Rome, the Eternal City

Duration: 9h30 · Type: Classic

The capital of Italy, Rome is a unique city where every monument tells more than two thousand years of history. A panoramic tour will allow you to admire the city's major landmarks: the Pyramid of Cestius, the remains of the ancient baths, the Circus Maximus, the majestic Colosseum, as well as the basilicas of Saint John Lateran and Saint Mary Major. You will also pass through the elegant Piazza della Repubblica and the famous Via Veneto, a symbol of Roman refinement. The tour will continue on foot in the historic center, between the majestic Spanish Steps, the legendary Trevi Fountain (entrance not included) and the remarkable Pantheon (entrance not included), a masterpiece of ancient Rome. After a pleasant lunch break, you will head to the splendid Piazza Navona, renowned for its baroque fountains and lively atmosphere. The excursion will conclude with a visit to the majestic St. Peter's Square, dominated by Bernini's famous colonnade and St. Peter's Basilica.
