ST NAZAIRE SHIPYARD AND ESCAL ATLANTIC

Guided tour of Saint Nazaire

Duration: 4h30 · Type: Classic

We'll begin our visit with the Escal'Atlantic, which ingeniously retraces the history of Norman and French ocean liners through a unique experience. Then we'll continue on to the Saint-Nazaire shipyard, one of the largest and well-renowned in Europe. Once the birthplace of the most outstanding French transatlantic liners, today it is the construction site for elegant cruise ships. While following a tour especially designed to better understand the complexity of constructing these truly modern floating palaces, you'll discover the immensity of this site (267 acres), the stunning logistics, and the advanced technology required to build the ships.
