 15th century by Jacques Le Pelletier, and bought by the State in 1906, then turned into a museum in 1961.

In 2 hours, learn about 500 years of rural Normandy history. Travel through the heart of Norman traditions (work suits, headdresses, jewelry, weavings), relive the past through the objects of everyday life (copper pans, pottery, baskets...). Discover the largest collection of Upper Normandy furniture, the "Famous Norman Wardrobes". Transfer back to Rouen at the beginning of the evening.
