VISIT OF WIEN - CHRISTMAS AND NEW YEAR CRUISE

Guided tour of Vienna (without Schoenbrunn)

Type: Classic

You will begin the tour by taking the famous Ring, which was one of the personal projects of Emperor Franz Joseph. In 1857, he decided to take down the ramparts that enclosed the city center and had this boulevard lined with fine buildings. Along the Ring you will admire this architectural showcase of the old Austro-Hungarian monarchy, including: the State Opera, the Hofburg Palace, the Natural History Museum, the City Hall, the Burgtheater and more.

For cruises MVI/MVI_PP/NVI/NVI_PP:

At the end of the visit, we'll return to the square in front of the city hall and take advantage of some free time to discover the traditional Vienna Magic of Advent market. Some 150 small chalets offer fine gifts and Christmas decorations for all ages, while the lights of the trees around the park shine brightly into the night. Enjoy some roasted chestnuts and a cup of warm mulled wine while strolling through the festive market.
