# Matera, an immersion into the soul of Basilicata and Apulia

Matera, an immersion into the soul of Basilicata and Apulia

Duration: 4h · Type: Classic

Departure for Matera, a spectacular cave city listed as a UNESCO World Heritage Site, where dwellings carved into the rock create a landscape unlike any other in the world. You will explore the famous Sassi, a maze of narrow streets and rock-hewn houses that bear witness to an ancestral way of life. You will visit the rock churches, whose medieval frescoes reveal the region's rich spiritual and artistic heritage. A typical lunch in a local trattoria will extend this immersive experience, allowing you to savor the authentic flavors of Apulian and Basilicata cuisine.
