Hike to the Pointe de la Parata

Hike to the Pointe de la Parata

Duration: 3h · Type: Classic

This hike takes place in Ajaccio between the Îles Sanguinaires and Capo di Feno. You'll follow the trail to splendid beaches on Capo di Feno with the islands in the distance. Leave all your worries behind as you enjoy the beautiful turquoise water and wild scenery. Take advantage of this time to discover how different Corsica can be from one end to the other. Breathe in the scents, indulge in the colors, and give yourself a true break.

(Approximately 3 hours, 10 km/6.2 mi., 150 to 200 m elevation gain (492 to 656 ft.))

PLEASE NOTE

- The order of the visits can change.
