GUIDED TOUR CHAMPAGNE'S ROAD

Excursion along the famous Champagne Route

Duration: 5h · Type: Classic

Our tour guide will greet us before we start off on our coach tour of the Champagne Tourist Route, where you'll discover the magnificent vineyard-dotted valleys of the region. You'll partake in a guided tour of the village of Hautvillers, once home to the famous Dom Perignon, a French Benedictine monk who made important contributions to the production and quality of champagne as we know it today. This picturesque village is located in the Montagne de Reims Regional Natural Park and is best explored on foot. Many of the little streets in the village have names that are reminiscent of the history of this village which is often called "The Pearl of Champagne". We'll continue our visit to a prominent champagne house, with a tasting*, of course. After our tour, we'll return on board.
