SIBENIK AND THE KRKA WATERFALLS

Sibenik and the Krka Falls

Duration: 4h · Type: Classic

Sibenik is located in the central part of the Croatian Adriatic Coast, in the picturesque and indented bay where the Krka River enters the sea. Discover this gorgeous city while strolling down its 15th- and 16th-century streets. We'll also visit the St. James' Cathedral, listed as a UNESCO World Heritage site and built between 1433 and 1477 entirely out of stone. Afterwards, we'll leave for Krka Falls by coach. Skradinski buk is one of the most attractive parts of Krka National Park. It is a large and clear natural pool with high waterfalls at one end and smaller cascades at the other. A trail will get you as close as you can to the falls. We'll return to Sibenik by coach.

- Beware of the many steps to climb before accessing the waterfalls.

- The tours are mostly done on foot, either on cobblestone roads or dirt paths (national parks). Please wear comfortable, sturdy shoes.
