RUDESHEIM TRAIN WINETASTING AND MUSIC MUSEUM

Rudesheim: small train and Music Museum

Duration: 2h · Type: Classic

A little train will take us through the small alleyways of Rudesheim. The visit will continue on to the Music Museum, located in an old building from the 15th century, close to the Drosselgasse. We'll visit the "Siegfrieds Mechanisches Musikkabinett" which holds an impressive collection of no less than 350 mechanical musical instruments dating back to the 18th century to the 20th, all spread out on more than 4000 ft^2.

"You won't believe your ears" once you embark on a musical adventure into the world of historical automated instruments. This is a vast collection, dating back three centuries, of fascinating musical instruments that function like computers, ranging from tiny, delicate music boxes to an enormous orchestrion. Tools and machines for the production of organ pipes, cardboard sheet music, rolls of sheet music and perforated disks are also on display in the collection.

You will then walk down the Drosselgasse, famous for its small restaurants with orchestras. Free time and return on board on foot.
