

OLD MONTMARTRE EXCURSION

Paris and old-time Montmartre

Duration: 3h30 · Type: Classic

Guided tour of Montmartre*. A hill that reaches a height of about 427 feet, located in the north of Paris, Montmartre has long been known as the premier artist's enclave in the city. Montmartre's most recognizable landmark is the bright-white Sacré-Cœur Basilica, constructed from 1875 to 1914. Inside the Roman-Byzantine style place of worship, the ceiling is decorated with the largest mosaic in France. From the top of the Butte Montmartre, you'll experience one of the most beautiful panoramic views of the capital.
