PORTO BY TRAMWAY

Touring Porto via tram and visiting the Tram Museum

Type: Discovery

We'll leave from Vila Nova de Gaia by coach for downtown Porto. Once we arrive, we'll board one of the city's trams and partake in this urban-tourism experience all the way to the mouth of the Douro. Our visit will include a stop at the tram museum (Museu do Carro Eléctrico), housed in a former thermo-electric power plant. The museum collection comprises the oldest cars pulled by horses, called "Americanos," to the last trams from the 1950s and 1960s. We'll finish up our excursion with a tasting of some of the local specialties*. At the end of our tour, we'll return to the ship by coach.

PLEASE NOTE

- Times are approximate.

- The order of the visits can change.

- Good walking shoes are recommended.

- *Alcohol can be harmful to your health. Please drink in moderation.
