# Guided tour of Royan on foot

Guided tour of Royan on foot

Duration: 1h · Type: Classic

We’ll leave on foot to discover Royan, a fascinating seaside city and official French "Ville d’Art et d’Histoire." Villas from the Belle Époque and charming "retro" homes from the 1950s line the waterfront. This urban hike will bring you to the Church of Our Lady of Royan, a cornerstone of the city's modern heritage. Designed by architects Guillaume Gillet and Marc Hébrard after severe bombings during World War II, the reinforced-concrete architecture features sleek lines and geometric shapes. Discover the surprising sides of Royan as you stroll its streets.Enjoy some time on your own. The port is conveniently located in the city center, so you'll be able to return to the ship at your own pace. Take in the unique ambiance of this top tourist destination on the Atlantic coast.
