Day trip to Siena, the city set on three hills

Day trip to Siena, the city set on three hills

Duration: 9h · Type: Classic

While the city center is listed as a UNESCO World Heritage Site, the surrounding environment contains the best Italy has to offer. Siena looks much like it did back between the 12th and 15th centuries. Your guide will take you down the small, shaded streets to the heart of the city—the Piazza del Campo, one of the largest medieval squares in Europe and the starting point for the annual Palio horse race. You'll visit the cathedral, an impressive Gothic work that is also one of the most important in Italy. In the afternoon, explore the streets lined with 14th-century tower houses, Gothic castles, and churches.
