Visit to the prestigious São João National Theatre in Porto

Visit to the prestigious São João National Theatre in Porto

Duration: 4h · Type: Classic

Built in the early 20th century in an elegant neoclassical style, it captivates visitors with the richness of its architecture and the harmony of its spaces. During the visit, you will discover the grand foyer, the decorated lounges, and the auditorium, whose balconies and gilded details recall the atmosphere of major European theatres. Your guide will recount the history of the venue, the artists who have performed there, and the essential role the theatre plays in Porto's cultural life.
