Hike to Cap de Pertusatu

Hike to Cap de Pertusatu

Duration: 2h30 · Type: Classic

Leaving from the harbor in Bonifacio, this hike takes you up the Montée Rostello to Saint-Roch Chapel. From there, you'll follow the seaside cliffs and explore the old mule-driver trails beaten by the winds and spray. The dramatic limestone cliffs dominate this walk through the nature reserve. Where the semaphore regulating sea traffic stands, you'll catch a glimpse of Sardinia before continuing on to the lighthouse marking the southernmost tip of the island.
