Private soirée at the Ca'Sagredo Hotel

Duration: 6h · Type: Classic

This magical venue, with its opulent ballroom and fresco-covered halls, oozes the romance found in European novels. Just walking up the grand staircase decorated with cherub statues makes you feel like royalty. Traditional Commedia dell'arte characters will greet you before your evening cocktail. We'll then sit down to a delicious dinner accompanied by baroque music. If you'd like to extend the fun after our feast has finished, take a stroll through the narrow streets and along the romantic canals at night. The cobblestone roads bathed in the soft lights create a fairytale-like atmosphere found only in La Serenissima. Sumptuous masques and elaborate costumes pop out of the dark at each turn, like ghosts from the past. Nighttime adds a mysterious aura to the lavish disguises, transforming each mask into fleeting artwork glimpsed under the soft city lights.
