MAISON BONAPARTE NATIONAL MUSEUM

Maison Bonaparte national museum

Duration: 2h · Type: Classic

The Maison Bonaparte is the house where Napoleon and most of his siblings were born. The museum recounts the rise of both Napoleon and his brother, Joseph, to power in Ajaccio. The home changed hands several times over the centuries before being gifted to the French government, which turned it into a national museum. The exhibits trace not only the Bonaparte family history but also the events in Corsica at the end of the 18th century.
