Prague - castle district

Prague - castle district

Duration: 4h · Type: Classic

This tour will begin at Prague Castle, where you'll have a great view of the city below. We'll then set out to discover Prague and its Christmas markets on foot. The charming Malá Strana quarter sits right below the castle, its streets winding down to the river. A walk through this cobblestone-paved district is only one of the romantic highlights the city has to offer.
