

OPUSZTASZER

Guided tour of Ópusztaszer National Heritage Park

Duration: 5h · Type: Classic

Departure by coach towards Ópusztaszer National Heritage Park.

In the company of our guide, we will discover Ópusztaszer National Heritage Park. We'll first set out to the roundhouse which holds the impressive panoramic painting by Feszty - The Arrival of the Hungarians. Then, we'll learn more about the Szeged flood from 1879 inside the Lockmaster's house and discover an exhibition about Man and the Forest inside crown-shaped tents. Afterwards, we'll move on to the open-air ethnographic museum with its typical farms from the Szeged region, a windmill, a primary school and more. Enjoy some free time in the park before returning on board.

PLEASE NOTE

- Good walking shoes are recommended: visit entirely on foot.
- The order of the visits can change.
- Times are approximate.
