PARIS STROLL ON EDGES SEINE

Stroll on the banks of the seine, the bridges of Paris

Duration: 3h · Type: Discovery

We'll set out from the Quai de Grenelle for a stroll along the banks of the Seine. The banks of the Seine were added to the UNESCO list of World Heritage Sites in 1991. Come with us and discover the splendid sites and surprising points of view on each side of the river. You'll also learn about the complex relationship Parisians have had with their waterways since the Middle Ages. Throughout the centuries, the Seine has been used for transportation, commercial activities, energy production using floating windmills, cleaning animal skins, washing laundry, waste water dumping, and even drinking water up to the 19th century!

All levels of walkers are welcome to join us and hear about the river's fascinating history. You can stay for one, two or even three hours with us, leaving the group when you want. You'll have a bus/subway ticket that you can use to return to the ship at any moment. Just ask your guide to point you in the right direction.
