

Trendy Syros

Trendy Syros

Duration: 5h · Type: Classic

Syros is home to contrasts in color and architecture. We'll head to the magnificent city of Ano Syros to take in the Venetian charm and Cycladic architecture overlooking the gorgeous Aegean Sea. Afterwards, take in the "retro" feel as you stroll down the marble streets in Ermoupolis. The City Hall, designed by Ernst Ziller, sits majestically in the main square. Enjoy some free time on your own before heading back to the ship.
