Panoramic Tour of Strasbourg

Panoramic Tour of Strasbourg

Duration: 3h · Type: Classic

Departure by coach. As the tour unfolds, you will discover the many facets of Strasbourg, a city with an exceptional heritage shaped by centuries of history. You will first pass part of its port, a reminder of the importance of the river and commercial activities that contributed to the city's development. Your itinerary will also take you past the remains of the fortifications designed by Vauban, a testament to Strasbourg's strategic importance throughout the centuries. You will then travel through the European Quarter, a symbol of dialogue between nations and of Strasbourg's international influence, before reaching the German Quarter, or Neustadt, renowned for its wide avenues and imposing imperial-style buildings. A fascinating immersion into a city where medieval heritage, German influences and European identity blend together in perfect harmony. Return on board.
